CHAPTER 850

An act to amend Section 1558 of, and to add Sections 1522.09 and 1556.5 to, the Health and Safety Code, and to amend Sections 11165.7 and 11166 of the Penal Code, relating to child abuse.

[Approved by Governor September 30, 2016. Filed with Secretary of State September 30, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1001, Maienschein. Child abuse: reporting: foster family agencies.

(1) The Child Abuse and Neglect Reporting Act requires a mandated reporter, as defined and including an administrator or employee of a public or private organization whose duties require direct contact and supervision of children, to make a report to a specified agency whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. Under existing law, the failure to make this report is a crime. Existing law also prohibits a supervisor or administrator from impeding or inhibiting the reporting duties, provides that a person making the report shall not be subject to any sanctions for making the report, and prohibits internal procedures to facilitate reporting from requiring any employee required to make reports to disclose his or her identity to the employer.

Existing law, the California Community Care Facilities Act (the act), governs the licensing and regulation of community care facilities, as defined, including foster family agencies for children. Existing law vests responsibility for administering and enforcing laws and regulations governing those facilities in the State Department of Social Services. Existing law authorizes the department to prohibit a person from being a member of the board of directors, an executive director, or an officer of a licensee, or a licensee from employing, or continuing the employment of, or allowing in a licensed facility or certified family home, or allowing contact with clients of a licensed facility or certified family home by, any employee, prospective employee, or person who is not a client who has committed various acts or has been denied an exemption to work or to be present in a facility or certified family home, as specified.

This bill would expand the definition of mandated reporter to include a board member of a public or private organization whose duties require direct contact and supervision of children, including a foster family agency. By imposing the reporting requirements on a new class of persons, for whom failure to report specified conduct is a crime, this bill would impose a state-mandated local program. The bill would also require the department

to develop a notice regarding the reporting of complaints and would require the posting of that notice in all foster family agencies, as specified. The bill would require that if the department, as a condition of licensure, requires the chief executive officer or other authorized member of the board of directors and the administrator of a foster family agency to attend an orientation given by the licensing agency that outlines the applicable rules and regulations for operation of a foster family agency, that orientation shall include a description of policies, procedures, or practices that violate the provisions described above governing mandated reporters. The bill would require the department to take reasonable action, including, among other things, prohibiting a person from being a member of the board of directors, upon a finding of a violation of the provisions described above governing mandated reporters.

(2) This bill would incorporate additional changes to Section 11165.7 of the Penal Code proposed by AB 1997 that would become operative if this bill and AB 1997 are chaptered and this bill is chaptered last.

(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. Section 1522.09 is added to the Health and Safety Code, to read:

1522.09. (a) The department shall, no later than July 1, 2017, develop a notice that does all of the following:

(1) Contains the telephone number to make a complaint regarding a community care facility or child care facility.

(2) Includes information about the prohibition of impeding mandated reports.

(3) Includes information about the option to make a confidential complaint.

(b) The notice developed pursuant to subdivision (a) shall be posted conspicuously in a prominent area in all foster family agencies.

SEC. 2. Section 1556.5 is added to the Health and Safety Code, to read:

1556.5. (a) If the department, as a condition of licensure, requires the chief executive officer or other authorized member of the board of directors and the administrator of a foster family agency to attend an orientation given by the licensing agency that outlines the applicable rules and regulations for operation of a foster family agency, that orientation shall include, but not be limited to, a description of policies, procedures, or practices that violate paragraph (1) or (2) of subdivision (i) of Section 11166 of the Penal Code.

(b) If the department requires, as part of an application for licensure for a foster family agency, a written plan of operation, that plan of operation shall include a written plan establishing policies, procedures, or practices to ensure that the foster family agency does not violate paragraph (1) or (2) of subdivision (i) of Section 11166 of the Penal Code.

(c) For purposes of this section, a foster family agency is defined in paragraph (4) of subdivision (a) of Section 1502.

