

ASSEMBLY BILL

No. 363

Introduced by Assembly Member Steinorth

February 17, 2015

An act to amend Sections 14405, 14420, and 14421 of, and to add Section 14422 to, the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

AB 363, as introduced, Steinorth. Closing of the polls.

Existing law requires a precinct board to account for ballots at the closing of the polls.

This bill would authorize a county elections official to account for ballots at the central counting place.

Existing law prescribes the procedures for a precinct board to follow as soon as the polls close, including removing the voted ballots from the ballot container, sealing the ballots, and delivering the ballots to the receiving centers or central counting places.

This bill would authorize a county elections official to direct the precinct board to seal the ballots and to record certain information prior to the closing of the polls. This bill would also authorize the county elections official to direct other elections officials to remove the sealed ballots prior to the closing of the polls and to deliver them to a receiving center or central counting place.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
