An act to amend Sections 13952, 13954, 13955, 13956, 13957, 13957.5, 13957.7, 13957.9, 13959, 13963, 13965, 13971, 13972, and 13973 of the Government Code, and to amend Sections 1202.4 and 2085.5 of the Penal Code, relating to crime victims, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 1140, as amended, Bonta. Crime victims.

(1) Existing law generally provides for the compensation of victims and derivative victims of specified types of crimes by the California Victim Compensation and Government Claims Board from the Restitution Fund, a continuously appropriated fund, for specified losses suffered as a result of those crimes. Existing law sets forth eligibility requirements and limits on the amount of compensation the board may award, and requires the application for compensation to be verified

under penalty of perjury. Existing law authorizes the board to recognize an authorized representative of a victim or derivative victim, including an attorney, the legal guardian, conservator, immediate family member, parent, or relative caregiver, certified victim assistance advocate, county social worker, or other persons, as specified, to represent the victim or derivative victim pursuant to rules adopted by the board.

This bill would expand the term “authorized representative” to mean any person designated by law or any person who has written authorization by the victim or derivative victim, excluding a medical or mental health provider who has provided services to the victim or derivative victim. The bill would require the initial application materials sent by the board to an applicant to be written in English, Spanish, Chinese, Vietnamese, Korean, East Armenian, Tagalog, Russian, Arabic, Farsi, Hmong, Khmer, Punjabi, and Lao, and further require, if the applicant selects one of these languages, the board to send all subsequent communications in that language.

(2) Existing law requires the board to verify any information it deems pertinent to an application for compensation, and requires the victim and the applicant, if other than the victim, to cooperate with the staff of the board or a victim and witness assistance center in this task. Existing law authorizes the board to reject an application solely on the basis that the victim or applicant failed to cooperate as required.

This bill would instead require the applicant to cooperate in verifying the application and would specify the circumstances under which an applicant may be found to have failed to cooperate with the board. The bill would prohibit the board from requiring an applicant to submit documentation from the Internal Revenue Service, the Franchise Tax Board, the State Board of Equalization, the Social Security Administration, or the Employment Development Department to determine eligibility for compensation, but would specifically authorize the board to require and use documentation from these entities to verify the amount of compensation for income or support loss.

(3) Existing law requires every law enforcement and social service agency in the state to provide to the board or to a contracted victim center reports involving the crime, public offense, or incident giving rise to a claim, for the specific purpose of the submission of a claim or the determination of eligibility to submit a claim.

This bill would instead require law enforcement and social service agencies to provide a complete copy of the law enforcement report and

other supplemental reports and documents for the purpose of determining the eligibility of a claim.

(4) Existing law requires a victim or derivative victim seeking compensation to have sustained one or more specified physical or emotional injuries, or pecuniary losses, as a direct result of the crime. Existing law includes among those injuries emotional injury that occurred due to a violation of provisions prohibiting child abduction, as specified, if the deprivation of custody endured for 30 calendar days or more.

This bill would include among those injuries emotional injury that occurred due to a violation of provisions prohibiting publishing or disseminating via an electronic communication device personal identifying information or a digital image of another person, without consent of the other person, and for the purpose of causing that other person injury or harassment, by a 3rd party. The bill would also require, in the case of emotional injury caused by a child abduction, only that criminal charges were filed.

The bill would also include among those injuries emotional injury to a minor victim that incurred as a direct result of the nonconsensual distribution of pictures or video of sexual conduct in which the minor appears. The bill would limit compensation for this type of injury to mental health counseling for the victim, and prohibit compensation to a derivative victim in this regard.

(5) Existing law, until January 1, 2017, authorizes the board to reimburse a crime victim or derivative victim for the amount of outpatient violence peer counseling-related expenses incurred by the victim or derivative victim from, among others, a service organization for victims of violent crime, as specified, and defines the term “violence peer counselor” as a provider of formal or informal counseling services who is employed by a service organization for victims of violent crime and meets specified requirements, including, among others, that he or she possesses at least 6 months of full-time equivalent experience in providing peer support services.

This bill would specify that a service organization for victims of violent crime is a nonprofit and charitable organization instead of a nongovernmental organization. The bill would require that any peer counseling services that fall under the scope of practice of certain acts, including, among others, the Clinical Social Worker Practice Act, be performed by a licensee or a registrant of the Board of Behavioral Sciences or other appropriately licensed professional unless in an exempt

setting. The bill would change the definition of “violence peer counselor” to a provider of supportive and ~~peer~~ nonpsychotherapeutic *peer* counseling services.

(6) Existing law requires the board to deny an application if it finds that the victim or derivative victim knowingly and willingly participated in the commission of the crime that resulted in the pecuniary loss for which compensation is being sought, except as specified.

This bill would instead authorize an application for compensation to be denied, in whole or in part, if the board finds that denial is appropriate based upon consideration of specified factors in determining the nature of the victim’s or other applicant’s involvement in the events leading to the crime, or the involvement of the person whose injury or death gives rise to the application, and specified factors that may be considered to mitigate or overcome that involvement.

(7) Existing law requires an application to be denied if the victim failed to cooperate reasonably with law enforcement in apprehending and convicting the person who committed the crime.

This bill would prohibit a victim of domestic violence from being determined to have failed to cooperate based on his or her conduct with law enforcement at the scene of the crime, and would prohibit lack of cooperation from being found solely because a victim of sexual assault, domestic violence, or human trafficking delayed reporting the qualifying crime. The bill would also prohibit a claim based on a sexual assault from being denied solely because a police report was not made by the victim. The bill would require the board to adopt guidelines that allow it to consider and approve applications for assistance based on a sexual assault relying upon evidence other than a police report to establish that a sexual assault crime has occurred.

(8) Existing law prohibits any person who is convicted of a felony from being granted compensation until he or she has been discharged from probation or has been released from a correctional institution, and has been discharged from parole, if any. Existing law prohibits compensation from being granted to an applicant being held in a correctional institution. Existing law prioritizes the applications of victims who are not felons over those who are felons who have been discharged from probation or have been released from a correctional institution, and have been discharged from parole.

This bill would instead prohibit any person who is convicted of a violent felony, as specified, from being granted compensation until he or she is discharged from probation or released from a correctional

institution, and discharged from parole, or until he or she is discharged from postrelease community supervision or mandatory supervision. This bill would also prohibit compensation from being granted to an applicant while he or she is required to be registered as a sex offender. This bill would remove provisions prioritizing the applications of victims who are not felons.

(9) Existing law authorizes derivative victims, including parents and siblings, of a victim of a crime that directly led to the death of the victim, to be reimbursed for the expense of their outpatient mental health counseling.

This bill would include grandparents and grandchildren among those derivative victims who are eligible to be reimbursed for their mental health counseling. Because an application for reimbursement is required to be submitted under penalty of perjury, this bill would expand the definition of a crime and thus impose a state-mandated local program.

(10) Existing law limits the reimbursement amount for outpatient mental health counseling of a victim of a crime of unlawful intercourse with a minor in which a person 21 years of age or older engaged in an act of unlawful sexual intercourse with a minor who was under 16 years of age to an amount not exceeding \$5,000. Existing law prohibits a derivative victim of that crime from being eligible to receive reimbursement for mental health counseling expenses.

This bill would remove provisions limiting this reimbursement of a victim of a crime of unlawful intercourse with a minor, as described above, and remove provisions prohibiting a derivative victim of that crime from being eligible to receive reimbursement for mental health counseling expenses.

(11) Existing law authorizes the board to grant reimbursement for pecuniary loss of the expense of nonmedical remedial care and treatment rendered in accordance with a religious method of healing recognized by state law if it determines it will best aid the person seeking compensation.

This bill would remove this provision authorizing reimbursement for this type of care or treatment.

