February 11, 2015

---

An act to amend Sections 7500.1, 7500.3, 7506.9, 7507.5, 7507.9, 7507.115, 7507.13, and 7508.7 of, and to add Sections 7509, 7509.1, 7509.2, and 7509.3 to, the Business and Professions Code, and to amend Sections 28, 14602.6, 14602.9, 22651.07, and 22850.5 of the Vehicle Code, relating to collateral recovery.

### LEGISLATIVE COUNSEL'S DIGEST

AB 281, as amended, Gallagher. Collateral recovery.

(1) Existing law, the Collateral Recovery Act, provides for the licensure and regulation of repossession agencies by the Bureau of Security and Investigative Services under the supervision and control of the Director of Consumer Affairs. The chief of the bureau serves under the direction and supervision of the director. Existing law makes a violation of the act a crime.

Existing law also provides for the denial of a license for specified acts, and authorizes the director to assess administrative fines.

This bill would establish, beginning July 1, 2017, a Collateral Recovery Disciplinary Review Committee, to consist of 5 members to be appointed by, and to serve at the pleasure of, the Governor, for purposes of reviewing the request of a ~~licensee~~ *licensee, certificate holder, or registrant* to contest the assessment of an administrative fine or to appeal a ~~denial of a license~~, *denial, revocation, or suspension*, except as specified. The bill would set forth the duties of the Collateral Recovery Disciplinary Review Committee in that regard, and would authorize the members of the committee to be paid per diem and reimbursed for actual travel expenses.

(2) Existing law prohibits a person from performing the duties of a registrant for a licensed repossession agency unless the person has in his or her possession a valid repossession registration card or evidence of a valid temporary registration or registration renewal. Existing law authorizes a person to perform the duties of a registrant for a licensee pending receipt of a registration card if the person has been approved by the bureau and carries on his or her person a hardcopy printout of the bureau's approval from the bureau's Internet Web site.

This bill would exempt from that prohibition a person who has in his or her possession a hardcopy printout or electronic copy of the bureau's approval from the bureau's Internet Web site. The bill would also specify for the above-described purposes that an electronic copy of the bureau's approval may include an *easily legible* electronic screenshot display of that information.

(3) The Collateral Recovery Act authorizes licensed repossessioners to perform repair work upon vehicles and charge owners if expressly authorized to do so.

This bill would prohibit licensed repossessioners from performing, or charging for, repair work, cleaning, or detailing.

(4) The Collateral Recovery Act requires licensees to remove personal effects from collateral, make a complete and accurate inventory of the personal effects, and provide the inventory to a debtor not later than 48 hours after the recovery of the collateral, with certain exceptions, as specified. The act requires licensees to label and store the personal effects, except for the personal effects removed by or in the presence of the debtor or the party in possession at the time of the repossession, in a secure manner for a minimum of 60 days, and authorizes licensees to dispose of the personal effects after the expiration of that period, as specified. *The act authorizes a licensee, if personal effects or other personal property not covered by a security agreement are to be*

*released to someone other than the debtor; to request written authorization to do so from the debtor.*

~~This bill, instead of requiring licensees to make a complete and accurate inventory of the personal effects, would require licensees to make a good faith effort to inventory the personal effects in writing or by photograph. The bill would prohibit licensees from inventorying or removing trash, and would specify that licensees are not responsible for hidden personal effects. The bill would require a licensee unable to open a compartment in the collateral to notify the legal owner of the collateral of that inability within 24 hours, and would require the legal owner to provide the licensee with access to the compartment within 72 hours of notification, as specified. The bill would specify that the 48-hour period in which the licensee must provide the inventory of personal effects to a debtor is tolled until the legal owner provides that access or 72 hours elapse after notification. The bill would authorize a licensee to allow a debtor, or a person in possession of the collateral at the time of repossession, to sign a waiver forfeiting the personal effects and inventory, and would require the licensee to immediately dispose of the personal effects upon receiving that waiver.~~ *bill would instead require a licensee to request that authorization. The bill would require the inventory to be provided to a debtor no later than 96 hours after the recovery of the collateral if a licensee is unable to open a locked compartment that is part of the collateral, with specified exceptions. The bill would prohibit a licensee from selling personal effects and remitting money from the sale to a third party, and would further prohibit a licensee from releasing or conspiring or agreeing to release personal effects to a person other than the debtor or person in possession of the collateral at the time of repossession.* ~~party.~~

(5) The Collateral Recovery Act prohibits a repossession agency, except as otherwise provided by law, from disclosing the personal information of persons employed by the agency.

