---

An act to amend Sections 7612, ~~7613~~, 7960, and 7961 of, and to amend the heading of Part 7 (commencing with Section 7960) of Division 12 of, the Family Code, ~~and to amend Section 305.6 of the Welfare and Institutions Code~~, relating to children.

LEGISLATIVE COUNSEL'S DIGEST

AB 1049, as amended, Patterson. Parent and child relationship.

~~(1) Under~~

*Under* existing law, a man is conclusively presumed to be the father of a child if he was married to and cohabiting with the child's mother, except as specified. Existing law also provides that if a man signs a voluntary declaration of paternity, it has the force and effect of a judgment of paternity, subject to certain exceptions. Existing law provides that these presumptions are rebuttable.

This bill would state that a person's offer or refusal to sign a voluntary declaration of paternity may be ~~used~~ *considered* as a factor, but shall not be determinative as to the issue of legal parentage in any proceedings regarding the establishment or termination of parental rights.

~~(2) Existing law provides that the spouse of a woman who conceives through assisted reproduction with semen donated by a man not her husband, as specified, is treated in law as if he or she were the natural parent of a child thereby conceived. Existing law further provides that the donor of semen provided to a licensed physician or to a licensed sperm bank for use in artificial insemination or in vitro fertilization of~~

~~a woman other than the donor's wife is treated in law as if he were not the natural father of a child thereby conceived.~~

~~This bill would additionally provide that the spouse of a woman who conceives through assisted reproduction with oocytes donated for reproductive purposes is treated in law as if he or she were the natural parent of the child, and the woman who conceives the child is treated in law as the natural parent unless the woman is a surrogate mother, as defined. The bill would further provide that the donor of oocytes provided to a licensed physician or to a licensed egg bank for use in assisted reproduction of a woman other than the donor, her spouse, or domestic partner is treated in law as if she were not the natural parent of a child thereby conceived, unless otherwise specified.~~

~~(3) Existing~~

~~Existing law requires a nonattorney surrogacy facilitator to direct his or her client to deposit client funds in an independent, bonded escrow account or a trust account maintained by an attorney, subject to specified withdrawal requirements.~~

~~This bill would additionally require a nonattorney donor facilitator to direct his or her client to deposit client funds, as specified above.~~

~~(4) Existing law prohibits a peace officer from taking into temporary custody, without a warrant, a newborn who is in a hospital if specified conditions exist, including that the newborn or his or her birth mother tested positive for illegal drugs, the newborn is the subject of a proposed adoption, and a Health Facility Minor Release Report has been completed by the hospital, as specified.~~

~~This bill would instead prohibit a peace officer or child welfare agency worker from taking into temporary custody, without a warrant, a newborn who is in a hospital, if among other conditions, the newborn appears to come within the description of a dependent child of the juvenile court. The bill would require a hospital, whenever it makes a report or referral to a child welfare agency or law enforcement agency regarding a newborn, to immediately advise the birth parent or parents in writing of the parent's right to contact an attorney or a licensed private adoption agency for assistance with placing the newborn for adoption, and to complete a Health Facility Minor Release Report upon request by a parent. The bill would require a child welfare agency worker who investigates the hospital report or referral to, prior to filing a dependency petition for a newborn who has not yet been discharged from the hospital, confirm that the hospital has advised the birth parent or parents in writing of the right to place the newborn for adoption and allow the~~

~~parent a reasonable opportunity to place the newborn for adoption before the newborn is discharged from the hospital. By creating additional duties for local officials, this bill would impose a state-mandated local program.~~

~~(5) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

~~Vote: majority. Appropriation: no. Fiscal committee: yes-no. State-mandated local program: yes-no.~~

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 7612 of the Family Code is amended to  
2 read:

3 7612. (a) Except as provided in Chapter 1 (commencing with  
4 Section 7540) and Chapter 3 (commencing with Section 7570) of  
5 Part 2 or in Section 20102, a presumption under Section 7611 is  
6 a rebuttable presumption affecting the burden of proof and may  
7 be rebutted in an appropriate action only by clear and convincing  
8 evidence.

9 (b) If two or more presumptions arise under Section 7610 or  
10 7611 that conflict with each other, or if a presumption under  
11 Section 7611 conflicts with a claim pursuant to Section 7610, the  
12 presumption which on the facts is founded on the weightier  
13 considerations of policy and logic controls.

14 (c) In an appropriate action, a court may find that more than  
15 two persons with a claim to parentage under this division are  
16 parents if the court finds that recognizing only two parents would  
17 be detrimental to the child. In determining detriment to the child,  
18 the court shall consider all relevant factors, including, but not  
19 limited to, the harm of removing the child from a stable placement  
20 with a parent who has fulfilled the child’s physical needs and the  
21 child’s psychological needs for care and affection, and who has  
22 assumed that role for a substantial period of time. A finding of  
23 detriment to the child does not require a finding of unfitness of  
24 any of the parents or persons with a claim to parentage.