(12) Existing law authorizes the board to grant for pecuniary loss if it determines it will best aid the person seeking compensation reimbursement for the expense of installing or increasing residential security, if it receives verification by law enforcement that the security measures are necessary for the personal safety of the claimant or

verification by a mental health treatment provider that the security measures are necessary for the emotional well-being of the claimant.

This bill would remove the provisions requiring the verification by law enforcement or a mental health treatment provider described above.

(13) Existing law also allows reimbursement for renovating or retrofitting a victim's residence or vehicle for a victim permanently disabled by the crime, as specified.

The bill would also allow reimbursement for the purchase of a vehicle for a victim permanently disabled by the crime.

(14) Existing law authorizes the board to provide a cash payment to a victim for expenses incurred in relocating, as specified, and requires a victim of sexual assault or domestic violence, who receives a relocation payment to, among other things, agree not to allow the offender on the premises at any time. Existing law also authorizes the board to provide reimbursement to any individual who voluntarily, and without anticipation of personal gain, pays or assumes the obligation to pay the reasonable costs to clean the scene of the crime inside a residence in an amount not to exceed \$1,000, or a crime victim's funeral or burial expenses, up to \$7,500, as specified.

This bill would authorize the board to require a victim to repay the relocation payment or reimbursement to the board if he or she violates those terms. The bill would also require the board to be named as the recipient of funds upon the expiration of a rental agreement if a security deposit was required for a relocation.

This bill would also authorize the board to reimburse any individual who voluntarily, and without anticipation of personal gain, pays or assumes the obligation to pay the reasonable costs for a trauma scene waste practitioner to clean the scene of the crime if the crime occurred inside a vehicle. The bill would prohibit the board from creating or complying with a regulation or policy that mandates a lower maximum potential amount of an award for the compensation of a crime victim's funeral or burial expenses than prescribed by statute.

(15) Existing law authorizes the board to pay attorney's fees for legal services rendered to an applicant, in an amount equal to 10% of the amount of the award, or \$500, whichever is less, for each victim and each derivative victim.

This bill would authorize the board to request that an attorney provide verification, and to contact an applicant to verify, that legal services were provided.

(16) Existing law requires the board to grant a hearing to an applicant who contests a staff recommendation to deny compensation. Existing law requires the board to schedule the hearing in as convenient a location as possible if the applicant's presence is required. Existing law authorizes the board to grant no more than one request for reconsideration with respect to any one decision on an application for compensation.

This bill would also authorize the hearing to be conducted by telephone. The bill would also prohibit evidence submitted after the board has denied a request for reconsideration from being considered unless the board chooses to reconsider its decision on its own motion.

(17) Existing law provides that the board is entitled to a lien on any judgment, award, or settlement in favor of or on behalf of the recipient for losses suffered as a direct result of the crime that was the basis for receipt of compensation in the amount of the compensation granted by the board. If a claim is filed within one year of the date of recovery, the board is required to pay 25% of the amount of the recovery that is subject to a lien on the judgment, award, or settlement, to the recipient responsible for recovery thereof from the perpetrator of the crime, provided that the total amount of the lien is recovered and the remaining 75% is deposited in the Restitution Fund, a continuously appropriated fund.

This bill would instead require the board to pay 25% of the amount of the recovery that is subject to a lien on the judgment, award, or settlement, to the recipient responsible for recovery only if the recipient notified the board of the action prior to receiving any recovery with the remainder being deposited into the Restitution Fund. By increasing deposits to be made to a continuously appropriated fund, this bill would make an appropriation.

(18) Under existing law, a person who has been overpaid pursuant to these provisions governing victim compensation is liable for that amount, except as specified.

This bill would require that all actions to collect overpayments be commenced within 7 years of the date of the overpayment, except as specified. The bill would also authorize any recipient of an overpayment to contest the related staff recommendation.

(19) Existing law authorizes a private citizen, his or her surviving spouse, his or her surviving children, or a person dependent upon the citizen for his or her principal support to file a claim for indemnification, as specified, if the private citizen incurred personal injury, death, or

damage to his or her property in preventing the commission of a crime, in apprehending a criminal, or rescuing a person in immediate danger of injury or death as a result of fire, drowning, or other catastrophe. Existing law defines “private citizen” for this and related provisions as a natural person except as specified.

This bill would also authorize any person who is legally liable for the citizen’s pecuniary losses to file a claim for indemnification. This bill would revise the definition of “private citizen” to mean a person, except as specified.

(20) Existing law provides that if a parolee or a prisoner owes a specified order of restitution, any moneys owing are collected from the parolee or prisoner, as specified, and transferred to the California Victim Compensation and Government Claims Board for direct payment to the victim. Existing law requires that the victim be paid within 60 days from the date the restitution revenues are received, however, the restitution payment need not be forwarded to that victim unless it is \$50 or more, or until 180 days from the date the first payment is received, whichever occurs sooner.

This bill would provide instead that the payment need not be forwarded to the victim until it is \$25 or more, or the victim requests payment of the lesser amount.

(21) Existing law requires board hearings to be informal and authorizes these hearings to not be conducted according to the technical rules relating to evidence and witnesses.

This bill would require the board to allow a service animal to accompany and support a witness while testifying at a board hearing.

(22) Existing law requires the court to order a person who is convicted of a crime to pay restitution to the victim or victims for the full amount of economic loss, unless the court finds compelling and extraordinary reasons for not doing so and states them on the record. Existing law provides the defendant the right to a hearing before a judge to dispute the determination of the amount of restitution and authorizes the court to modify the amount of restitution.

This bill would authorize a victim at a restitution or modification hearing to testify by live, 2-way audio and video transmission, if that type of transmission is available at the court.

(23) The bill would make other conforming and nonsubstantive changes.

(24) By expanding the authorizations for use of moneys in the Restitution Fund, a continuously appropriated fund, this bill would make an appropriation.

(25) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 13952 of the Government Code is  
2 amended to read:

3 13952. (a) An application for compensation shall be filed with  
4 the board in the manner determined by the board.

5 (b) (1) The application for compensation shall be verified under  
6 penalty of perjury by the individual who is seeking compensation,  
7 who may be the victim or derivative victim, or an individual  
8 seeking reimbursement for burial, funeral, or crime scene cleanup  
9 expenses pursuant to subdivision (a) of Section 13957. If the  
10 individual seeking compensation is a minor or is incompetent, the  
11 application shall be verified under penalty of perjury or on  
12 information and belief by the parent with legal custody, guardian,  
13 conservator, or relative caregiver of the victim or derivative victim  
14 for whom the application is made. However, if a minor seeks  
15 compensation only for expenses for medical, medical-related,  
16 psychiatric, psychological, or other mental health  
17 counseling-related services and the minor is authorized by statute  
18 to consent to those services, the minor may verify the application  
19 for compensation under penalty of perjury.

20 (2) For purposes of this subdivision, “relative caregiver” means  
21 a relative as defined in paragraph (2) of subdivision (h) of Section  
22 6550 of the Family Code, who assumed primary responsibility for  
23 the child while the child was in the relative’s care and control, and  
24 who is not a biological or adoptive parent.

25 (c) (1) The board may require submission of additional  
26 information supporting the application that is reasonably necessary  
27 to verify the application and determine eligibility for compensation.

1 (2) The staff of the board shall determine whether an application  
2 for compensation contains all of the information required by the  
3 board. If the staff determines that an application does not contain  
4 all of the required information, the staff shall communicate that  
5 determination to the applicant with a brief statement of the  
6 additional information required. The applicant, within 30 calendar  
7 days of being notified that the application is incomplete, may either  
8 supply the additional information or appeal the staff's  
9 determination to the board, which shall review the application to  
10 determine whether it is complete.

11 (3) The board shall not require an applicant to submit  
12 documentation from the Internal Revenue Service, the Franchise  
13 Tax Board, the State Board of Equalization, the Social Security  
14 Administration, or the Employment Development Department to  
15 determine eligibility for compensation. The board may require and  
16 use documentation from these entities to verify the amount of  
17 compensation for income or support loss.