*This bill would exclude disclosure to an individual to whom the information pertains from these prohibitions, and would allow a repossession agency to disclose the name, driver's license number, and date of birth of a person employed by the agency to an insurance company for the purpose of verifying information for the issuance or renewal of a policy of insurance.*

(6) The Collateral Recovery Act, among other things, prohibits a licensed repossession agency or its registrants from making demand for payment in lieu of repossession, selling recovered collateral, or

appraising or determining the value of any collateral, and provides that licensed repossession agencies are not liable for the acts or omissions of legal owners and that legal owners are not liable for acts or omissions of licensed repossession agencies, as specified.

This bill would require a licensed repossession agency, at least annually, to provide a legal owner with a copy of those prohibitions and provisions.

This bill would define the terms “registered owner” and “repossession” for the purposes of the act. The bill would also make technical and conforming changes.

(7) Existing law requires a person who takes possession of a vehicle by or on behalf of the vehicle’s legal owner to notify the law enforcement department with applicable jurisdiction of the repossession within one hour of the repossession, as specified, and to forward a written notice to the city police or sheriff’s department within one business day. Under existing law, a person who fails to provide this notification is guilty of an infraction and subject to a \$300 to \$500 fine.

This bill would delete the requirement to forward that written notice within one business day.

Under existing law, whenever a peace officer determines, among other things, that a person was driving without a license or while his or her driving privilege was suspended or revoked, the peace officer is authorized to remove and seize that vehicle. Existing law requires the law enforcement agency and the impounding agency, including any storage facility acting on behalf of the law enforcement agency or impounding agency, to comply with specified provisions and precludes liability to the registered owner for the improper release of the vehicle to the legal owner or the legal owner’s agent if the release complies with certain requirements.

Existing law requires the legal owner to indemnify and hold harmless a storage facility from any claims arising out of the release of the vehicle to the legal owner or the legal owner’s agent and from any damage to the vehicle after its release, including the reasonable costs associated with defending any such claims.

This bill would instead require the legal owner of collateral, by operation of law and without requiring further action, to indemnify and hold harmless the state, a law enforcement agency, city, county, city and county, a tow yard, storage facility, or an impounding yard from a claim arising out of the release of the collateral to a licensed reposessor or licensed repossession agency, and from any damage to the collateral

after its release, including reasonable attorney's fees and costs associated with defending a claim, if the collateral was released in compliance, as specified.

Existing law requires any person, defined as a natural person or specified business entity, that charges for towing or storage, or both, except for storage unrelated to a tow, to, among other things, provide, upon request, a copy of the Towing Fees and Access Notice to any owner or operator of a towed or stored vehicle.

This bill would define a person to include the state, a city, county, city and county, law enforcement agency, a tow yard, storage facility, or an impounding yard that imposes such charges. By expanding this requirement to local agencies, the bill would create a state-mandated local program.

*(8) This bill would incorporate additional changes in Section 14602.9 of the Vehicle Code proposed by SB 541 that would become operative only if SB 541 and this bill are both chaptered and become effective on or before January 1, 2016, and this bill is chaptered last.*

~~(8)~~

(9) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

19 declaration under penalty of perjury that he or she has not been  
20 convicted of a felony or committed any other act constituting  
21 grounds for denial of a registration pursuant to Section 7506.8  
22 (unless he or she declares that the conviction of a felony or the  
23 commission of a specified act or acts occurred prior to the issuance  
24 of a registration by the chief and the conduct was not the cause of  
25 any subsequent suspension or termination of a registration), and  
26 that he or she has read and understands the provisions of this  
27 chapter.

28 (c) The chief shall issue an additional temporary registration  
29 for not less than 60 days nor more than 120 days, if the chief

31 to complete than the initial temporary registration time period.

32 (d) No person shall perform the duties of a registrant for a  
33 licensee unless the person has in his or her possession a valid  
34 repossessor registration card, a hardcopy printout or electronic  
35 copy of the bureau's approval from the bureau's Internet Web site,

Repair work, cleaning, or detailing shall not be performed and shall not be charged to the legal owner.

