An act to amend Section 79720 of the Water Code, relating to water.

AB 957, as introduced, Mathis. Water Quality, Supply, and Infrastructure Improvement Act of 2014.

Existing law, the Water Quality, Supply, and Infrastructure Improvement Act of 2014, approved by the voters as Proposition 1 at the November 4, 2014, statewide general election, authorizes the issuance of general obligation bonds in the amount of \$7,545,000,000 to finance a water quality, supply, and infrastructure improvement program. The bond act provides that the sum of \$520,000,000 is to be available, upon appropriation by the Legislature, for expenditures, grants, and loans for projects that improve water quality or help provide clean, safe, and reliable drinking water to all Californians.

This bill would make nonsubstantive changes in these provisions.
