CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 1101

Introduced by Assembly Member Bonilla

February 27, 2015

An act to add Section 48204.2 to the Education Code, relating to pupil school enrollment.

LEGISLATIVE COUNSEL'S DIGEST

AB 1101, as amended, Bonilla. Pupil school enrollment: residency requirements: policy on investigations.

Existing law requires each person between 6 and 18 years of age not otherwise exempted to attend the public full-time day school or continuation school or classes in the school district where the person's parent or legal guardian is located. Existing law provides that a pupil is deemed to have complied with the residency requirements for school attendance in a school district if the pupil satisfies one of specified requirements. Existing law also specifies a nonexhaustive list of reasonable evidence that a school district is required to accept from a parent or legal guardian of a pupil as proof that the pupil satisfies the residency requirements for attendance in the school district. Existing law authorizes a school district to make reasonable efforts to determine that a pupil actually meets the residency requirements, as specified, if an employee of the school district reasonably believes that the parent or legal guardian of the pupil has provided false or unreliable evidence of residency.

This bill would, if a school district elects to undertake an investigation, as specified, require the governing board of the school district to adopt a ~~policy, containing specified information,~~ *policy* regarding the investigation of a pupil to determine whether the pupil meets the residency requirements for school attendance in the school district before investigating any pupils. The bill ~~also~~ would require the policy ~~to~~ *to, among other things, identify the circumstances upon which the school district may initiate an investigation, describe the investigatory methods that may be used, including whether the school district will be employing the services of a private investigator, prohibit the surreptitious photographing of pupils who are being investigated, investigated, and provide for an appeal process, as specified.* The bill would require the policy to be adopted at a public meeting of the governing board of the school district.