SEC. 3. Section 1558 of the Health and Safety Code is amended to read:

1558. (a) The department may prohibit any person from being a member of the board of directors, an executive director, or an officer of a licensee, or a licensee from employing, or continuing the employment of, or allowing in a licensed facility or certified family home, or allowing contact with clients of a licensed facility or certified family home by, any employee, prospective employee, or person who is not a client who has:

(1) Violated, or aided or permitted the violation by any other person of, any provisions of this chapter or of any rules or regulations promulgated under this chapter.

(3) Been denied an exemption to work or to be present in a facility or certified family home, when that person has been convicted of a crime as defined in Section 1522.

(4) Engaged in any other conduct that would constitute a basis for disciplining a licensee or certified family home.

(5) Engaged in acts of financial malfeasance concerning the operation of a facility or certified family home, including, but not limited to, improper use or embezzlement of client moneys and property or fraudulent appropriation for personal gain of facility moneys and property, or willful or negligent failure to provide services.

(b) The excluded person, the facility or certified family home, and the licensee shall be given written notice of the basis of the department's action and of the excluded person's right to an appeal. The notice shall be served either by personal service or by registered mail. Within 15 days after the department serves the notice, the excluded person may file with the department a written appeal of the exclusion order. If the excluded person fails to file a written appeal within the prescribed time, the department's action shall be final.

(c) (1) The department may require the immediate removal of a member of the board of directors, an executive director, or an officer of a licensee or exclusion of an employee, prospective employee, or person who is not a client from a facility or certified family home pending a final decision of the matter, when, in the opinion of the director, the action is necessary to protect residents or clients from physical or mental abuse, abandonment, or any other substantial threat to their health or safety.

(2) If the department requires the immediate removal of a member of the board of directors, an executive director, or an officer of a licensee or

exclusion of an employee, prospective employee, or person who is not a client from a facility or certified family home, the department shall serve an order of immediate exclusion upon the excluded person that shall notify the excluded person of the basis of the department's action and of the excluded person's right to a hearing.

(3) Within 15 days after the department serves an order of immediate exclusion, the excluded person may file a written appeal of the exclusion with the department. The department's action shall be final if the excluded person does not appeal the exclusion within the prescribed time. The department shall do the following upon receipt of a written appeal:

(A) Within 30 days of receipt of the appeal, serve an accusation upon the excluded person.

(B) Within 60 days of receipt of a notice of defense pursuant to Section 11506 of the Government Code by the excluded person to conduct a hearing on the accusation.

(4) An order of immediate exclusion of the excluded person from the facility or certified family home shall remain in effect until the hearing is completed and the director has made a final determination on the merits. However, the order of immediate exclusion shall be deemed vacated if the director fails to make a final determination on the merits within 60 days after the original hearing has been completed.

(d) An excluded person who files a written appeal with the department pursuant to this section shall, as part of the written request, provide his or her current mailing address. The excluded person shall subsequently notify the department in writing of any change in mailing address, until the hearing process has been completed or terminated.

(e) Hearings held pursuant to this section shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Division 3 of Title 2 of the Government Code. The standard of proof shall be the preponderance of the evidence and the burden of proof shall be on the department.

(f) The department may institute or continue a disciplinary proceeding against a member of the board of directors, an executive director, or an officer of a licensee or an employee, prospective employee, or person who is not a client upon any ground provided by this section. The department may enter an order prohibiting any person from being a member of the board of directors, an executive director, or an officer of a licensee or prohibiting the excluded person's employment or presence in the facility or certified family home, or otherwise take disciplinary action against the excluded person, notwithstanding any resignation, withdrawal of employment application, or change of duties by the excluded person, or any discharge, failure to hire, or reassignment of the excluded person by the licensee or that the excluded person no longer has contact with clients at the facility or certified family home.

(g) A licensee's or certified family home's failure to comply with the department's exclusion order after being notified of the order shall be grounds for disciplining the licensee pursuant to Section 1550.

(h) (1) (A) In cases where the excluded person appealed the exclusion order, the person shall be prohibited from working in any facility or being licensed to operate any facility licensed by the department or from being a certified foster parent for the remainder of the excluded person's life, unless otherwise ordered by the department.

