AMENDED IN ASSEMBLY MARCH 26, 2015
CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 902

Introduced by Assembly Members Bloom and Chiu

February 26, 2015

An act to amend Section 42005.3 of the Vehicle Code, relating to traffic violations.

LEGISLATIVE COUNSEL'S DIGEST

AB 902, as amended, Bloom. Traffic violations: diversion programs. Existing law specifies the penalties for a violation of the Vehicle Code or an ordinance or resolution adopted under the Vehicle Code, including the imposition of fines, fees, and forfeitures, and imprisonment, as specified. Existing law also specifies procedures related to the imposition of those penalties and the disposition of fees, fines, and forfeitures. Existing law provides that a local authority may not allow a person who has committed a traffic violation under the Vehicle Code to participate in a driver awareness or education program as an alternative to *the imposition of* those penalties and procedures, unless the program is a diversion program for a minor who commits an infraction not involving a motor vehicle and for which no fee is charged. This bill would instead allow any person of any age who commits an infraction not involving a motor vehicle to participate in a diversion program ~~of the type described above. This~~ *that is sanctioned by local law enforcement. The bill would eliminate the requirement that such a program charge no fee. The bill would make other technical, nonsubstantive changes.*

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
