

Assembly Bill No. 539

CHAPTER 118

An act to amend Section 1524 of the Penal Code, relating to search warrants.

[Approved by Governor July 16, 2015. Filed with
Secretary of State July 16, 2015.]

LEGISLATIVE COUNSEL'S DIGEST

AB 539, Levine. Search warrants.

Existing law provides that a search warrant may only be issued upon probable cause, supported by affidavit, naming or describing the person to be searched or searched for, and particularly describing the property, thing, or things and the place to be searched. Existing law also states the grounds upon which a search warrant may be issued, including, among other grounds, when a sample of the blood of a person constitutes evidence that tends to show a violation of specified laws prohibiting driving a vehicle while under the influence of alcohol or drugs, the person from whom the sample is being sought has refused an officer's request to submit to, or has failed to complete, a blood test, as specified, and the sample will be drawn from the person in a reasonable, medically approved manner.

Existing law prohibits a person from operating a vessel or manipulating water skis, an aquaplane, or similar device while under the influence of drugs or alcohol or when the person is addicted to drugs, as specified. Existing law defines a "vessel" for purposes of these provisions to include a watercraft or other artificial contrivance used or capable of being used as a means of transportation on water, except as specified.

This bill would authorize the issuance of a search warrant on the grounds that (1) a sample of the blood of a person constitutes evidence that tends to show a violation of specified laws prohibiting, among other crimes, the operation of a vessel, or manipulating water skis, an aquaplane, or a similar device, while under the influence of alcohol or drugs, (2) the person from whom the sample is being sought has refused an officer's request to submit to, or has failed to complete, a blood test, as specified, and (3) the sample will be drawn from the person in a reasonable, medically approved manner.

This bill would incorporate changes to Section 1524 of the Penal Code proposed by both this bill and AB 1104, which would become operative only if both bills are enacted and become effective on or before January 1, 2016, and this bill is chaptered last.

The people of the State of California do enact as follows:

SECTION 1. Section 1524 of the Penal Code, as amended by Section 1 of Chapter 872 of the Statutes of 2014, is amended to read:

1524. (a) A search warrant may be issued upon any of the following grounds:

- (1) When the property was stolen or embezzled.
- (2) When the property or things were used as the means of committing a felony.
- (3) When the property or things are in the possession of any person with the intent to use them as a means of committing a public offense, or in the possession of another to whom he or she may have delivered them for the purpose of concealing them or preventing them from being discovered.
- (4) When the property or things to be seized consist of any item or constitute any evidence that tends to show a felony has been committed, or tends to show that a particular person has committed a felony.
- (5) When the property or things to be seized consist of evidence that tends to show that sexual exploitation of a child, in violation of Section 311.3, or possession of matter depicting sexual conduct of a person under 18 years of age, in violation of Section 311.11, has occurred or is occurring.
- (6) When there is a warrant to arrest a person.
- (7) When a provider of electronic communication service or remote computing service has records or evidence, as specified in Section 1524.3, showing that property was stolen or embezzled constituting a misdemeanor, or that property or things are in the possession of any person with the intent to use them as a means of committing a misdemeanor public offense, or in the possession of another to whom he or she may have delivered them for the purpose of concealing them or preventing their discovery.
- (8) When the property or things to be seized include an item or any evidence that tends to show a violation of Section 3700.5 of the Labor Code, or tends to show that a particular person has violated Section 3700.5 of the Labor Code.
- (9) When the property or things to be seized include a firearm or any other deadly weapon at the scene of, or at the premises occupied or under the control of the person arrested in connection with, a domestic violence incident involving a threat to human life or a physical assault as provided in Section 18250. This section does not affect warrantless seizures otherwise authorized by Section 18250.
- (10) When the property or things to be seized include a firearm or any other deadly weapon that is owned by, or in the possession of, or in the custody or control of, a person described in subdivision (a) of Section 8102 of the Welfare and Institutions Code.
- (11) When the property or things to be seized include a firearm that is owned by, or in the possession of, or in the custody or control of, a person who is subject to the prohibitions regarding firearms pursuant to Section 6389 of the Family Code, if a prohibited firearm is possessed, owned, in the custody of, or controlled by a person against whom a protective order

has been issued pursuant to Section 6218 of the Family Code, the person has been lawfully served with that order, and the person has failed to relinquish the firearm as required by law.