(B) The excluded individual may petition for reinstatement one year after the effective date of the decision and order of the department upholding the exclusion order pursuant to Section 11522 of the Government Code. The department shall provide the excluded person with a copy of Section 11522 of the Government Code with the decision and order.

(2) (A) In cases where the department informed the excluded person of his or her right to appeal the exclusion order and the excluded person did not appeal the exclusion order, the person shall be prohibited from working in any facility or being licensed to operate any facility licensed by the department or a certified foster parent for the remainder of the excluded person's life, unless otherwise ordered by the department.

(B) The excluded individual may petition for reinstatement after one year has elapsed from the date of the notification of the exclusion order pursuant to Section 11522 of the Government Code. The department shall provide the excluded person with a copy of Section 11522 of the Government Code with the exclusion order.

(i) Notwithstanding paragraph (2) of subdivision (a) or subdivision (c) of Section 1550, the department shall take reasonable action, including, but not limited to, prohibiting a person from being a member of the board of directors, an executive director, or an officer of a licensee of a licensed facility or certified family home, or denying an application for, or suspending or revoking, a license, special permit, certificate of approval, or administrator certificate, issued under this chapter, or denying a transfer of a license pursuant to paragraph (2) of subdivision (c) of Section 1524, upon a finding of a violation of subdivision (i) of Section 11166 of the Penal Code.

The training shall include, but not necessarily be limited to, training in child abuse and neglect identification and child abuse and neglect reporting.

(e) (1) On and after January 1, 2018, pursuant to Section 1596.8662 of the Health and Safety Code, a child care licensee applicant shall take training in the duties of mandated reporters under the child abuse reporting laws as a condition of licensure, and a child care administrator or an employee of a licensed child day care facility shall take training in the duties of mandated reporters during the first 90 days when he or she is employed by the facility.

(2) A person specified in paragraph (1) who becomes a licensee, administrator, or employee of a licensed child day care facility shall take renewal mandated reporter training every two years following the date on which he or she completed the initial mandated reporter training. The training shall include, but not necessarily be limited to, training in child abuse and neglect identification and child abuse and neglect reporting.

(f) Unless otherwise specifically provided, the absence of training shall not excuse a mandated reporter from the duties imposed by this article.

(g) Public and private organizations are encouraged to provide their volunteers whose duties require direct contact with and supervision of children with training in the identification and reporting of child abuse and neglect.

SEC. 5. Section 11166 of the Penal Code is amended to read:

11166. (a) Except as provided in subdivision (d), and in Section 11166.05, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report by telephone to the agency immediately or as soon as is practicably possible, and shall prepare and send, fax, or electronically transmit a written followup report within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any nonprivileged documentary evidence the mandated reporter possesses relating to the incident.

(1) For purposes of this article, “reasonable suspicion” means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. “Reasonable suspicion” does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect; any “reasonable suspicion” is sufficient. For purposes of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.

(2) The agency shall be notified and a report shall be prepared and sent, faxed, or electronically transmitted even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

(3) A report made by a mandated reporter pursuant to this section shall be known as a mandated report.

(b) If, after reasonable efforts, a mandated reporter is unable to submit an initial report by telephone, he or she shall immediately or as soon as is practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone followup call by the agency with which he or she filed the report. A mandated reporter who files a one-time automated written report because he or she was unable to submit an initial report by telephone is not required to submit a written followup report.

(1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written followup report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated written report in lieu of the procedure prescribed in subdivision (a) shall be captured in the Child Welfare Services/Case Management System (CWS/CMS). The department shall work with stakeholders to modify reporting forms and the CWS/CMS as is necessary to accommodate the changes enacted by these provisions.

(2) This subdivision shall not become operative until the CWS/CMS is updated to capture the information prescribed in this subdivision.

(3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, whichever occurs first.

(4) On the inoperative date of these provisions, a report shall be submitted to the counties and the Legislature by the State Department of Social Services that reflects the data collected from automated one-time reports indicating the reasons stated as to why the automated one-time report was filed in lieu of the initial telephone report.

(5) Nothing in this section shall supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that

agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.