18 (d) (1) The board may recognize an authorized representative  
19 of the victim or derivative victim, who shall represent the victim  
20 or derivative victim pursuant to rules adopted by the board.

21 (2) For purposes of this subdivision, "authorized representative"  
22 means any of the following:

23 (A) Any person who has written authorization by the victim or  
24 derivative victim. However, a medical or mental health provider,  
25 or agent of the medical or mental health provider, who has provided  
26 services to the victim or derivative victim shall not be allowed to  
27 be an authorized representative.

28 (B) Any person designated by law including, but not limited to,  
29 a legal guardian, conservator, or social worker.

30 (3) Except for attorney's fees awarded under this chapter, no  
31 authorized representative described in paragraph (2) shall charge,  
32 demand, receive, or collect any amount for services rendered under  
33 this subdivision.

34 (4) The initial application materials sent by the board to an  
35 applicant shall be written in English, Spanish, Chinese, Vietnamese,  
36 Korean, East Armenian, Tagalog, Russian, Arabic, Farsi, Hmong,  
37 Khmer, Punjabi, and Lao. If the applicant selects one of the  
38 languages listed in this subdivision, the board shall send all  
39 subsequent communications in that language.

1 SEC. 2. Section 13954 of the Government Code is amended  
2 to read:

3 13954. (a) The board shall verify with hospitals, physicians,  
4 law enforcement officials, or other interested parties involved, the  
5 treatment of the victim or derivative victim, circumstances of the  
6 crime, amounts paid or received by or for the victim or derivative  
7 victim, and any other pertinent information deemed necessary by  
8 the board. Verification information shall be returned to the board  
9 within 10 business days after a request for verification has been  
10 made by the board. Verification information shall be provided at  
11 no cost to the applicant, the board, or victim centers. When  
12 requesting verification information, the board shall certify that a  
13 signed authorization by the applicant is retained in the applicant's  
14 file and that this certification constitutes actual authorization for  
15 the release of information, notwithstanding any other provision of  
16 law. If requested by a physician or mental health provider, the  
17 board shall provide a copy of the signed authorization for the  
18 release of information.

19 (b) (1) The applicant shall cooperate with the staff of the board  
20 or the victim center in the verification of the information contained  
21 in the application. Failure to cooperate shall be reported to the  
22 board, which, in its discretion, may reject the application solely  
23 on this ground.

24 (2) An applicant may be found to have failed to cooperate with  
25 the board if any of the following occur:

26 (A) The applicant has information, or there is information that  
27 he or she may reasonably obtain, that is needed to process the  
28 application or supplemental claim, and the applicant failed to  
29 provide the information after being requested to do so by the board.  
30 The board shall take the applicant's economic, psychosocial, and  
31 postcrime traumatic circumstances into consideration, and shall  
32 not unreasonably reject an application solely for failure to provide  
33 information.

34 (B) The applicant provided, or caused another to provide, false  
35 information regarding the application or supplemental claim.

36 (C) The applicant refused to apply for other benefits potentially  
37 available to him or her from other sources besides the board  
38 including, but not limited to, worker's compensation, state  
39 disability insurance, social security benefits, and unemployment  
40 insurance.

1 (D) The applicant threatened violence or bodily harm to a  
2 member of the board or staff.

3 (c) The board may contract with victim centers to provide  
4 verification of applications processed by the centers pursuant to  
5 conditions stated in subdivision (a). The board and its staff shall  
6 cooperate with the Office of Criminal Justice Planning and victim  
7 centers in conducting training sessions for center personnel and  
8 shall cooperate in the development of standardized verification  
9 procedures to be used by the victim centers in the state. The board  
10 and its staff shall cooperate with victim centers in disseminating  
11 standardized board policies and findings as they relate to the  
12 centers.

13 (d) (1) Notwithstanding Section 827 of the Welfare and  
14 Institutions Code or any other provision of law, every law  
15 enforcement and social service agency in the state shall provide  
16 to the board or to victim centers that have contracts with the board  
17 pursuant to subdivision (c), upon request, a complete copy of the  
18 law enforcement report and any supplemental reports involving  
19 the crime or incident giving rise to a claim, a copy of a petition  
20 filed in a juvenile court proceeding, reports of the probation officer,  
21 and any other document made available to the probation officer  
22 or to the judge, referee, or other hearing officer, for the specific  
23 purpose of determining the eligibility of a claim filed pursuant to  
24 this chapter.

25 (2) The board and victim centers receiving records pursuant to  
26 this subdivision may not disclose a document that personally  
27 identifies a minor to anyone other than the minor who is so  
28 identified, his or her custodial parent or guardian, the attorneys  
29 for those parties, and any other persons that may be designated by  
30 court order. Any information received pursuant to this section shall  
31 be received in confidence for the limited purpose for which it was  
32 provided and may not be further disseminated. A violation of this  
33 subdivision is a misdemeanor punishable by a fine not to exceed  
34 five hundred dollars (\$500).

35 (3) The law enforcement agency supplying information pursuant  
36 to this section may withhold the names of witnesses or informants  
37 from the board, if the release of those names would be detrimental  
38 to the parties or to an investigation in progress.

39 (e) Notwithstanding any other provision of law, every state  
40 agency, upon receipt of a copy of a release signed in accordance

1 with the Information Practices Act of 1977 (Chapter 1  
2 (commencing with Section 1798) of Title 1.8 of Part 4 of Division  
3 3 of the Civil Code) by the applicant or other authorized  
4 representative, shall provide to the board or victim center the  
5 information necessary to complete the verification of an application  
6 filed pursuant to this chapter.

7 (f) The Department of Justice shall furnish, upon application of  
8 the board, all information necessary to verify the eligibility of any  
9 applicant for benefits pursuant to subdivision (c) of Section 13956,  
10 to recover any restitution fine or order obligations that are owed  
11 to the Restitution Fund or to any victim of crime, or to evaluate  
12 the status of any criminal disposition.

13 (g) A privilege is not waived under Section 912 of the Evidence  
14 Code by an applicant consenting to disclosure of an otherwise  
15 privileged communication if that disclosure is deemed necessary  
16 by the board for verification of the application.

17 (h) Any verification conducted pursuant to this section shall be  
18 subject to the time limits specified in Section 13958.

19 (i) Any county social worker acting as the applicant for a child  
20 victim or elder abuse victim shall not be required to provide  
21 personal identification, including, but not limited to, the applicant's  
22 date of birth or social security number. County social workers  
23 acting in this capacity shall not be required to sign a promise of  
24 repayment to the board.

25 SEC. 3. Section 13955 of the Government Code is amended  
26 to read:

27 13955. Except as provided in Section 13956, a person shall be  
28 eligible for compensation when all of the following requirements  
29 are met:

30 (a) The person for whom compensation is being sought is any  
31 of the following:

32 (1) A victim.

33 (2) A derivative victim.

34 (3) (A) A person who is entitled to reimbursement for funeral,  
35 burial, or crime scene cleanup expenses pursuant to paragraph (9)  
36 or (10) of subdivision (a) of Section 13957.

37 (B) This paragraph applies without respect to any felon status  
38 of the victim.