(12) When the information to be received from the use of a tracking device constitutes evidence that tends to show that either a felony, a misdemeanor violation of the Fish and Game Code, or a misdemeanor violation of the Public Resources Code has been committed or is being committed, tends to show that a particular person has committed a felony, a misdemeanor violation of the Fish and Game Code, or a misdemeanor violation of the Public Resources Code, or is committing a felony, a misdemeanor violation of the Fish and Game Code, or a misdemeanor violation of the Public Resources Code, or will assist in locating an individual who has committed or is committing a felony, a misdemeanor violation of the Fish and Game Code, or a misdemeanor violation of the Public Resources Code. A tracking device search warrant issued pursuant to this paragraph shall be executed in a manner meeting the requirements specified in subdivision (b) of Section 1534.

(13) When a sample of the blood of a person constitutes evidence that tends to show a violation of Section 23140, 23152, or 23153 of the Vehicle Code and the person from whom the sample is being sought has refused an officer's request to submit to, or has failed to complete, a blood test as required by Section 23612 of the Vehicle Code, and the sample will be drawn from the person in a reasonable, medically approved manner. This paragraph is not intended to abrogate a court's mandate to determine the propriety of the issuance of a search warrant on a case-by-case basis.

(14) Beginning January 1, 2016, the property or things to be seized are firearms or ammunition or both that are owned by, in the possession of, or in the custody or control of a person who is the subject of a gun violence restraining order that has been issued pursuant to Division 3.2 (commencing with Section 18100) of Title 2 of Part 6, if a prohibited firearm or ammunition or both is possessed, owned, in the custody of, or controlled by a person against whom a gun violence restraining order has been issued, the person has been lawfully served with that order, and the person has failed to relinquish the firearm as required by law.

(15) (A) When all of the following apply:

(i) A sample of the blood of a person constitutes evidence that tends to show a violation of subdivision (b), (c), (d), (e), or (f) of Section 655 of the Harbors and Navigation Code.

(ii) The person from whom the sample is being sought has refused an officer's request to submit to, or has failed to complete, a blood test as required by Section 655.1 of the Harbors and Navigation Code.

(iii) The sample will be drawn from the person in a reasonable, medically approved manner.

(B) This paragraph is not intended to abrogate a court's mandate to determine the propriety of the issuance of a search warrant on a case-by-case basis.

(b) The property, things, person, or persons described in subdivision (a) may be taken on the warrant from any place, or from any person in whose possession the property or things may be.

(c) Notwithstanding subdivision (a) or (b), no search warrant shall issue for any documentary evidence in the possession or under the control of any person who is a lawyer as defined in Section 950 of the Evidence Code, a physician as defined in Section 990 of the Evidence Code, a psychotherapist as defined in Section 1010 of the Evidence Code, or a member of the clergy as defined in Section 1030 of the Evidence Code, and who is not reasonably suspected of engaging or having engaged in criminal activity related to the documentary evidence for which a warrant is requested unless the following procedure has been complied with:

(1) At the time of the issuance of the warrant, the court shall appoint a special master in accordance with subdivision (d) to accompany the person who will serve the warrant. Upon service of the warrant, the special master shall inform the party served of the specific items being sought and that the party shall have the opportunity to provide the items requested. If the party, in the judgment of the special master, fails to provide the items requested, the special master shall conduct a search for the items in the areas indicated in the search warrant.