(c) A mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.

(d) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, “penitential communication” means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

(2) Nothing in this subdivision shall be construed to modify or limit a clergy member’s duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in his or her professional capacity or within the scope of his or her employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse and that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

(B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.

(C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.

(e) (1) A commercial film, photographic print, or image processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative, slide, or any representation of information, data, or an image, including, but not limited to, any film, filmstrip, photograph, negative, slide, photocopy, videotape, video laser disc, computer hardware, computer software, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment,

or computer-generated image depicting a child under 16 years of age engaged in an act of sexual conduct, shall, immediately or as soon as practicably possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images are seen. Within 36 hours of receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a copy of the image or material attached.

(2) A commercial computer technician who has knowledge of or observes, within the scope of his or her professional capacity or employment, any representation of information, data, or an image, including, but not limited to, any computer hardware, computer software, computer file, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image that is retrievable in perceivable form and that is intentionally saved, transmitted, or organized on an electronic medium, depicting a child under 16 years of age engaged in an act of sexual conduct, shall immediately, or as soon as practicably possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images or materials are seen. As soon as practicably possible after receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a brief description of the images or materials.

(3) For purposes of this article, “commercial computer technician” includes an employee designated by an employer to receive reports pursuant to an established reporting process authorized by subparagraph (B) of paragraph (43) of subdivision (a) of Section 11165.7.

(4) As used in this subdivision, “electronic medium” includes, but is not limited to, a recording, CD-ROM, magnetic disk memory, magnetic tape memory, CD, DVD, thumbdrive, or any other computer hardware or media.

(5) As used in this subdivision, “sexual conduct” means any of the following:

(A) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.

(B) Penetration of the vagina or rectum by any object.

(C) Masturbation for the purpose of sexual stimulation of the viewer.

(D) Sadomasochistic abuse for the purpose of sexual stimulation of the viewer.

(E) Exhibition of the genitals, pubic, or rectal areas of a person for the purpose of sexual stimulation of the viewer.

(f) Any mandated reporter who knows or reasonably suspects that the home or institution in which a child resides is unsuitable for the child because of abuse or neglect of the child shall bring the condition to the attention of the agency to which, and at the same time as, he or she makes a report of the abuse or neglect pursuant to subdivision (a).

(g) Any other person who has knowledge of or observes a child whom he or she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect

to an agency specified in Section 11165.9. For purposes of this section, “any other person” includes a mandated reporter who acts in his or her private capacity and not in his or her professional capacity or within the scope of his or her employment.

(h) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(i) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article. An internal policy shall not direct an employee to allow his or her supervisor to file or process a mandated report under any circumstances.

(2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.

(3) Reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.

(j) (1) A county probation or welfare department shall immediately, or as soon as practically possible, report by telephone, fax, or electronic transmission to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code, and to the district attorney’s office every known or suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child that relates solely to the inability of the parent to provide the child with regular care due to the parent’s substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

(2) A county probation or welfare department shall immediately, and in no case in more than 24 hours, report to the law enforcement agency having jurisdiction over the case after receiving information that a child or youth who is receiving child welfare services has been identified as the victim of commercial sexual exploitation, as defined in subdivision (d) of Section 11165.1.

(3) When a child or youth who is receiving child welfare services and who is reasonably believed to be the victim of, or is at risk of being the victim of, commercial sexual exploitation, as defined in Section 11165.1, is missing or has been abducted, the county probation or welfare department shall immediately, or in no case later than 24 hours from receipt of the information, report the incident to the appropriate law enforcement authority for entry into the National Crime Information Center database of the Federal Bureau of Investigation and to the National Center for Missing and Exploited Children.

(k) A law enforcement agency shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

SEC. 6. Section 4.5 of this bill incorporates amendments to Section 11165.7 of the Penal Code proposed by both this bill and Assembly Bill 1997. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2017, (2) each bill amends Section 11165.7 of the Penal Code, and (3) this bill is enacted after Assembly Bill 1997, in which case Section 4 of this bill shall not become operative.

SEC. 7. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
