

AMENDED IN ASSEMBLY MARCH 26, 2015

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 316

Introduced by Assembly Member Maienschein

February 13, 2015

An act to amend Section 4830 of the Business and Professions Code, relating to veterinarians.

LEGISLATIVE COUNSEL'S DIGEST

AB 316, as amended, Maienschein. Veterinarians.

Under existing law, the Veterinary Medical Board licenses and regulates veterinarians and the practice of veterinary medicine. It is unlawful for any person to practice veterinary medicine in this state unless he or she holds a valid, unexpired, and unrevoked license issued by the board, except under specified ~~circumstances~~. *circumstances, including when regularly licensed veterinarians are actually called from other states to attend cases in this state and do not open an office or appoint a place to do business within the state.*

This bill would specifically exempt from these licensing requirements a regularly licensed veterinarian who is called from another state by a law enforcement agency, animal control department, or a humane officer to attend to cases that are part of an investigation of an alleged violation of federal or state animal fighting or animal cruelty laws within a single geographic location when the law enforcement agency, animal control department, or humane officer determines that it is necessary to call the veterinarian to conduct the investigation in a timely, efficient, and effective manner.

Existing law requires the registration of all premises where veterinary medicine, veterinary dentistry, or veterinary surgery is being practiced.

Existing law also requires these premises, and all instruments, apparatus, and apparel used in connection with those practices to be kept clean and sanitary at all times, and to conform to those minimum standards established by the board. Existing law makes it a misdemeanor to violate these provisions regulating the practice of veterinary medicine.

This bill would authorize a regularly licensed veterinarian who is called from another state to attend to cases that are a part of the above described investigation to provide veterinary medical care to animals that are affected by the investigation within a temporary shelter facility and would exempt the temporary shelter facility from the registration requirement if specified conditions are met.

~~This bill would make a technical, nonsubstantive change to these provisions:~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
 State-mandated local program: no.
