AMENDED IN ASSEMBLY MARCH 26, 2015

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 412

Introduced by Assembly Member Chávez

February 19, 2015

An act to amend Section 51210 of the Education Code, relating to pupil instruction.

LEGISLATIVE COUNSEL'S DIGEST

AB 412, as amended, Chávez. Pupil instruction: required courses of study: study: complaint procedure.

Existing law requires the adopted course of study for grades 1 to 6, inclusive, to include certain areas of study, including, among others, English, mathematics, social sciences, science, and visual and performing arts, as specified.

This bill would make nonsubstantive changes to these provisions.

This bill would authorize a complaint that a school district or county superintendent of schools has not complied with the requirements of the adopted course of study for grades 1 to 6, inclusive, to be filed with the school district or county superintendent of schools pursuant to the Uniform Complaint Procedures, as specified. The bill would authorize a complainant not satisfied with the school district's or county superintendent of schools decision to file an appeal with the Superintendent of Public Instruction. If a school district or county office of education finds merit in the complaint, or the Superintendent finds merit in the appeal, the bill would require the school district or county superintendent of schools to provide a remedy, as provided. To the extent this bill would impose additional duties on school districts or

county education officials, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: no-yes. State-mandated local program: no-yes.

The people of the State of California do enact as follows:
