Introduced by Assembly Member Bonta

February 26, 2015

An act to amend Sections 12200, 12243, 12253, 12310, 12404, 12420, 12460, 12530, 12653, 25017, 25019, and 25100 of, to amend the heading of Part 2 (commencing with Section 12200) of Division 3 of Title 1 of, and to add Sections 12201.5, 12228.3, 12230.5, 12253.5, 12310.5, 12317, 12454.5, 12460.5, 12530.5, and 12656.5 to, the Corporations Code relating to cooperative corporations.

LEGISLATIVE COUNSEL’S DIGEST

AB 816, as introduced, Bonta. Cooperative corporations: worker cooperatives.

Existing law, the Consumer Cooperative Corporation Law, governs the organization and operation of consumer cooperative corporations. The law specifies the provisions that may be set forth in the articles of incorporation of a consumer cooperative. Existing law provides for, among other things, information to be included in a corporation’s bylaws, definitions necessary for purposes of defining patrons, and requirements as to voting rights of members. Except as specified, existing law requires that the voting power of members having voting rights in a cooperative corporation be equal. Existing law also requires cooperative corporations to hold a meeting of members annually. Existing law makes the violation of specified provisions a crime.

This bill would rename the law the General Cooperative Corporation Law, and authorize a cooperative corporation to elect to designate itself as a worker cooperative in its articles of incorporation. The bill would authorize a worker cooperative to apportion and distribute its net
earnings and losses at the time and in the manner specified in the articles of incorporation or bylaws. The bill would define the patrons of a worker cooperative as worker-members and authorize their patronage to be measured by work performed or personal services contributed. The bill would exempt worker cooperatives from the requirement that voting power of members be equal. The bill would authorize a worker cooperative to issue only one type of indivisible membership having the same rights, privileges, preferences, restrictions or conditions as all other worker members as provided in the articles or bylaws.

This bill would also authorize a worker cooperative to establish itself as a capital account cooperative in its articles or bylaws, in which case the entire net book value of the corporation would be reflected in member capital accounts, one for each member, and an unallocated capital account, if any, as specified.

This bill would also authorize a worker cooperative to establish itself as a collective board worker cooperative, in which all worker members serve on the board. A collective board worker cooperative would not be required to hold an annual meeting of members.

This bill would authorize two or more worker cooperatives to consolidate, as specified, proscribe the actions to be taken upon the dissolution of a worker cooperative, and make other conforming changes.

The Corporate Securities Law of 1968 generally regulates the offer and sale of securities in this state. That law requires the offer and sale of securities to be qualified with the Commissioner of Business Oversight, and exempts specified transactions or securities from the qualification, and certain interests from the definition of a security. That law makes it unlawful for a person in connection with the offer or sale of a security to engage in fraudulent or misleading acts of omissions.

The issuance of shares or memberships by a corporation subject to the Consumer Cooperative Corporation Law is exempt from, the qualification requirement, if the investment does not exceed $300.

The bill would increase the investment limitation of the above-referenced exemption from qualification from $300 to $1,000. The bill would exclude any written notice of allocation, as defined, issued by a specified type of organization, and a membership interest in a collective board worker cooperative, from the definition of a security. The bill would exclude shares or memberships issued by a worker cooperative from qualification, provided that the aggregate investment of any shareholder or member does not exceed $5,000.
Because this bill would change the definition of existing crimes, this bill would create a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:
(a) A worker cooperative has the purpose of creating and maintaining sustainable jobs and generating wealth in order to improve the quality of life of its worker-members, dignify human work, allow workers’ democratic self-management, and promote community and local development.
(b) The purpose of this act is to amend the Consumer Cooperative Corporation Law to clarify that the law applies to cooperatives in general, not just consumer cooperatives, and to create more visibility for worker cooperatives. This act is intended to provide a definition of worker cooperative for purposes of this act, and not for purposes of other laws.

public entity, or political subdivision of a state or any agency or
corporate or other instrumentality of any one or more of the
foregoing; or any certificate of deposit for any of the foregoing.

(b) Any security issued or guaranteed by Canada, any Canadian
province, any political subdivision or municipality of that province,
or by any other foreign government with which the United States
currently maintains diplomatic relations, if the security is
recognized as a valid obligation by the issuer or guarantor; or any
certificate of deposit for any of the foregoing.

(c) Any security issued or guaranteed by and representing an
interest in or a direct obligation of a national bank or a bank or
trust company incorporated under the laws of this state, and any
security issued by a bank to one or more other banks and
representing an interest in an asset of the issuing bank.

