CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 932

Introduced by Assembly Members Daly and Thurmond

February 26, 2015

An act to add Section 5165 to the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 932, as amended, Daly. Specialized license plates: professional sports.

Existing law authorizes a state agency to apply to the Department of Motor Vehicles (DMV) to sponsor a specialized license plate program, and requires the DMV to issue those license plates if the agency receives 7,500 applications within a 12 month period, among other requirements. Existing law requires those license plates to have a design or contain a message that publicizes or promotes the state agency, or the official policy, mission, or work of the state agency. Existing law requires the DMV to charge certain additional fees for specialized license plates and deposit those fees in the Specialized License Plate Fund for allocation to the sponsoring agency, as specified.

This bill would require the Department of Parks and Recreation to apply to the DMV to sponsor a license plate program for the issuance of license plates bearing the officially licensed logo, emblem, or trademark provided by a California professional sports franchise. ~~The bill would require the DMV to issue those license plates if the Department of Parks and Recreation obtains 7,500 applications by January 1, 2018.~~ The bill would require the revenue generated from the

license plates, as specified, to be deposited in the California State Parks Account created by the bill in the Specialized License Plate Fund, for use, upon appropriation by the Legislature to the California State Parks Office of Grants and Local Services, for funding local parks and recreation grant programs.

Vote: majority. Appropriation: no. Fiscal committee: yes.
 State-mandated local program: no.
