AMENDED IN ASSEMBLY APRIL 14, 2015

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 1024

Introduced by Assembly Member Beth Gaines

February 26, 2015

An act to add Section 11102.6 to the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 1024, as amended, Beth Gaines. Driving schools.

Existing law requires a person who is licensed as a driving school operator by the Department of Motor Vehicles to meet specified requirements, and provides for disciplinary action against those licensees who commit certain acts. Existing law specifies certain requirements that a driving school operator must satisfy, including, among others, passing an examination, within 3 attempts, on traffic laws, safe driving practices, the operation of motor vehicles, and other topics. Existing law requires the operator to have worked as a driving instructor for a specified number of hours, as provided.

This bill would require driving school operators who are first licensed on or after July 1, 2016, and who ~~operate Internet driving schools with~~ *offer* no behind-the-wheel driver training, to successfully complete ~~an 8-hour~~ *a 60-hour* educational program acceptable to the department with specified content, including operator responsibilities and current laws, instead of meeting the requirement of having worked as a driving instructor for a specified number of hours.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
