LEGISLATIVE COUNSEL'S DIGEST

AB 325, as amended, Wood. Community Development Block Grant Program: ~~Begin Equity and Growth in Neighborhoods Fund: funds.~~ *Program.*

Existing law requires the Department of Housing and Community Development to allocate funds under the federal Community Development Block Grant Program to cities and counties. Existing law requires the department to develop and use certain eligibility criteria and requirements for certain economic development fund applications.

This bill would require the department, no later than 60 days after the department notifies an applicant that the department has approved the applicant’s application for those grant funds, to enter into a grant agreement with the applicant. The bill would require the department, when the department enters into a grant agreement with an applicant, to provide the applicant with a complete and final list of activities the applicant must complete in order to receive a disbursement of funds pursuant to the agreement. The bill would also require the department, no later than 30 days after receiving a grantee’s request for disbursement of funds, to notify the grantee that the department has approved disbursement or to provide the grantee with a complete and final list of all of the remaining activities the grantee must complete, as specified.

~~Existing law creates the Building Equity and Growth in Neighborhoods (BEGIN) Program and the BEGIN Fund. Moneys in the fund are made available, upon appropriation, to the department for grants to cities, counties, and cities and counties for assistance for downpayment purposes to qualifying new home buyers in those cities, counties, and cities and counties that have taken prescribed actions to remove barriers to affordable housing. Existing law appropriates moneys to the department from the BEGIN fund and specifies the periods to liquidate the encumbrances.~~

This bill would, notwithstanding any other law, extend the period to liquidate the encumbrances of certain appropriations from the BEGIN fund to the department until June 30, 2017, or June 30, 2018.
