AMENDED IN ASSEMBLY APRIL 30, 2015 AMENDED IN ASSEMBLY MARCH 26, 2015

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 757

Introduced by Assembly Member Gomez

February 25, 2015

An act to add *and repeal* Section 1246.7—to *of* the Business and Professions Code, relating to healing arts.

LEGISLATIVE COUNSEL'S DIGEST

AB 757, as amended, Gomez. Healing arts: clinical laboratories.

Existing law provides for the licensure, registration, and regulation of clinical laboratories and various clinical laboratory personnel by the State Department of Public Health, with specified exceptions. A violation of those provisions is a crime. Existing law authorizes a person who is licensed under those provisions to perform certain laboratory tests.

This—bill bill, until January 1, 2019, would authorize a medical assistant, as defined, who meets specified criteria to perform a total protein refractometer test analysis in a licensed plasma collection facility in this state. Because a violation of those provisions would be a crime, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

AB 757 -2 -

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

- SECTION 1. It is the intent of the Legislature to enact legislation to identify who, and under which circumstances he or she, may perform a total protein refractometer test analysis in a licensed plasma collection facility in this state.
- 5 SEC. 2. Section 1246.7 is added to the Business and Professions 6 Code, to read:
 - 1246.7. (a) A medical assistant, as defined in Section 2069, may perform a total protein refractometer test analysis in a licensed plasma collection facility in this state if all of the following conditions are met:

11 (a)

10

12

13

14

15 16

18

19

21

22

23

24 25

27

29

31

32

- (1) He or she has earned a high school diploma or equivalent, as determined by HCFA pursuant to CLIA.
- (2) He or she performs the total protein refractometer test analysis using an automatic, button-operated refractometer with a digital readout.

17 (b)

(3) He or she performs the total protein refractometer test analysis in a licensed plasma collection facility.

20 (e)

(4) He or she has been instructed by a physician and surgeon licensed in this state or by a licensed clinical laboratory director who is in charge of the licensed plasma collection facility in the proper procedure to be employed when performing a total protein refractometer test analysis.

26 (d)

(5) He or she performs the total protein refractometer test analysis under the direction and supervision of the physician and surgeon or licensed clinical laboratory director.

30 (e)

(6) He or she submits the analysis for interpretation to the physician and surgeon or licensed clinical laboratory director under whose direction and supervision he or she performed the analysis.

-3— AB 757

(b) This section shall remain in effect only until January 1, 2019, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2019, deletes or extends that date.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIIIB of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIIIB of the California Constitution.
