

AMENDED IN ASSEMBLY MARCH 24, 2015

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 883

Introduced by Assembly Member Low

February 26, 2015

An act to add Section 432.6 to the Labor Code, relating to employment.

LEGISLATIVE COUNSEL'S DIGEST

AB 883, as amended, Low. Employment: public employee status.

Existing law regulates the terms and conditions of employment and, in particular, contracts and applications for employment. Existing law prohibits private employers from requiring an applicant for employment to take a polygraph test as a condition of employment or continued employment. Existing law generally prohibits public and private employers from requiring an applicant to disclose an arrest or detention that did not result in a conviction, subject to various exceptions. Existing law makes a violation of these provisions a misdemeanor.

This bill would prohibit private and public employers from publishing or posting a job advertisement or announcement that states or indicates directly or indirectly that the applicant for employment must not be a current or former public employee. The bill would also prohibit these employers from communicating, directly or indirectly, that an applicant's status as a current or former public employee disqualifies an individual from eligibility for employment or from basing an employment decision on an applicant's current or former employment as a public employee. The bill would create a related prohibition for a person who operates an Internet Web site for posting jobs in this state. The bill would except these provisions ~~from~~ *from* the misdemeanor provisions described above.

The bill would prescribe penalties for a violation of these provisions and would provide that an intentional violation of these provisions is an infraction, as specified. By creating a new crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: ~~no~~-yes.