39 (b) Either of the following conditions is met:

- 1 (1) The crime occurred in California. This paragraph shall apply  
2 only during those time periods during which the board determines  
3 that federal funds are available to the state for the compensation  
4 of victims of crime.
- 5 (2) Whether or not the crime occurred in California, the victim  
6 was any of the following:
- 7 (A) A resident of California.  
8 (B) A member of the military stationed in California.  
9 (C) A family member living with a member of the military  
10 stationed in California.
- 11 (c) If compensation is being sought for a derivative victim, the  
12 derivative victim is a resident of California, or any other state, who  
13 is any of the following:
- 14 (1) At the time of the crime was the parent, grandparent, sibling,  
15 spouse, child, or grandchild of the victim.  
16 (2) At the time of the crime was living in the household of the  
17 victim.  
18 (3) At the time of the crime was a person who had previously  
19 lived in the household of the victim for a period of not less than  
20 two years in a relationship substantially similar to a relationship  
21 listed in paragraph (1).  
22 (4) Is another family member of the victim, including, but not  
23 limited to, the victim's fiancé or fiancée, and who witnessed the  
24 crime.  
25 (5) Is the primary caretaker of a minor victim, but was not the  
26 primary caretaker at the time of the crime.
- 27 (d) The application is timely pursuant to Section 13953.
- 28 (e) (1) Except as provided in paragraph (2), the injury or death  
29 was a direct result of a crime.  
30 (2) Notwithstanding paragraph (1), no act involving the  
31 operation of a motor vehicle, aircraft, or water vehicle that results  
32 in injury or death constitutes a crime for the purposes of this  
33 chapter, except when the injury or death from such an act was any  
34 of the following:
- 35 (A) Intentionally inflicted through the use of a motor vehicle,  
36 aircraft, or water vehicle.  
37 (B) Caused by a driver who fails to stop at the scene of an  
38 accident in violation of Section 20001 of the Vehicle Code.  
39 (C) Caused by a person who is under the influence of any  
40 alcoholic beverage or drug.

1 (D) Caused by a driver of a motor vehicle in the immediate act  
2 of fleeing the scene of a crime in which he or she knowingly and  
3 willingly participated.

4 (E) Caused by a person who commits vehicular manslaughter  
5 in violation of subdivision (b) of Section 191.5, subdivision (c) of  
6 Section 192, or Section 192.5 of the Penal Code.

7 (F) Caused by any party where a peace officer is operating a  
8 motor vehicle in an effort to apprehend a suspect, and the suspect  
9 is evading, fleeing, or otherwise attempting to elude the peace  
10 officer.

11 (f) As a direct result of the crime, the victim or derivative victim  
12 sustained one or more of the following:

13 (1) Physical injury. The board may presume a child who has  
14 been the witness of a crime of domestic violence has sustained  
15 physical injury. A child who resides in a home where a crime or  
16 crimes of domestic violence have occurred may be presumed by  
17 the board to have sustained physical injury, regardless of whether  
18 the child has witnessed the crime.

19 (2) Emotional injury and a threat of physical injury.

20 (3) Emotional injury, where the crime was a violation of any of  
21 the following provisions:

22 (A) Section 236.1, 261, 262, 271, 273a, 273d, 285, 286, 288,  
23 288a, 288.5, 289, or 653.2, or subdivision (b) or (c) of Section  
24 311.4, of the Penal Code.

25 (B) Section 270 of the Penal Code, where the emotional injury  
26 was a result of conduct other than a failure to pay child support,  
27 and criminal charges were filed.

28 (C) Section 261.5 of the Penal Code, and criminal charges were  
29 filed.

30 (D) Section 278 or 278.5 of the Penal Code, and criminal  
31 charges were filed. For purposes of this paragraph, the child, and  
32 not the nonoffending parent or other caretaker, shall be deemed  
33 the victim.

34 (4) Injury to, or the death of, a guide, signal, or service dog, as  
35 defined in Section 54.1 of the Civil Code, as a result of a violation  
36 of Section 600.2 or 600.5 of the Penal Code.

37 (5) Emotional injury to a victim who is a minor incurred as a  
38 direct result of the nonconsensual distribution of pictures or video  
39 of sexual conduct in which the minor appears.

1 (g) The injury or death has resulted or may result in pecuniary  
2 loss within the scope of compensation pursuant to Sections 13957  
3 to 13957.7, inclusive.

4 SEC. 4. Section 13956 of the Government Code is amended  
5 to read:

6 13956. Notwithstanding Section 13955, a person shall not be  
7 eligible for compensation under the following conditions:

8 (a) An application may be denied, in whole or in part, if the  
9 board finds that denial is appropriate because of the nature of the  
10 victim’s or other applicant’s involvement in the events leading to  
11 the crime, or the involvement of the person whose injury or death  
12 gives rise to the application.

13 (1) Factors that may be considered in determining whether the  
14 victim or derivative victim was involved in the events leading to  
15 the qualifying crime include, but are not limited to:

16 (A) The victim or derivative victim initiated the qualifying  
17 crime, or provoked or aggravated the suspect into initiating the  
18 qualifying crime.

19 (B) The qualifying crime was a reasonably foreseeable  
20 consequence of the conduct of the victim or derivative victim.

21 (C) The victim or derivative victim was committing a crime  
22 that could be charged as a felony and reasonably lead to him or  
23 her being victimized. However, committing a crime shall not be  
24 considered involvement if the victim’s injury or death occurred as  
25 a direct result of a crime committed in violation of Section 261,  
26 262, or 273.5 of, or for a crime of unlawful sexual intercourse with  
27 a minor in violation of subdivision (d) of Section 261.5 of, the  
28 Penal Code.

29 (2) If the victim is determined to have been involved in the  
30 events leading to the qualifying crime, factors that may be  
31 considered to mitigate or overcome involvement include, but are  
32 not limited to:

33 (A) The victim’s injuries were significantly more serious than  
34 reasonably could have been expected based on the victim’s level  
35 of involvement.

36 (B) A third party interfered in a manner not reasonably  
37 foreseeable by the victim or derivative victim.

38 (C) The board shall consider the victim’s age, physical  
39 condition, and psychological state, as well as any compelling health  
40 and safety concerns, in determining whether the application should

1 be denied pursuant to this section. The application of a derivative  
2 victim of domestic violence under 18 years of age or derivative  
3 victim of trafficking under 18 years of age shall not be denied on  
4 the basis of the denial of the victim's application under this  
5 subdivision.

6 (b) (1) An application shall be denied if the board finds that  
7 the victim or, if compensation is sought by, or on behalf of, a  
8 derivative victim, either the victim or derivative victim failed to  
9 cooperate reasonably with a law enforcement agency in the  
10 apprehension and conviction of a criminal committing the crime.  
11 In determining whether cooperation has been reasonable, the board  
12 shall consider the victim's or derivative victim's age, physical  
13 condition, and psychological state, cultural or linguistic barriers,  
14 any compelling health and safety concerns, including, but not  
15 limited to, a reasonable fear of retaliation or harm that would  
16 jeopardize the well-being of the victim or the victim's family or  
17 the derivative victim or the derivative victim's family, and giving  
18 due consideration to the degree of cooperation of which the victim  
19 or derivative victim is capable in light of the presence of any of  
20 these factors. A victim of domestic violence shall not be determined  
21 to have failed to cooperate based on his or her conduct with law  
22 enforcement at the scene of the crime. Lack of cooperation shall  
23 also not be found solely because a victim of sexual assault,  
24 domestic violence, or human trafficking delayed reporting the  
25 qualifying crime.

26 (2) An application for a claim based on domestic violence shall  
27 not be denied solely because a police report was not made by the  
28 victim. The board shall adopt guidelines that allow the board to  
29 consider and approve applications for assistance based on domestic  
30 violence relying upon evidence other than a police report to  
31 establish that a domestic violence crime has occurred. Factors  
32 evidencing that a domestic violence crime has occurred may  
33 include, but are not limited to, medical records documenting  
34 injuries consistent with allegations of domestic violence, mental  
35 health records, or that the victim has obtained a permanent  
36 restraining order.

37 (3) An application for a claim based on a sexual assault shall  
38 not be denied solely because a police report was not made by the  
39 victim. The board shall adopt guidelines that allow it to consider  
40 and approve applications for assistance based on a sexual assault

1 relying upon evidence other than a police report to establish that  
2 a sexual assault crime has occurred. Factors evidencing that a  
3 sexual assault crime has occurred may include, but are not limited  
4 to, medical records documenting injuries consistent with allegations  
5 of sexual assault, mental health records, or that the victim received  
6 a sexual assault examination.

7 (4) An application for a claim based on human trafficking as  
8 defined in Section 236.1 of the Penal Code shall not be denied  
9 solely because no police report was made by the victim. The board  
10 shall adopt guidelines that allow the board to consider and approve  
11 applications for assistance based on human trafficking relying  
12 upon evidence other than a police report to establish that a human  
13 trafficking crime as defined in Section 236.1 of the Penal Code  
14 has occurred. That evidence may include any reliable corroborating  
15 information approved by the board, including, but not limited to,  
16 the following:

17 (A) A Law Enforcement Agency Endorsement issued pursuant  
18 to Section 236.2 of the Penal Code.

19 (B) A human trafficking caseworker, as identified in Section  
20 1038.2 of the Evidence Code, has attested by affidavit that the  
21 individual was a victim of human trafficking.

22 (5) (A) An application for a claim by a military personnel victim  
23 based on a sexual assault by another military personnel shall not  
24 be denied solely because it was not reported to a superior officer  
25 or law enforcement at the time of the crime.

26 (B) Factors that the board shall consider for purposes of  
27 determining if a claim qualifies for compensation include, but are  
28 not limited to, the evidence of the following:

29 (i) Restricted or unrestricted reports to a military victim  
30 advocate, sexual assault response coordinator, chaplain, attorney,  
31 or other military personnel.

32 (ii) Medical or physical evidence consistent with sexual assault.

33 (iii) A written or oral report from military law enforcement or  
34 a civilian law enforcement agency concluding that a sexual assault  
35 crime was committed against the victim.

36 (iv) A letter or other written statement from a sexual assault  
37 counselor, as defined in Section 1035.2 of the Evidence Code,  
38 licensed therapist, or mental health counselor, stating that the  
39 victim is seeking services related to the allegation of sexual assault.

- 1 (v) A credible witness to whom the victim disclosed the details  
2 that a sexual assault crime occurred.
- 3 (vi) A restraining order from a military or civilian court against  
4 the perpetrator of the sexual assault.
- 5 (vii) Other behavior by the victim consistent with sexual assault.
- 6 (C) For purposes of this subdivision, the sexual assault at issue  
7 shall have occurred during military service, including deployment.
- 8 (D) For purposes of this subdivision, the sexual assault may  
9 have been committed off base.
- 10 (E) For purposes of this subdivision, a “perpetrator” means an  
11 individual who is any of the following at the time of the sexual  
12 assault:
- 13 (i) An active duty military personnel from the United States  
14 Army, Navy, Marine Corps, Air Force, or Coast Guard.
- 15 (ii) A civilian employee of any military branch specified in  
16 clause (i), military base, or military deployment.
- 17 (iii) A contractor or agent of a private military or private security  
18 company.
- 19 (iv) A member of the California National Guard.
- 20 (F) For purposes of this subdivision, “sexual assault” means an  
21 offense included in Section 261, 262, 264.1, 286, 288a, or 289 of  
22 the Penal Code, as of the date the act that added this paragraph  
23 was enacted.
- 24 (c) (1) Notwithstanding Section 13955, no person who is  
25 convicted of a violent felony listed in subdivision (c) of Section  
26 667.5 of the Penal Code may be granted compensation until that  
27 person has been discharged from probation or has been released  
28 from a correctional institution and has been discharged from parole,  
29 or has been discharged from postrelease community supervision  
30 or mandatory supervision, if any, for that violent crime. In no case  
31 shall compensation be granted to an applicant pursuant to this  
32 chapter during any period of time the applicant is held in a  
33 correctional institution, or while an applicant is required to register  
34 as a sex offender pursuant to Section 290 of the Penal Code.
- 35 (2) A person who has been convicted of a violent felony listed  
36 in subdivision (c) of Section 667.5 of the Penal Code may apply  
37 for compensation pursuant to this chapter at any time, but the award  
38 of that compensation may not be considered until the applicant  
39 meets the requirements for compensation set forth in paragraph  
40 (1).

1 SEC. 5. Section 13957 of the Government Code is amended  
2 to read:

3 13957. (a) The board may grant for pecuniary loss, when the  
4 board determines it will best aid the person seeking compensation,  
5 as follows:

6 (1) Subject to the limitations set forth in Section 13957.2,  
7 reimburse the amount of medical or medical-related expenses  
8 incurred by the victim for services that were provided by a licensed  
9 medical provider, including, but not limited to, eyeglasses, hearing  
10 aids, dentures, or any prosthetic device taken, lost, or destroyed  
11 during the commission of the crime, or the use of which became  
12 necessary as a direct result of the crime.

13 (2) Subject to the limitations set forth in Section 13957.2,  
14 reimburse the amount of outpatient psychiatric, psychological, or  
15 other mental health counseling-related expenses incurred by the  
16 victim or derivative victim, including peer counseling services  
17 provided by a rape crisis center as defined by Section 13837 of  
18 the Penal Code, and including family psychiatric, psychological,  
19 or mental health counseling for the successful treatment of the  
20 victim provided to family members of the victim in the presence  
21 of the victim, whether or not the family member relationship  
22 existed at the time of the crime, that became necessary as a direct  
23 result of the crime, subject to the following conditions:

24 (A) The following persons may be reimbursed for the expense  
25 of their outpatient mental health counseling in an amount not to  
26 exceed ten thousand dollars (\$10,000):

27 (i) A victim.

28 (ii) A derivative victim who is the surviving parent, grandparent,  
29 sibling, child, grandchild, spouse, fiancé, or fiancée of a victim of  
30 a crime that directly resulted in the death of the victim.

31 (iii) A derivative victim, as described in paragraphs (1) to (4),  
32 inclusive, of subdivision (c) of Section 13955, who is the primary  
33 caretaker of a minor victim whose claim is not denied or reduced  
34 pursuant to Section 13956 in a total amount not to exceed ten  
35 thousand dollars (\$10,000) for not more than two derivative  
36 victims.

37 (B) The following persons may be reimbursed for the expense  
38 of their outpatient mental health counseling in an amount not to  
39 exceed five thousand dollars (\$5,000):

1 (i) A derivative victim not eligible for reimbursement pursuant  
2 to subparagraph (A), provided that mental health counseling of a  
3 derivative victim described in paragraph (5) of subdivision (c) of  
4 Section 13955, shall be reimbursed only if that counseling is  
5 necessary for the treatment of the victim.

6 (ii) A minor who suffers emotional injury as a direct result of  
7 witnessing a violent crime and who is not eligible for  
8 reimbursement of the costs of outpatient mental health counseling  
9 under any other provision of this chapter. To be eligible for  
10 reimbursement under this clause, the minor must have been in  
11 close proximity to the victim when he or she witnessed the crime.

12 (C) The board may reimburse a victim or derivative victim for  
13 outpatient mental health counseling in excess of that authorized  
14 by subparagraph (A) or (B) or for inpatient psychiatric,  
15 psychological, or other mental health counseling if the claim is  
16 based on dire or exceptional circumstances that require more  
17 extensive treatment, as approved by the board.

18 (D) Expenses for psychiatric, psychological, or other mental  
19 health counseling-related services may be reimbursed only if the  
20 services were provided by either of the following individuals:

21 (i) A person who would have been authorized to provide those  
22 services pursuant to former Article 1 (commencing with Section  
23 13959) as it read on January 1, 2002.

24 (ii) A person who is licensed in California to provide those  
25 services, or who is properly supervised by a person who is licensed  
26 in California to provide those services, subject to the board's  
27 approval and subject to the limitations and restrictions the board  
28 may impose.

