

AMENDED IN ASSEMBLY APRIL 13, 2015

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 721

Introduced by Assembly Member Medina

February 25, 2015

An act to amend Sections 69800 and 69800.5 of, and to add Section 69800.2 to, the Education Code, relating to student financial aid.

LEGISLATIVE COUNSEL'S DIGEST

AB 721, as amended, Medina. Student financial aid: private student loans.

Existing law requires a public, private, or independent postsecondary educational institution, except the California Community Colleges, to make specified disclosures related to private student loans in financial aid material and private loan applications provided or made available by the institution, to distinguish private loans from federal loans in individual financial aid awards, and, if the institution provides a private loan lender list, to provide general information about the loans available through the lender and disclose the basis for each lender's inclusion on the list.

This bill would require the public, private, or independent institution to make available *to the public upon request and in a prominent location* on its Internet Web site specified student loan debt statistics on graduates, to provide students information concerning unused federal student loan moneys available to them before ~~processing their private loans~~, *certifying their eligibility for private student loans*, and, if the institution does not participate in federal student loan programs, to inform students that they may be eligible for federal student loans at participating institutions and provide them information regarding Cal

Grants and federal student aid. The bill would make nonsubstantive and conforming changes.

Vote: majority. Appropriation: no. Fiscal committee: yes.

State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 69800 of the Education Code is amended

2 loan.

3 (4) An explanation that students should contact the lender of
4 the private student loan or their postsecondary educational
