LEGISLATIVE COUNSEL'S DIGEST

AB 767, as amended, Santiago. Community colleges: emergency preparedness standards.

Under existing law, the board of governors appoints a chief executive officer, known as the Chancellor of the California Community Colleges.

Existing law requires the Office of the Chancellor of the California Community Colleges, in consultation with the Office of Emergency Services and the Office of Homeland Security, *Services*, to develop emergency preparedness standards and guidelines to assist community college districts and campuses in the event of a natural disaster, hazardous condition, or terrorist activity, as specified.

This bill would require the chancellor to update these emergency preparedness standards by January 1, 2017, and every 5 years thereafter, and consider including an active shooter response plan, as specified.
