An act relating to postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

AB 340, as introduced, Weber. Postsecondary education: campus climate: report.

Existing law establishes the segments of the public postsecondary education system in the state, including the University of California administered by the Regents of the University of California, the California State University administered by the Trustees of the California State University, and the California Community Colleges administered by the Board of Governors of the California Community Colleges.

This bill would declare the intent of the Legislature to enact later legislation to require the board and the trustees, and encourage the regents, to generate a report once every biennium of the legislative session, commencing with the 2017–18 Regular Session, on new developments related to campus climate, and submit that report to specified state bodies.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. It is the intent of the Legislature to enact later
- 2 legislation that would require the Board of Governors of the

1 California Community Colleges and the Trustees of the California  
2 State University, and encourage the Regents of the University of  
3 California, to generate a report once every biennium of the  
4 legislative session, commencing with the 2017–18 Regular Session,  
5 on new developments related to campus climate, to define campus  
6 climate for purposes of that report, and to submit that report to the  
7 Governor, the Office of the Attorney General, and the appropriate  
8 policy committees of the Legislature.