(d) Any security issued or guaranteed by a federal savings
association or federal savings bank or federal land bank or joint
land bank or national farm loan association or by any savings
association, as defined in subdivision (a) of Section 5102 of the
Financial Code, which is subject to the supervision and regulation
of the Commissioner of Financial Institutions of this state.

(e) Any security (other than an interest in all or portions of a
parcel or parcels of real property which are subdivided land or a
subdivision or in a real estate development), the issuance of which
is subject to authorization by the Insurance Commissioner, the
Public Utilities Commission, or the Real Estate Commissioner of
this state.

(f) Any security consisting of any interest in all or portions of
a parcel or parcels of real property which are subdivided lands or
a subdivision or in a real estate development; provided that the
exemption in this subdivision shall not be applicable to: (1) any
investment contract sold or offered for sale with, or as part of, that
interest, or (2) any person engaged in the business of selling,
distributing, or supplying water for irrigation purposes or domestic
use that is not a public utility except that the exemption is
applicable to any security of a mutual water company (other than
an investment contract as described in paragraph (1)) offered or
sold in connection with subdivided lands pursuant to Chapter 2
(commencing with Section 14310) of Part 7 of Division 3 of Title
1.
(g) Any mutual capital certificates or savings accounts, as defined in the Savings Association Law, issued by a savings association, as defined by subdivision (a) of Section 5102 of the Financial Code, and holding a license or certificate of authority then in force from the Commissioner of Financial Institutions of this state.

(h) Any security issued or guaranteed by any federal credit union, or by any credit union organized and supervised, or regulated, under the Credit Union Law.

(i) Any security issued or guaranteed by any railroad, other common carrier, public utility, or public utility holding company which is (1) subject to the jurisdiction of the Interstate Commerce Commission or its successor or (2) a holding company registered with the Securities and Exchange Commission under the Public Utility Holding Company Act of 1935 or a subsidiary of that company within the meaning of that act or (3) regulated in respect of the issuance or guarantee of the security by a governmental authority of the United States, of any state, of Canada or of any Canadian province; and the security is subject to registration with or authorization of issuance by that authority.

(j) Any security (except evidences of indebtedness, whether interest bearing or not) of an issuer (1) organized exclusively for educational, benevolent, fraternal, religious, charitable, social, or reformatory purposes and not for pecuniary profit, if no part of the net earnings of the issuer inures to the benefit of any private shareholder or individual, or (2) organized as a chamber of commerce or trade or professional association. The fact that amounts received from memberships or dues or both will or may be used to construct or otherwise acquire facilities for use by members of the nonprofit organization does not disqualify the organization for this exemption. This exemption does not apply to the securities of any nonprofit organization if any promoter thereof expects or intends to make a profit directly or indirectly from any business or activity associated with the organization or operation of that nonprofit organization or from remuneration received from that nonprofit organization.

(k) Any agreement, commonly known as a “life income contract,” of an issuer (1) organized exclusively for educational, benevolent, fraternal, religious, charitable, social, or reformatory purposes and not for pecuniary profit and (2) which the
commissioner designates by rule or order, with a donor in
consideration of a donation of property to that issuer and providing
for the payment to the donor or persons designated by him or her
of income or specified periodic payments from the donated
property or other property for the life of the donor or those other
persons.

(l) Any note, draft, bill of exchange, or banker’s acceptance
which is freely transferable and of prime quality, arises out of a
current transaction or the proceeds of which have been or are to
be used for current transactions, and which evidences an obligation
to pay cash within nine months of the date of issuance, exclusive
of days of grace, or any renewal of that paper which is likewise
limited, or any guarantee of that paper or of that renewal, provided
that the paper is not offered to the public in amounts of less than
twenty-five thousand dollars ($25,000) in the aggregate to any one
purchaser. In addition, the commissioner may, by rule or order,
exempt any issuer of any notes, drafts, bills of exchange or banker’s
acceptances from qualification of those securities when the
commissioner finds that the qualification is not necessary or
appropriate in the public interest or for the protection of investors.

(m) Any security issued by any corporation organized and
existing under the provisions of Chapter 1 (commencing with
Section 54001) of Division 20 of the Food and Agricultural Code.

(n) Any beneficial interest in an employees’ pension,
profit-sharing, stock bonus or similar benefit plan which meets the
requirements for qualification under Section 401 of the federal
Internal Revenue Code or any statute amendatory thereof or
supplementary thereto. A determination letter from the Internal
Revenue Service stating that an employees’ pension, profit-sharing,
stock bonus or similar benefit plan meets those requirements shall
be conclusive evidence that the plan is an employees’ pension,
profit-sharing, stock bonus or similar benefit plan within the
meaning of the first sentence of this subdivision until the date the
determination letter is revoked in writing by the Internal Revenue
Service, regardless of whether or not the revocation is retroactive.