1 (d) Unless a court orders otherwise after making the  
2 determination specified in subdivision (c), a presumption under  
3 Section 7611 is rebutted by a judgment establishing parentage of  
4 the child by another person.

5 (e) Within two years of the execution of a voluntary declaration  
6 of paternity, a person who is presumed to be a parent under Section  
7 7611 may file a petition pursuant to Section 7630 to set aside a  
8 voluntary declaration of paternity. The court's ruling on the petition  
9 to set aside the voluntary declaration of paternity shall be made  
10 taking into account the validity of the voluntary declaration of  
11 paternity, and the best interests of the child based upon the court's  
12 consideration of the factors set forth in subdivision (b) of Section  
13 7575, as well as the best interests of the child based upon the  
14 nature, duration, and quality of the petitioning party's relationship  
15 with the child and the benefit or detriment to the child of continuing  
16 that relationship. In the event of any conflict between the  
17 presumption under Section 7611 and the voluntary declaration of  
18 paternity, the weightier considerations of policy and logic shall  
19 control.

20 (f) A voluntary declaration of paternity is invalid if, at the time  
21 the declaration was signed, any of the following conditions exist:

22 (1) The child already had a presumed parent under Section 7540.

23 (2) The child already had a presumed parent under subdivision  
24 (a), (b), or (c) of Section 7611.

25 (3) The man signing the declaration is a sperm donor, consistent  
26 with subdivision (b) of Section 7613.

27 (g) A person's offer or refusal to sign a voluntary declaration  
28 of paternity may be ~~used~~ *considered* as a factor, but shall not be  
29 determinative, as to the issue of legal parentage in any proceedings  
30 regarding the establishment or termination of parental rights.

31 ~~SEC. 2.—Section 7613 of the Family Code is amended to read:~~

32 ~~7613. (a) If, under the supervision of a licensed physician and~~  
33 ~~surgeon and with the consent of her spouse, if married, a woman~~  
34 ~~conceives through assisted reproduction with semen donated by a~~  
35 ~~man not her husband or with oocytes donated for reproductive~~  
36 ~~purposes, the spouse is treated in law as if he or she were the~~  
37 ~~natural parent of a child thereby conceived and the woman who~~  
38 ~~conceives the child is treated in law as the natural parent unless~~  
39 ~~the woman is a surrogate mother as defined under subdivision (f)~~  
40 ~~of Section 7960. The spouse's consent shall be in writing and~~

1 signed by both spouses. The physician and surgeon shall certify  
 2 their signatures and the date of the assisted reproduction procedure,  
 3 and retain the spouse’s consent as part of the medical record, where  
 4 it shall be kept confidential and in a sealed file. However, the  
 5 physician and surgeon’s failure to do so does not affect the parent  
 6 and child relationship. All papers and records pertaining to the  
 7 assisted reproduction procedure, whether part of the permanent  
 8 record of a court or of a file held by the supervising physician and  
 9 surgeon or elsewhere, are subject to inspection only upon an order  
 10 of the court for good cause shown.

11 (b) The donor of semen provided to a licensed physician and  
 12 surgeon or to a licensed sperm bank for use in assisted reproduction  
 13 of a woman other than the donor’s spouse is treated in law as if  
 14 he were not the natural parent of a child thereby conceived, unless  
 15 otherwise agreed to in a writing signed by the donor and the woman  
 16 prior to the conception of the child.

17 (c) The donor of oocytes provided to a licensed physician and  
 18 surgeon or to a licensed egg bank for use in assisted reproduction  
 19 of a woman other than the donor, her spouse, or domestic partner  
 20 is treated in law as if she were not the natural parent of a child  
 21 thereby conceived, unless otherwise agreed to in a writing signed  
 22 by the donor and the recipient of the oocytes prior to the conception  
 23 of the child.

24 ~~SEC. 3.~~

25 *SEC. 2.* The heading of Part 7 (commencing with Section 7960)  
 26 of Division 12 of the Family Code is amended to read:

17 rendered relating to an assisted reproduction agreement or oocyte

19 (f) “Surrogate” means a woman who bears and carries a child  
20 for another through medically assisted reproduction and pursuant

17 ~~305.6. (a) Any peace officer or child welfare agency worker~~  
18 ~~may, without a warrant, take into temporary custody a minor who~~

20 ~~parent or a representative of a licensed adoption agency poses an~~  
21 ~~immediate danger to the minor's health or safety.~~

22 ~~(b) (1) Notwithstanding subdivision (a) and Section 305, a~~  
23 ~~peace officer or child welfare agency worker may not, without a~~