29 (3) Subject to the limitations set forth in Section 13957.5,  
30 authorize compensation equal to the loss of income or loss of  
31 support, or both, that a victim or derivative victim incurs as a direct  
32 result of the victim's or derivative victim's injury or the victim's  
33 death. If the victim or derivative victim requests that the board  
34 give priority to reimbursement of loss of income or support, the  
35 board may not pay medical expenses, or mental health counseling  
36 expenses, except upon the request of the victim or derivative victim  
37 or after determining that payment of these expenses will not  
38 decrease the funds available for payment of loss of income or  
39 support.

- 1 (4) Authorize a cash payment to or on behalf of the victim for  
2 job retraining or similar employment-oriented services.
- 3 (5) Reimburse the expense of installing or increasing residential  
4 security, not to exceed one thousand dollars (\$1,000). Installing  
5 or increasing residential security may include, but need not be  
6 limited to, both of the following:
  - 7 (A) Home security device or system.
  - 8 (B) Replacing or increasing the number of locks.
- 9 (6) Reimburse the expense of renovating or retrofitting a  
10 victim’s residence, or the expense of modifying or purchasing a  
11 vehicle, to make the residence or the vehicle accessible or  
12 operational by a victim upon verification that the expense is  
13 medically necessary for a victim who is permanently disabled as  
14 a direct result of the crime, whether the disability is partial or total.
- 15 (7) (A) Authorize a cash payment or reimbursement not to  
16 exceed two thousand dollars (\$2,000) to a victim for expenses  
17 incurred in relocating, if the expenses are determined by law  
18 enforcement to be necessary for the personal safety of the victim  
19 or by a mental health treatment provider to be necessary for the  
20 emotional well-being of the victim.
  - 21 (B) The cash payment or reimbursement made under this  
22 paragraph shall only be awarded to one claimant per crime giving  
23 rise to the relocation. The board may authorize more than one  
24 relocation per crime if necessary for the personal safety or  
25 emotional well-being of the claimant. However, the total cash  
26 payment or reimbursement for all relocations due to the same crime  
27 shall not exceed two thousand dollars (\$2,000). For purposes of  
28 this paragraph a claimant is the crime victim, or, if the victim is  
29 deceased, a person who resided with the deceased at the time of  
30 the crime.
    - 31 (C) The board may, under compelling circumstances, award a  
32 second cash payment or reimbursement to a victim for another  
33 crime if both of the following conditions are met:
      - 34 (i) The crime occurs more than three years from the date of the  
35 crime giving rise to the initial relocation cash payment or  
36 reimbursement.
      - 37 (ii) The crime does not involve the same offender.
    - 38 (D) When a relocation payment or reimbursement is provided  
39 to a victim of sexual assault or domestic violence and the identity  
40 of the offender is known to the victim, the victim shall agree not

1 to inform the offender of the location of the victim’s new residence  
2 and not to allow the offender on the premises at any time, or shall  
3 agree to seek a restraining order against the offender. A victim  
4 may be required to repay the relocation payment or reimbursement  
5 to the board if he or she violates the terms set forth in this  
6 paragraph.

7 (E) Notwithstanding subparagraphs (A) and (B), the board may  
8 increase the cash payment or reimbursement for expenses incurred  
9 in relocating to an amount greater than two thousand dollars  
10 (\$2,000), if the board finds this amount is appropriate due to the  
11 unusual, dire, or exceptional circumstances of a particular claim.

12 (F) If a security deposit is required for relocation, the board  
13 shall be named as the recipient and receive the funds upon  
14 expiration of the victim’s rental agreement.

15 (8) When a victim dies as a result of a crime, the board may  
16 reimburse any individual who voluntarily, and without anticipation  
17 of personal gain, pays or assumes the obligation to pay any of the  
18 following expenses:

19 (A) The medical expenses incurred as a direct result of the crime  
20 in an amount not to exceed the rates or limitations established by  
21 the board.

22 (B) The funeral and burial expenses incurred as a direct result  
23 of the crime, not to exceed seven thousand five hundred dollars  
24 (\$7,500). The board shall not create or comply with a regulation  
25 or policy that mandates a lower maximum potential amount of an  
26 award pursuant to this subparagraph for less than seven thousand  
27 five hundred dollars (\$7,500).

28 (9) When the crime occurs in a residence or inside a vehicle,  
29 the board may reimburse any individual who voluntarily, and  
30 without anticipation of personal gain, pays or assumes the  
31 obligation to pay the reasonable costs to clean the scene of the  
32 crime in an amount not to exceed one thousand dollars (\$1,000).  
33 Services reimbursed pursuant to this subdivision shall be performed  
34 by persons registered with the State Department of Public Health  
35 as trauma scene waste practitioners in accordance with Chapter  
36 9.5 (commencing with Section 118321) of Part 14 of Division 104  
37 of the Health and Safety Code.

38 (10) When the crime is a violation of Section 600.2 or 600.5 of  
39 the Penal Code, the board may reimburse the expense of veterinary  
40 services, replacement costs, or other reasonable expenses, as

1 ordered by the court pursuant to Section 600.2 or 600.5 of the  
2 Penal Code, in an amount not to exceed ten thousand dollars  
3 (\$10,000).

4 (11) An award of compensation pursuant to paragraph (5) of  
5 subdivision (f) of Section 13955 shall be limited to compensation  
6 to provide mental health counseling and shall not limit the  
7 eligibility of a victim for an award that he or she may be otherwise  
8 entitled to receive under this part. A derivative victim shall not be  
9 eligible for compensation under this provision.

10 (b) The total award to or on behalf of each victim or derivative  
11 victim may not exceed thirty-five thousand dollars (\$35,000),  
12 except that this award may be increased to an amount not exceeding  
13 seventy thousand dollars (\$70,000) if federal funds for that increase  
14 are available.

15 SEC. 6. Section 13957.5 of the Government Code is amended  
16 to read:

17 13957.5. (a) In authorizing compensation for loss of income  
18 and support pursuant to paragraph (3) of subdivision (a) of Section  
19 13957, the board may take any of the following actions:

20 (1) Compensate the victim for loss of income directly resulting  
21 from the injury, except that loss of income may not be paid by the  
22 board for more than five years following the crime, unless the  
23 victim is disabled as defined in Section 416(i) of Title 42 of the  
24 United States Code, as a direct result of the injury.

25 (2) Compensate an adult derivative victim for loss of income,  
26 subject to all of the following:

27 (A) The derivative victim is the parent or legal guardian of a  
28 victim, who at the time of the crime was under the age of 18 years  
29 and is hospitalized as a direct result of the crime.

30 (B) The minor victim's treating physician certifies in writing  
31 that the presence of the victim's parent or legal guardian at the  
32 hospital is necessary for the treatment of the victim.

33 (C) Reimbursement for loss of income under this paragraph  
34 may not exceed the total value of the income that would have been  
35 earned by the adult derivative victim during a 30-day period.

36 (3) Compensate an adult derivative victim for loss of income,  
37 subject to all of the following:

38 (A) The derivative victim is the parent or legal guardian of a  
39 victim who at the time of the crime was under the age of 18 years.

40 (B) The victim died as a direct result of the crime.

1 (C) The board shall pay for loss of income under this paragraph  
2 for not more than 30 calendar days from the date of the victim's  
3 death.

4 (4) Compensate a derivative victim who was legally dependent  
5 on the victim at the time of the crime for the loss of support  
6 incurred by that person as a direct result of the crime, subject to  
7 both of the following:

8 (A) Loss of support shall be paid by the board for income lost  
9 by an adult for a period up to, but not more than, five years  
10 following the date of the crime.

11 (B) Loss of support shall not be paid by the board on behalf of  
12 a minor for a period beyond the child's attaining the age of 18  
13 years.

14 (b) The total amount payable to all derivative victims pursuant  
15 to this section as the result of one crime may not exceed seventy  
16 thousand dollars (\$70,000).

