An act to amend Sections 2080.1 and 2080.2 of the Civil Code, relating to lost and unclaimed property.

LEGISLATIVE COUNSEL'S DIGEST

AB 318, as introduced, Chau. Lost money and goods: restoration to owner.

Existing law requires a person who finds and takes possession of property that is lost to try and return it to the rightful owner. If the owner of the lost property cannot be determined and the item is worth \$100 or more, the finder is required to turn the item over to the police or sheriff, as specified. Existing law provides 90 days for the owner to return and claim the property and to pay any reasonable fee for its bailment.

This bill would provide that if that lost property is found on a vehicle of public conveyance or on public transit property, that it instead turned in to the public transit agency. The bill would provide 30 days for the owner to return and claim the property under specified rules and if the property is not claimed within 30 days, the public transit agency would be authorized to dispose of the property to a charitable organization.

Because this bill would impose new requirements on local transportation agencies, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