SEC. 5. Section 7507.9 of the Business and Professions Code is amended to read:

~~7507.9. Except as otherwise provided in this section, personal effects~~

7507.9. *Personal effects* shall be removed from the collateral, including any personal effect that is mounted but detachable from the collateral by a release mechanism. A licensee shall make a good faith effort to inventory the personal effects, in writing or by photograph, but shall not inventory or remove trash of any kind or be held responsible for hidden personal effects. If the licensee is unable to open a trunk, glove box, or other compartment in the collateral, the licensee shall notify the legal owner of this inability within 24 hours. The legal owner, within 72 hours of notification, shall either send to the licensee a key or entry code to the compartment or authorize the licensee to make a key at the legal owner's expense to enable the licensee to open and inventory the contents of the compartment in accordance with this section. *The complete and accurate inventory of the personal effects shall be made, and the personal effects shall be labeled and stored by the licensee for a minimum of 60 days in a secure manner, except those personal effects removed by or in the presence of the debtor or the party in possession of the collateral at the time of the repossession. If the licensee or the licensee's agent cannot determine whether the property attached to the collateral is a*

1 personal effect or a part of the collateral, then that fact shall be  
2 noted on the inventory and the licensee or agent shall not be  
3 obligated to remove the item from the collateral, unless the item  
4 can be removed without the use of tools, in which case it shall be  
5 removed and inventoried. The licensee or the licensee's agent shall  
6 notify the debtor that if the debtor takes the position that an item  
7 is a personal effect, then the debtor shall contact the legal owner  
8 to resolve the issue.

9 (a) The date and time the inventory is made shall be indicated.  
10 The permanent records of the licensee shall indicate the name of  
11 the employee or registrant who performed the inventory.

12 (b) The following items of personal effects are items determined  
13 to present a danger or health hazard when recovered by the licensee  
14 and shall be disposed of in the following manner:

15 (1) Deadly weapons and dangerous drugs shall be turned over  
16 to any law enforcement agency for retention. These items shall be  
17 entered on the inventory and a notation shall be made as to the  
18 ~~date and the time and the~~ *date, time, and* place the deadly weapon  
19 or dangerous drug was turned over to the law enforcement agency,  
20 and a receipt from the law enforcement agency shall be maintained  
21 in the records of the repossession agency.

22 (2) Combustibles shall be inventoried and noted as "disposed  
23 of, dangerous combustible," and the item shall be disposed of in  
24 a reasonable and safe manner.

25 (3) Food and other health hazard items shall be inventoried and  
26 noted as "disposed of, health hazard," and disposed of in a  
27 reasonable and safe manner.

28 (c) Personal effects may be disposed of after being held for at  
29 least 60 days. The inventory, and adequate information as to how,  
30 when, and to whom the personal effects were disposed of, shall  
31 be filed in the permanent records of the licensee and retained for  
32 four years.

33 (d) The inventory shall include the name, address, business  
34 hours, and telephone number of the repossession agency to contact  
35 for recovering the personal effects and an itemization of all  
36 personal effects removal and storage charges that will be made by  
37 the repossession agency. The inventory shall also include the  
38 following statement: "Please be advised that the property listed  
39 on this inventory will be disposed of by the repossession agency

1 after being held for 60 days from the date of this notice IF  
2 UNCLAIMED.”

3 (e) The inventory shall be provided to a debtor not later than  
4 48 hours after the recovery of the collateral, except that if:

5 (1) The 48-hour period encompasses a Saturday, Sunday, or  
6 postal holiday, the inventory shall be provided no later than 72  
7 hours after the recovery of the collateral.

8 (2) The 48-hour period encompasses a Saturday or Sunday and  
9 a postal holiday, the inventory shall be provided no later than 96  
10 hours after the recovery of the collateral.

11 (3) Inventory resulting from repossession of a yacht, motor  
12 home, or travel trailer is such that it shall take at least four hours  
13 to inventory, then the inventory shall be provided no later than 96  
14 hours after the recovery of the collateral. When the 96-hour period  
15 encompasses a Saturday, Sunday, or postal holiday, the inventory  
16 shall be provided no later than 120 hours after the recovery of the  
17 collateral.

