An act to add Chapter 1 (commencing with Section 15290) to Part 6.6 of Division 3 of Title 2 of the Government Code, relating to housing, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 870, as amended, Cooley. Homelessness: rapid ~~re-housing~~. *rehousing*.

Existing federal law, the American Recovery and Reinvestment Act of 2009, allocated, until September 30, 2011, \$1.5 billion to the federal Department of Housing and Urban Development for the Homelessness Prevention Fund, to be used for homelessness prevention and rapid rehousing. Existing law, the California Work Opportunity and Responsibility to Kids Act, provides housing supports to individuals if the administering county determines that the individual or his or her family is experiencing homelessness or housing instability that would be a barrier to self-sufficiency or child well-being and declares that it is the intent of the Legislature that housing supports utilize evidence-based models, including those established in the federal Department of Housing and Urban Development's Homeless Prevention and Rapid Re-Housing Program.

This bill would establish a pilot program within the Department of Housing and Community Development for awarding grants to counties

that operate a rapid rehousing program. The bill would require the department to select 4 counties to receive these grant funds, giving priority to counties with existing programs that have demonstrated effectiveness in providing supporting housing for homeless individuals and veterans. This bill would continuously appropriate \$1 million *each year* from the General Fund to the department and require the department to distribute \$250,000 of this money to each of the 4 counties.

Vote:  $\frac{2}{3}$ . Appropriation: yes. Fiscal committee: yes.  
 State-mandated local program: no.

*The people of the State of California do enact as follows:*

1 SECTION 1. The Legislature finds and declares the following:

2 (a) In 2013, the United States Department of Housing and Urban  
 3 Development (HUD) reported that California has nearly 40,000  
 4 chronically homeless persons, which is 36 percent of the total  
 5 chronically homeless population of the United States. This is due  
 6 in large part to an insufficient amount of affordable housing in  
 7 California.

8 (b) HUD also reported that there are over 15,000 homeless  
 9 veterans in California.

10 (c) Several studies, including one by the Journal of the American  
 11 Medical Association, have demonstrated that it is far more cost  
 12 effective and efficient to provide the homeless with permanent,  
 13 supportive housing through “rapid rehousing” and “housing first”  
 14 initiatives. These measures also reduce the cost to governments  
 15 of funding shelters and emergency services.

16 SEC. 2. Chapter 1 (commencing with Section 15290) is added  
 17 to Part 6.6 of Division 3 of Title 2 of the Government Code, to