17 SEC. 7. Section 13957.7 of the Government Code is amended  
18 to read:

19 13957.7. (a) No reimbursement may be made for any expense  
20 that is submitted more than three years after it is incurred by the  
21 victim or derivative victim. However, reimbursement may be made  
22 for an expense submitted more than three years after the date it is  
23 incurred if the victim or derivative victim has affirmed the debt  
24 and is liable for the debt at the time the expense is submitted for  
25 reimbursement, or has paid the expense as a direct result of a crime  
26 for which a timely application has been filed or has paid the  
27 expense as a direct result of a crime for which an application has  
28 been filed and approved.

29 (b) Compensation made pursuant to this chapter may be on a  
30 one-time or periodic basis. If periodic, the board may increase,  
31 reduce, or terminate the amount of compensation according to the  
32 applicant's need, subject to the maximum limits provided in this  
33 chapter.

34 (c) (1) The board may authorize direct payment to a provider  
35 of services that are reimbursable pursuant to this chapter and may  
36 make those payments prior to verification. However, the board  
37 may not, without good cause, authorize a direct payment to a  
38 provider over the objection of the victim or derivative victim.

39 (2) Reimbursement on the initial claim for any psychological,  
40 psychiatric, or mental health counseling services shall, if the

1 application has been approved, be paid by the board within 90  
2 days of the date of receipt of the claim for payment, with  
3 subsequent payments to be made to the provider within one month  
4 of the receipt of a claim for payment.

5 (d) Payments for peer counseling services provided by a rape  
6 crisis center may not exceed fifteen dollars (\$15) for each hour of  
7 services provided. Those services shall be limited to in-person  
8 counseling for a period not to exceed 10 weeks plus one series of  
9 facilitated support group counseling sessions.

10 (e) The board shall develop procedures to ensure that a victim  
11 is using compensation for job retraining or relocation only for its  
12 intended purposes. The procedures may include, but need not be  
13 limited to, requiring copies of receipts, agreements, or other  
14 documents as requested, or developing a method for direct  
15 payment.

16 (f) Compensation granted pursuant to this chapter shall not

21 amount equal to 10 percent of the amount of the award, or five  
22 hundred dollars (\$500), whichever is less, for each victim and each  
23 derivative victim. The board may request that an attorney provide  
24 verification of legal services provided to an applicant and the board  
25 may contact an applicant to verify that legal services were provided.  
26 An attorney receiving fees from another source may waive the  
27 right to receive fees under this subdivision. Payments under this  
28 subdivision shall be in addition to any amount authorized or  
29 ordered under subdivision (b) of Section 13960. An attorney may

36 payment for its services, except that this reimbursement may not  
37 exceed the maximum reimbursement rates set by the board and  
38 may be made only to the extent that the victim otherwise qualifies  
39 for compensation under this chapter and that other reimbursement  
40 or direct subsidies are not available to serve the victim.

16 crime, that became necessary as a direct result of the crime, subject  
17 to the following conditions:

38 necessary for the treatment of the victim.

39 (B) A victim of a crime of unlawful sexual intercourse with a

10 close proximity to the victim when he or she witnessed the crime.

11 (3) The board may reimburse a victim or derivative victim for  
12 outpatient mental health counseling in excess of that authorized  
13 by paragraph (1) or (2) or for inpatient psychiatric, psychological,  
14 or other mental health counseling if the claim is based on dire or  
15 exceptional circumstances that require more extensive treatment,  
16 as approved by the board.

17 (4) Expenses for psychiatric, psychological, or other mental

24 services, or who is properly supervised by a person who is so  
25 licensed, subject to the board's approval and subject to the  
26 limitations and restrictions the board may impose.

27 (b) The total award to or on behalf of each victim or derivative  
28 victim may not exceed thirty-five thousand dollars (\$35,000),  
29 except that this amount may be increased to seventy thousand  
30 dollars (\$70,000) if federal funds for that increase are available.

24 SEC. 9. Section 13959 of the Government Code is amended  
25 to read:

26 13959. (a) The board shall grant a hearing to an applicant who  
27 contests a staff recommendation to deny compensation in whole  
28 or in part.

29 (b) The board shall notify the applicant not less than 10 days  
30 prior to the date of the hearing. Notwithstanding Section 11123,  
31 if the application that the board is considering involves either a  
32 crime against a minor, a crime of sexual assault, or a crime of  
33 domestic violence, the board may exclude from the hearing all  
34 persons other than board members and members of its staff, the  
35 applicant for benefits, a minor applicant's parents or guardians,  
36 the applicant's representative, witnesses, and other persons of the  
37 applicant's choice to provide assistance to the applicant during the  
38 hearing. However, the board shall not exclude persons from the  
39 hearing if the applicant or applicant's representative requests that  
40 the hearing be open to the public.

2 the burden of establishing, by a preponderance of the evidence,  
3 the elements for eligibility under Section 13955.

4 (d) Except as otherwise provided by law, in making  
5 determinations of eligibility for compensation and in deciding  
6 upon the amount of compensation, the board shall apply the law  
7 in effect as of the date an application was submitted.

8 (e) (1) The hearing shall be informal and need not be conducted  
9 according to the technical rules relating to evidence and witnesses.  
10 The board may rely on any relevant evidence if it is the sort of  
11 evidence on which responsible persons are accustomed to rely in  
12 the conduct of serious affairs, regardless of the existence of a  
13 common law or statutory rule that might make improper the  
14 admission of the evidence over objection in a civil action. The  
15 board may rely on written reports prepared for the board, or other  
16 information received, from public agencies responsible for  
17 investigating the crime. If the applicant or the applicant's  
18 representative chooses not to appear at the hearing, the board may  
19 act solely upon the application for compensation, the staff's report,  
20 and other evidence that appears in the record.

21 (2) The board shall allow a service animal to accompany and  
22 support a witness while testifying at a hearing.

23 (f) Hearings shall be held in various locations with the frequency  
24 necessary to provide for the speedy adjudication of the applications.  
25 If the applicant's presence is required at the hearing, the board  
26 shall schedule the applicant's hearing in as convenient a location  
27 as possible or conduct the hearing by telephone.

28 (g) The board may delegate the hearing of applications to  
29 hearing officers.

30 (h) The decisions of the board shall be in writing. Copies of the  
31 decisions shall be delivered to the applicant or to his or her  
32 representative personally or sent to him or her by mail.

33 (i) The board may order a reconsideration of all or part of a  
34 decision on written request of the applicant. The board shall not  
35 grant more than one request for reconsideration with respect to  
36 any one decision on an application for compensation. The board  
37 shall not consider any request for reconsideration filed with the  
38 board more than 30 calendar days after the personal delivery or  
39 60 calendar days after the mailing of the original decision.

1 (j) The board may order a reconsideration of all or part of a  
2 decision on its own motion, at its discretion, at any time.

3 (k) Evidence submitted after the board has denied a request for  
4 reconsideration shall not be considered unless the board chooses  
5 to reconsider its decision on its own motion.

6 SEC. 10. Section 13963 of the Government Code is amended  
7 to read:

8 13963. (a) The board shall be subrogated to the rights of the  
9 recipient to the extent of any compensation granted by the board.  
10 The subrogation rights shall be against the perpetrator of the crime  
11 or any person liable for the losses suffered as a direct result of the  
12 crime which was the basis for receipt of compensation, including  
13 an insurer held liable in accordance with the provision of a policy  
14 of insurance issued pursuant to Section 11580.2 of the Insurance  
15 Code.

16 (b) The board shall also be entitled to a lien on any judgment,  
17 award, or settlement in favor of or on behalf of the recipient for  
18 losses suffered as a direct result of the crime that was the basis for  
19 receipt of compensation in the amount of the compensation granted  
20 by the board. The board may recover this amount in a separate  
21 action, or may intervene in an action brought by or on behalf of  
22 the recipient. If a claim is filed within one year of the date of  
23 recovery, the board shall pay 25 percent of the amount of the  
24 recovery that is subject to a lien on the judgment, award, or  
25 settlement, to the recipient responsible for recovery if the recipient  
26 notified the board of the action prior to receiving any recovery.  
27 The remaining amount, and any amount not claimed within one  
28 year pursuant to this section, shall be deposited in the Restitution  
29 Fund.

