An act to add Section 12012.80 to the Government Code, relating to tribal gaming.

LEGISLATIVE COUNSEL'S DIGEST

AB 466, as amended, ~~McCarty~~ *Brown*. ~~Firearms: concealed carry license.~~ *Tribal gaming: compact ratification.*

Existing federal law, the Indian Gaming Regulatory Act of 1988, provides for the negotiation and execution of tribal-state gaming compacts for the purpose of authorizing certain types of gaming on Indian lands within a state. The California Constitution authorizes the Governor to negotiate and conclude compacts, subject to ratification by the Legislature. Existing law expressly ratifies a number of tribal-state gaming compacts, and amendments to tribal-state gaming compacts, between the State of California and specified Indian tribes.

The California Environmental Quality Act (CEQA) requires a lead agency to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project, as defined, that it proposes to carry out or approve that may have a significant effect on the environment, as defined, or to adopt a negative declaration if it finds that the project will not have that effect.

This bill would ratify the tribal-state gaming compact entered into between the State of California and the San Manuel Band of Mission Indians, executed on August 16, 2016. The bill would provide that, in deference to tribal sovereignty, certain actions are not projects for the purposes of CEQA.

~~Existing law authorizes specified local law enforcement agencies to issue to an applicant a license to carry a concealed firearm if certain requirements are met, including, among others, that the applicant has good cause for the license.~~

~~This bill would state that “good cause” for those purposes means facts that distinguish the applicant from the mainstream public and place the applicant in harm’s way.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~ yes.
 State-mandated local program: no.
