CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 447

Introduced by Assembly Member Maienschein
(Coauthor: Assembly Member Cooley)

February 23, 2015

An act to add Section 679.74 to the Insurance Code, relating to insurance.

LEGISLATIVE COUNSEL'S DIGEST

AB 447, as amended, Maienschein. Property insurance: discrimination.

Existing law prohibits an admitted insurer licensed to issue policies of residential property insurance from failing or refusing to accept an application for, or issuing a policy to an applicant for, that insurance, except as specified, or from canceling the insurance, under conditions less favorable to the insured than in other comparable cases, except for reasons applicable alike to persons of every sex, race, color, religion, ancestry, national origin, disability, medical condition, genetic information, marital status, or sexual orientation. Existing law provides that sex, race, color, religion, ancestry, national origin, disability, medical condition, genetic information, marital status, or sexual orientation shall not, of itself, constitute a condition or risk for which a higher rate, premium, or charge may be required of the insured.

Existing law also prohibits an application for one of these policies, or an insurance investigation report, from carrying any identification,

or any requirement therefor, of the applicant’s sex, race, color, religion, ancestry, national origin, disability, medical condition, genetic information, marital status, or sexual orientation.

This bill would, for specified types of real property, add certain other facts *characteristics* relating to the insured or the insured property to the categories that may not be used by an insurer for the purposes described above, including, under certain circumstances, the level or source of income and the receipt of government or public ~~assistance~~: *assistance by an individual or group of individuals residing or intending to reside upon the property, as specified.*

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