18 ~~(4) The licensee is unable to open and inventory the contents~~  
19 ~~of a trunk, glove box, or other compartment in the collateral, the~~  
20 ~~48-hour period shall be tolled until the legal owner sends to the~~  
21 ~~licensee a key or entry code to the compartment or authorizes the~~  
22 ~~licensee to make a key at the legal owner's expense, or 72 hours~~  
23 ~~elapse after the licensee has informed the legal owner of the~~  
24 ~~licensee's inability to open and inventory the contents of the trunk,~~  
25 ~~glove box, or other compartment in the collateral, whichever is~~  
26 ~~earlier.~~

27 *(4) The licensee is unable to open a locked compartment that*  
28 *is part of the collateral, the available inventory shall be provided*  
29 *no later than 96 hours after the recovery of the collateral. When*  
30 *the 96-hour period encompasses a Saturday, Sunday, or postal*  
31 *holiday, the inventory shall be provided no later than 120 hours*  
32 *after the recovery of the collateral.*

33 (f) Environmental, Olympic, special interest, or other license  
34 plates issued pursuant to Article 8 (commencing with Section  
35 5000), Article 8.4 (commencing with Section 5060), or Article 8.5  
36 (commencing with Section 5100) of Chapter 1 of Division 3 of  
37 the Vehicle Code that remain the personal effects of the debtor  
38 shall be removed from the collateral and inventoried pursuant to  
39 this section. If the plates are not claimed by the debtor within 60  
40 days, they shall either (1) be effectively destroyed and the licensee

1 shall, within 30 days thereafter, notify the Department of Motor  
2 Vehicles of their effective destruction on a form promulgated by  
3 the chief that has been approved as to form by the Director of the  
4 Department of Motor Vehicles; or (2) be retained by the licensee  
5 indefinitely to be returned to the debtor upon request, in which  
6 case the licensee shall not charge more than 60 days' storage on  
7 the plates.

8 (g) The notice may be given by regular mail addressed to the  
9 last known address of the debtor or by personal service at the option  
10 of the repossession agency.

19 agency, impounding agency, or any other governmental agency,  
20 or any person acting on behalf of those agencies, shall not require  
21 any documents to be notarized. The law enforcement agency,  
22 impounding agency, or any person acting on behalf of those

31 No administrative costs authorized under subdivision (a) of  
32 Section 22850.5 shall be charged to the legal owner of the type  
33 specified in paragraph (1), who redeems the vehicle unless the  
34 legal owner voluntarily requests a poststorage hearing. No city,  
35 county, city and county, or state agency shall require a legal owner  
36 or a legal owner's agent to request a poststorage hearing as a  
37 requirement for release of the vehicle to the legal owner or the  
38 legal owner's agent. The law enforcement agency, impounding  
39 agency, or other governmental agency, or any person acting on  
40 behalf of those agencies, shall not require any documents other

1 than those specified in this paragraph. The law enforcement agency,  
2 impounding agency, or other governmental agency, or any person  
3 acting on behalf of those agencies, shall not require any documents  
4 to be notarized. The legal owner or the legal owner's agent shall  
5 be given a copy of any documents he or she is required to sign,  
6 except for a vehicle evidentiary hold logbook. The law enforcement  
7 agency, impounding agency, or any person acting on behalf of  
8 those agencies, or any person in possession of the vehicle, may  
9 photocopy and retain the copies of any documents presented by  
10 the legal owner or legal owner's agent.

11 (4) A failure by a storage facility to comply with any applicable  
12 conditions set forth in this subdivision shall not affect the right of  
13 the legal owner or the legal owner's agent to retrieve the vehicle,  
14 provided all conditions required of the legal owner or legal owner's  
15 agent under this subdivision are satisfied.

16 (g) (1) A legal owner or the legal owner's agent that obtains  
17 release of the vehicle pursuant to subdivision (f) shall not release  
18 the vehicle to the registered owner of the vehicle, or the person  
19 who was listed as the registered owner when the vehicle was  
20 impounded, or any agents of the registered owner, unless the  
21 registered owner is a rental car agency, until after the termination  
22 of the 30-day impoundment period.

23 (2) The legal owner or the legal owner's agent shall not

28 legal owner or the legal owner's agent. The legal owner or the  
29 legal owner's agent or the person in possession of the vehicle shall  
30 make every reasonable effort to ensure that the license presented

33 the expiration of the impoundment period.

34 (3) Prior to relinquishing the vehicle, the legal owner may

37 authorized under Section 22850.5 that were incurred by the legal  
38 owner in connection with obtaining custody of the vehicle.

39 (4) Any legal owner who knowingly releases or causes the  
40 release of a vehicle to a registered owner or the person in

1 possession of the vehicle at the time of the impoundment or any  
2 agent of the registered owner in violation of this subdivision shall  
3 be guilty of a misdemeanor and subject to a fine in the amount of  
4 two thousand dollars (\$2,000) in addition to any other penalties  
5 established by law.

6 (5) The legal owner, registered owner, or person in possession  
7 of the vehicle shall not change or attempt to change the name of  
8 the legal owner or the registered owner on the records of the  
9 department until the vehicle is released from the impoundment.

10 (h) (1) A vehicle removed and seized under subdivision (a)  
11 shall be released to a rental car agency prior to the end of 30 days'  
12 impoundment if the agency is either the legal owner or registered  
13 owner of the vehicle and the agency pays all towing and storage  
14 fees related to the seizure of the vehicle.

15 (2) The owner of a rental vehicle that was seized under this  
16 section may continue to rent the vehicle upon recovery of the  
17 vehicle. However, the rental car agency may not rent another  
18 vehicle to the driver of the vehicle that was seized until 30 days

22 to the impoundment and any administrative charges authorized  
23 under Section 22850.5 that were incurred by the rental car agency  
24 in connection with obtaining custody of the vehicle.

25 (i) Notwithstanding any other provision of this section, the  
26 registered owner and not the legal owner shall remain responsible  
27 for any towing and storage charges related to the impoundment,  
28 any administrative charges authorized under Section 22850.5, and  
29 any parking fines, penalties, and administrative fees incurred by

32 including any storage facility acting on behalf of the law  
33 enforcement agency or impounding agency, shall comply with this  
34 section and shall not be liable to the registered owner for the  
35 improper release of the vehicle to the legal owner or the legal  
36 owner's agent provided the release complies with the provisions  
37 of this section. A law enforcement agency shall not refuse to issue  
38 a release to a legal owner or the agent of a legal owner on the  
39 grounds that it previously issued a release.

(2) (A) The legal owner of collateral shall, by operation of law and without requiring further action, indemnify and hold harmless a law enforcement agency, city, county, city and county, the state, a tow yard, storage facility, or an impounding yard from a claim arising out of the release of the collateral to a licensed reposessor or licensed repossession agency, and from any damage to the collateral after its release, including reasonable attorney's fees and costs associated with defending a claim, if the collateral was released in compliance with this section.

Note: The following information is intended to serve as a general summary of some of the laws that provide vehicle owners certain rights when their vehicle is towed. It is not intended to summarize all of the laws that may be applicable nor is it intended to fully and completely state the entire law in any area listed. Please review the applicable California code for a definitive statement of the law in your particular situation.

**How much can a towing company charge?**

Rates for public tows and storage are generally established by an agreement between the law enforcement agency requesting the tow and the towing company (to confirm the approved rates, you may contact the law enforcement agency that initiated the tow; additionally, these rates are required to be posted at the storage facility).

Rates for private property tows and storage cannot exceed the approved rates for the law enforcement agency that has primary jurisdiction for the property from which the vehicle was removed or the towing company's approved CHP rate.

Rates for owner's request tows and storage are generally established by mutual agreement between the requestor and the towing company, but may be dictated by agreements established between the requestor's motor club and motor club service provider.

**Where can you complain about a towing company?**

For public tows: Contact the law enforcement agency initiating the tow.

34 read:

35 22850.5. (a) A city, county, or city and county, or a state  
36 agency may adopt a regulation, ordinance, or resolution  
37 establishing procedures for the release of properly impounded  
38 vehicles to the registered owner or the agent of the registered owner  
39 and for the imposition of a charge equal to its administrative costs  
40 relating to the removal, impound, storage, or release of the vehicles

1 to the registered owner or to the agent of the registered owner.  
2 Those administrative costs may be waived by the local or state  
3 authority upon verifiable proof that the vehicle was reported stolen  
4 at the time the vehicle was removed.

5 (b) The following apply to any charges imposed for  
6 administrative costs pursuant to subdivision (a):

7 (1) The charges shall only be imposed on the registered owner  
8 or the agents of that owner and shall not include any vehicle towed

16 authorized or imposed pursuant to this code.

17 (4) No charge may be imposed for any hearing or appeal relating

19 that hearing or appeal was requested in writing by the registered  
20 or legal owner of the vehicle or an agent of that registered or legal  
21 owner. In addition, the charge may be imposed only upon the  
22 person requesting that hearing or appeal.

23 No administrative costs authorized under subdivision (a) shall