28 ~~(B) The minor is the subject of a proposed adoption and a Health~~

32 ~~and signed by the placing birth parent or birth parents, as well as~~  
33 ~~either the prospective adoptive parent or parents or an authorized~~  
34 ~~representative of a licensed adoption agency, prior to the discharge~~

20 ~~documentation stating that he or she, or the agency, is representing~~  
21 ~~the prospective adoptive parent or parents for purposes of the~~

1 ~~(ii) A written form signed by either the prospective adoptive~~  
2 ~~parent or parents or a representative of the licensed adoption~~  
3 ~~agency, which shall include all of the following:~~

4 ~~(I) A statement that the minor is the subject of a proposed~~  
5 ~~adoption:~~

7 ~~notify the county child welfare agency pursuant to Section 11165.9~~  
8 ~~of the Penal Code if the adoption plan is terminated for any reason,~~  
9 ~~and will not release the minor to the birth parent or parents or any~~  
10 ~~designee of the birth parent or parents until the county child welfare~~  
11 ~~agency or local law enforcement agency completes an investigation~~  
12 ~~and determines that release of the minor to the birth parent or~~  
13 ~~parents or a designee of the birth parent or parents will not create~~  
14 ~~an immediate risk to the health or safety of the minor.~~

15 ~~(III) An agreement to provide a conformed copy of the adoption~~  
16 ~~request or guardianship petition to the county child welfare agency~~

18 ~~(IV) The names, identifying information, and contact~~  
19 ~~information for the minor, for each prospective adoptive parent,~~  
20 ~~and for each birth parent, to the extent that information is known.~~  
21 ~~In the case of an agency adoption where no prospective adoptive~~  
22 ~~parent or parents are identified at the time of the minor's release~~

24 ~~information as it pertains to the licensed or certified foster home~~  
25 ~~into which the agency intends to place the minor.~~

26 ~~(e) (1) In every independent adoption proceeding under this~~  
27 ~~section, the prospective adoptive parent or parents shall file with~~  
28 ~~the court either an adoption request within 10 working days after~~  
29 ~~execution of an adoption placement agreement, or a guardianship~~  
30 ~~petition within 30 calendar days after the child's discharge from~~  
31 ~~the hospital, whichever is earlier.~~

32 ~~(2) If the adoption plan for a minor who was released from the~~  
33 ~~hospital pursuant to subdivision (b) is terminated for any reason,~~  
34 ~~the prospective adoptive parent or parents or licensed adoption~~  
35 ~~agency shall immediately notify the county child welfare agency.~~  
36 ~~The prospective adoptive parent or parents or licensed adoption~~  
37 ~~agency may not release the minor into the physical custody of the~~  
38 ~~birth parent or parents, or any designee of the birth parent or~~  
39 ~~parents, until the county child welfare agency or local law~~  
40 ~~enforcement agency completes an investigation and determines~~

1 that release of the minor to the birth parent or parents or a designee  
2 of the birth parent or parents will not create an immediate risk to  
3 the health or safety of the minor.

4 (d) If a hospital makes a report or referral to a child welfare  
5 agency or law enforcement agency regarding a minor newborn,  
6 the hospital shall do both of the following:

7 (1) Immediately advise the birth parent or parents in writing of  
8 the parent's right to contact an attorney or a licensed private  
9 adoption agency for assistance with placing the minor newborn  
10 for adoption in accordance with this section.

11 (2) Upon request by a birth parent, complete a Health Facility  
12 Minor Release Report and provide copies of the report to all parties  
13 listed in subparagraph (B) of paragraph (1) of subdivision (b), even  
14 if the minor newborn is ineligible for release at that time for any  
15 reason.

16 (e) Prior to filing a petition pursuant to Section 300 regarding  
17 a minor newborn who has not yet been discharged from the  
18 hospital, a child welfare agency worker who investigates a hospital  
19 report or referral regarding the minor newborn shall do all of the  
20 following:

21 (1) Confirm that the hospital has advised the parent in writing  
22 of the right to place the minor newborn for adoption.

23 (2) Allow a parent who wishes to place a minor newborn for  
24 adoption a reasonable opportunity to do so at any time before the  
25 minor newborn is discharged from the hospital.

26 (3) Implement interim measures, as necessary, to ensure the  
27 safety and well-being of the minor newborn pending adoptive  
28 placement, such as instructions to the hospital not to discharge the  
29 minor newborn to any agency or person without approval from  
30 the child welfare agency, which approval shall be given upon  
31 satisfaction of the requirements of this section.

32 (f) Nothing in this section is intended to create a duty that  
33 requires law enforcement to investigate the prospective adoptive  
34 parent or parents.

35 SEC. 7. If the Commission on State Mandates determines that  
36 this act contains costs mandated by the state, reimbursement to  
37 local agencies and school districts for those costs shall be made

1 pursuant to Part 7 (commencing with Section 17500) of Division  
2 4 of Title 2 of the Government Code.