(o) Any security listed or approved for listing upon notice of
issuance on a national securities exchange, if the exchange has
been certified by rule or order of the commissioner and any warrant
or right to purchase or subscribe to the security. The exemption
afforded by this subdivision does not apply to securities listed or
approved for listing upon notice of issuance on a national securities exchange, in a rollup transaction unless the rollup transaction is an eligible rollup transaction as defined in Section 25014.7. That certification of any exchange shall be made by the commissioner upon the written request of the exchange if the commissioner finds that the exchange, in acting on applications for listing of common stock, substantially applies the minimum standards set forth in either subparagraph (A) or (B) of paragraph (1), and, in considering suspension or removal from listing, substantially applies each of the criteria set forth in paragraph (2).

(1) Listing standards:

(A) (i) Shareholders’ equity of at least four million dollars ($4,000,000).

In evaluating the suitability of an issue for listing under this trading provision, the exchange shall review the nature and frequency of that activity and any other factors as it may determine to be relevant in ascertaining whether the issue is suitable for trading. A security that trades infrequently shall not be considered for listing under this paragraph even though average daily volume amounts to 2,000 shares per day or more.

Companies whose securities are concentrated in a limited geographical area, or whose securities are largely held in block by institutional investors, normally may not be considered eligible for listing unless the public distribution appreciably exceeds 500,000 shares.

provided, however, in certain instances an exchange may favorably consider listing an issue selling for less than three dollars ($3) per share after considering all pertinent factors, including market conditions in general, whether historically the issue has sold above three dollars ($3) per share, the applicant’s capitalization, and the number of outstanding and publicly held shares of the issue.

(v) An aggregate market value for publicly held shares of at least three million dollars ($3,000,000).

(B) (i) Shareholders’ equity of at least four million dollars ($4,000,000).

(2) Criteria for consideration of suspension or removal from listing:

(ii) If the number of shares publicly held (excluding the holdings of officers, directors, controlling shareholders and other concentrated or family holdings) is less than 150,000.

(iv) If the aggregate market value of shares publicly held is less than seven hundred fifty thousand dollars ($750,000).

(v) If shares of common stock sell at a price of less than three dollars ($3) per share for a substantial period of time and the issuer shall fail to effectuate a reverse stock split of the shares within a reasonable period of time after being requested by the exchange to take that action.

A national securities exchange, certified by rule or order of the commissioner under this subdivision, shall file annual reports when requested to do so by the commissioner. The annual reports shall contain, by issuer: the variances granted to an exchange’s listing standards, including variances from corporate governance and...
voting rights’ standards, for any security of that issuer; the reasons
for the variances; a discussion of the review procedure instituted
by the exchange to determine the effect of the variances on
investors and whether the variances should be continued; and any
other information that the commissioner deems relevant. The
purpose of these reports is to assist the commissioner in
determining whether the quantitative and qualitative requirements
of this subdivision are substantially being met by the exchange in
general or with regard to any particular security.

hearing in accordance with the provisions of the Administrative
Procedure Act, Chapter 5 (commencing with Section 11500) of
Part 1 of Division 3 of Title 2 of the Government Code, may, in
his or her discretion, by rule or order, decertify any exchange
previously certified that ceases substantially to apply the minimum
standards or criteria as set forth in paragraphs (1) and (2).

A rule or order of certification shall conclusively establish that
any security listed or approved for listing upon notice of issuance
on any exchange named in a rule or order of certification, and any
warrant or right to purchase or subscribe to that security, is exempt
under this subdivision until the adoption by the commissioner of
any rule or order decertifying the exchange.

claiming the privilege against self-incrimination, to testify or produce evidence (documentary or otherwise), except that the individual testifying is not exempt from prosecution and punishment for perjury or contempt committed in testifying.

In determining the cost, the commissioner may use the actual amount of the salary or other compensation paid to the persons making the review, examination, audit, or investigation plus the actual amount of expenses including overhead reasonably incurred in the performance of the work.

The recoverable cost of each review, examination, audit, or investigation made by the commissioner under Section 1280.7 of the Insurance Code shall not exceed twenty-five thousand dollars ($25,000), except that costs exceeding twenty-five thousand dollars ($25,000) shall be recoverable if the costs are necessary to prevent a violation of any provision of Section 1280.7 of the Insurance Code.
