

ASSEMBLY BILL

No. 405

Introduced by Assembly Member Brough

February 19, 2015

An act to amend Section 6591.5 of the Revenue and Taxation Code, relating to taxation.

LEGISLATIVE COUNSEL'S DIGEST

AB 405, as introduced, Brough. State Board of Equalization: administration: interest.

The Sales and Use Tax Law, and other laws by reference to that law, provide that interest is paid by taxpayers and feepayers with respect to underpayments of various taxes, surcharges, and fees at a modified adjusted rate per annum, as defined by reference to a specified federal statute, and that interest is paid to taxpayers and feepayers with respect to overpayments of various taxes, surcharges, and fees as determined in accordance with a specified federal statute, which requires that the rate paid on overpayments be based on the rate of 13-week treasury bills, as specified.

This bill would revise the definition of “modified adjusted rate per annum,” which would thereby require that interest on overpayments be determined in the same manner as interest on underpayments is now determined.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
