

AMENDED IN ASSEMBLY APRIL 15, 2015

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 236

Introduced by Assembly Member Lackey

February 5, 2015

An act to amend ~~Section~~ *Sections 12701 and 12703.1* of the Business and Professions Code, relating to weighmasters.

LEGISLATIVE COUNSEL'S DIGEST

AB 236, as amended, Lackey. Weighmasters: exemptions: pawnbrokers and secondhand dealers.

Existing law requires a person who weighs, measures, or counts a commodity and issues a statement or memorandum of the weight, measure, or count that is used as the basis for either the purchase or sale of that commodity or charge for service, to obtain a license as a weighmaster from the Department of Food and Agriculture, and imposes a license fee and various other requirements on weighmasters. Existing law exempts specified persons from those provisions by establishing a list of persons who are not weighmasters. *Existing law, until January 1, 2019, requires the department to require a recycler or junk dealer who is an applicant for a new weighmaster license or a renewal of a weighmaster license to furnish specified additional information on the application.*

This bill would add licensed pawnbrokers and secondhand dealers to the list of persons who are not weighmasters. *weighmasters and would specify that pawnbrokers and secondhand dealers are exempt from the above-described provision applicable to a junk dealer or recycler who is an applicant for a weighmaster license.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