(2) (A) If the party who has been served states that an item or items should not be disclosed, they shall be sealed by the special master and taken to court for a hearing.

(B) At the hearing, the party searched shall be entitled to raise any issues that may be raised pursuant to Section 1538.5 as well as a claim that the item or items are privileged, as provided by law. The hearing shall be held in the superior court. The court shall provide sufficient time for the parties to obtain counsel and make any motions or present any evidence. The hearing shall be held within three days of the service of the warrant unless the court makes a finding that the expedited hearing is impracticable. In that case the matter shall be heard at the earliest possible time.

(C) If an item or items are taken to court for a hearing, any limitations of time prescribed in Chapter 2 (commencing with Section 799) of Title 3 of Part 2 shall be tolled from the time of the seizure until the final conclusion of the hearing, including any associated writ or appellate proceedings.

(3) The warrant shall, whenever practicable, be served during normal business hours. In addition, the warrant shall be served upon a party who appears to have possession or control of the items sought. If, after reasonable efforts, the party serving the warrant is unable to locate the person, the special master shall seal and return to the court, for determination by the court, any item that appears to be privileged as provided by law.

(d) (1) As used in this section, a “special master” is an attorney who is a member in good standing of the California State Bar and who has been selected from a list of qualified attorneys that is maintained by the State Bar particularly for the purposes of conducting the searches described in this section. These attorneys shall serve without compensation. A special master shall be considered a public employee, and the governmental entity that

caused the search warrant to be issued shall be considered the employer of the special master and the applicable public entity, for purposes of Division 3.6 (commencing with Section 810) of Title 1 of the Government Code, relating to claims and actions against public entities and public employees. In selecting the special master, the court shall make every reasonable effort to ensure that the person selected has no relationship with any of the parties involved in the pending matter. Any information obtained by the special master shall be confidential and may not be divulged except in direct response to inquiry by the court.

(2) In any case in which the magistrate determines that, after reasonable efforts have been made to obtain a special master, a special master is not available and would not be available within a reasonable period of time, the magistrate may direct the party seeking the order to conduct the search in the manner described in this section in lieu of the special master.

(e) Any search conducted pursuant to this section by a special master may be conducted in a manner that permits the party serving the warrant or his or her designee to accompany the special master as he or she conducts his or her search. However, that party or his or her designee may not participate in the search nor shall he or she examine any of the items being searched by the special master except upon agreement of the party upon whom the warrant has been served.

(f) As used in this section, “documentary evidence” includes, but is not limited to, writings, documents, blueprints, drawings, photographs, computer printouts, microfilms, X-rays, files, diagrams, ledgers, books, tapes, audio and video recordings, films, and papers of any type or description.

(g) No warrant shall issue for any item or items described in Section 1070 of the Evidence Code.

(h) Notwithstanding any other law, no claim of attorney work product as described in Chapter 4 (commencing with Section 2018.010) of Title 4 of Part 4 of the Code of Civil Procedure shall be sustained where there is probable cause to believe that the lawyer is engaging or has engaged in criminal activity related to the documentary evidence for which a warrant is requested unless it is established at the hearing with respect to the documentary evidence seized under the warrant that the services of the lawyer were not sought or obtained to enable or aid anyone to commit or plan to commit a crime or a fraud.

(i) Nothing in this section is intended to limit an attorney’s ability to request an in camera hearing pursuant to the holding of the Supreme Court of California in *People v. Superior Court (Laff)* (2001) 25 Cal.4th 703.

(j) In addition to any other circumstance permitting a magistrate to issue a warrant for a person or property in another county, when the property or things to be seized consist of any item or constitute any evidence that tends to show a violation of Section 530.5, the magistrate may issue a warrant to search a person or property located in another county if the person whose identifying information was taken or used resides in the same county as the issuing court.

(k) This section shall not be construed to create a cause of action against any foreign or California corporation, its officers, employees, agents, or other specified persons for providing location information.
