

## Assembly Bill No. 392

### CHAPTER 622

An act to add Section 32656.1 to, and to repeal Section 32661 of, the Public Resources Code, relating to the San Diego River Conservancy.

[Approved by Governor October 8, 2015. Filed with  
Secretary of State October 8, 2015.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 392, Atkins. San Diego River Conservancy.

The San Diego River Conservancy Act establishes the San Diego River Conservancy in the Natural Resources Agency, and prescribes the territory, membership, and functions and duties of the conservancy with regard to, among other things, the acquisition, protection, and management of public lands within the San Diego River area, as defined. Existing law provides that the act will remain in effect until January 1, 2020.

This bill would delete the January 1, 2020, repeal date, thereby extending the operation of the act indefinitely. The bill would require the conservancy, on or before January 1, 2017, and on or before January 1 of every odd-numbered year thereafter, to prepare and submit to the Governor and the Legislature a report containing specified information regarding projects funded or undertaken by the conservancy and progress made in the 2 years prior to the date of the report, and recommendations regarding legislative action that may be needed to provide funding or other resources to enable the conservancy to more effectively and efficiently carry out its mission, goals, and objectives.

*The people of the State of California do enact as follows:*

SECTION 1. Section 32656.1 is added to the Public Resources Code, to read:

32656.1. (a) On or before January 1, 2017, and on or before January 1 of every odd-numbered year thereafter, the conservancy shall prepare and submit to the Governor and the Legislature a report that includes all of the following:

(1) A description of, and the amount of money expended for, every project funded or undertaken by the conservancy, directly or by an entity under the direction of the conservancy, during the two years prior to the date of the report.

(2) A description of the progress made in accomplishing the purposes of this division during the two years prior to the date of the report.

(3) Recommendations regarding legislative action that may be needed to provide funding or other resources to enable the conservancy to more effectively and efficiently carry out its mission, goals, and objectives.

(b) The report shall be submitted to the Legislature in the manner provided in Section 9795 of the Government Code.

SEC. 2. Section 32661 of the Public Resources Code is repealed.