30 (c) The board may compromise or settle and release any lien  
31 pursuant to this chapter if it is found that the action is in the best  
32 interest of the state or the collection would cause undue hardship  
33 upon the recipient. Repayment obligations to the Restitution Fund  
34 shall be enforceable as a summary judgment.

35 (d) No judgment, award, or settlement in any action or claim  
36 by a recipient, where the board has an interest, shall be satisfied  
37 without first giving the board notice and a reasonable opportunity  
38 to perfect and satisfy the lien. The notice shall be given to the  
39 board in Sacramento except in cases where the board specifies that  
40 the notice shall be given otherwise. The notice shall include the

1 complete terms of the award, settlement, or judgment, and the  
2 name and address of any insurer directly or indirectly providing  
3 for the satisfaction.

4 (e) (1) If the recipient brings an action or asserts a claim for  
5 damages against the person or persons liable for the injury or death  
6 giving rise to an award by the board under this chapter, notice of  
7 the institution of legal proceedings, notice of all hearings,  
8 conferences, and proceedings, and notice of settlement shall be  
9 given to the board in Sacramento except in cases where the board  
10 specifies that notice shall be given to the Attorney General. Notice  
11 of the institution of legal proceedings shall be given to the board  
12 within 30 days of filing the action. All notices shall be given by  
13 the attorney employed to bring the action for damages or by the  
14 recipient if no attorney is employed.

15 (2) Notice shall include all of the following:

16 (A) Names of all parties to the claim or action.

17 (B) The address of all parties to the claim or action except for  
18 those persons represented by attorneys and in that case the name  
19 of the party and the name and address of the attorney.

20 (C) The nature of the claim asserted or action brought.

21 (D) In the case of actions before courts or administrative  
22 agencies, the full title of the case including the identity of the court  
23 or agency, the names of the parties, and the case or docket number.

24 (3) When the recipient or his or her attorney has reason to  
25 believe that a person from whom damages are sought is receiving  
26 a defense provided in whole or in part by an insurer, or is insured  
27 for the injury caused to the recipient, notice shall include a  
28 statement of that fact and the name and address of the insurer.  
29 Upon request of the board, a person obligated to provide notice  
30 shall provide the board with a copy of the current written claim or  
31 complaint.

32 (f) The board shall pay the county probation department or other  
33 county agency responsible for collection of funds owed to the  
34 Restitution Fund under Section 13967, as operative on or before  
35 September 28, 1994, Section 1202.4 of the Penal Code, Section  
36 1203.04 of the Penal Code, as operative on or before August 2,  
37 1995, or Section 730.6 of the Welfare and Institutions Code, 10  
38 percent of the funds so owed and collected by the county agency  
39 and deposited in the Restitution Fund. This payment shall be made  
40 only when the funds are deposited in the Restitution Fund within

1 45 days of the end of the month in which the funds are collected.  
2 Receiving 10 percent of the moneys collected as being owed to  
3 the Restitution Fund shall be considered an incentive for collection  
4 efforts and shall be used for furthering these collection efforts.  
5 The 10-percent rebates shall be used to augment the budgets for  
6 the county agencies responsible for collection of funds owed to  
7 the Restitution Fund, as provided in Section 13967, as operative  
8 on or before September 28, 1994, Section 1202.4 of the Penal  
9 Code, Section 1203.04 of the Penal Code, operative on or before  
10 August 2, 1995, or Section 730.6 of the Welfare and Institutions  
11 Code. The 10-percent rebates shall not be used to supplant county  
12 funding.

13 (g) In the event of judgment or award in a suit or claim against  
14 a third party or insurer, if the action or claim is prosecuted by the  
15 recipient alone, the court or agency shall first order paid from any  
16 judgment or award the reasonable litigation expenses incurred in  
17 preparation and prosecution of the action or claim, together with  
18 reasonable attorney's fees when an attorney has been retained.  
19 After payment of the expenses and attorney's fees, the court or  
20 agency shall, on the application of the board, allow as a lien against  
21 the amount of the judgment or award, the amount of the  
22 compensation granted by the board to the recipient for losses  
23 sustained as a result of the same incident upon which the  
24 settlement, award, or judgment is based.

25 (h) For purposes of this section, "recipient" means any person  
26 who has received compensation or will be provided compensation  
27 pursuant to this chapter, including the victim's guardian,  
28 conservator or other personal representative, estate, and survivors.

29 (i) In accordance with subparagraph (B) of paragraph (4) of  
30 subdivision (f) of Section 1202.4 of the Penal Code, a  
31 representative of the board may provide the probation department,  
32 district attorney, and court with information relevant to the board's  
33 losses prior to the imposition of a sentence.

34 SEC. 11. Section 13965 of the Government Code is amended  
35 to read:

36 13965. (a) Any recipient of an overpayment pursuant to this  
37 chapter is liable to repay the board that amount unless both of the  
38 following facts exist:

39 (1) The overpayment was not due to fraud, misrepresentation,  
40 or willful nondisclosure on the part of the recipient.

1 (2) The overpayment was received without fault on the part of  
2 the recipient, and its recovery would be against equity and good  
3 conscience.

4 (b) All actions to collect overpayments shall commence within  
5 seven years from the date of the overpayment. However, an action  
6 to collect an overpayment due to fraud, misrepresentation, or  
7 willful nondisclosure by the recipient may be commenced at any  
8 time.

9 (c) Any recipient of an overpayment is authorized to contest  
10 the staff recommendation of an overpayment pursuant to the  
11 hearing procedures in Section 13959. If a final determination is  
12 made by the board that an overpayment exists, the board may  
13 collect the overpayment in any manner prescribed by law.

14 (d) All overpayments exceeding two thousand dollars (\$2,000)  
15 shall be reported to the Legislature pursuant to Section 13928 and  
16 the relief from liability described in subdivision (a) shall be subject  
17 to legislative approval.

4 payment. In no event shall a claim be approved by the board under  
5 this article in excess of ten thousand dollars (\$10,000).

17 SEC. 15. Section 1202.4 of the Penal Code is amended to read:

18 1202.4. (a) (1) It is the intent of the Legislature that a victim  
19 of crime who incurs an economic loss as a result of the commission  
20 of a crime shall receive restitution directly from a defendant  
21 convicted of that crime.

22 (2) Upon a person being convicted of a crime in the State of  
23 California, the court shall order the defendant to pay a fine in the  
24 form of a penalty assessment in accordance with Section 1464.

25 (3) The court, in addition to any other penalty provided or  
26 imposed under the law, shall order the defendant to pay both of  
27 the following:

28 (A) A restitution fine in accordance with subdivision (b).

29 (B) Restitution to the victim or victims, if any, in accordance  
30 with subdivision (f), which shall be enforceable as if the order  
31 were a civil judgment.

32 (b) In every case where a person is convicted of a crime, the  
33 court shall impose a separate and additional restitution fine, unless  
34 it finds compelling and extraordinary reasons for not doing so and  
35 states those reasons on the record.

36 (1) The restitution fine shall be set at the discretion of the court  
37 and commensurate with the seriousness of the offense. If the person  
38 is convicted of a felony, the fine shall not be less than two hundred  
39 forty dollars (\$240) starting on January 1, 2012, two hundred eighty  
40 dollars (\$280) starting on January 1, 2013, and three hundred

1 dollars (\$300) starting on January 1, 2014, and not more than ten  
2 thousand dollars (\$10,000). If the person is convicted of a  
3 misdemeanor, the fine shall not be less than one hundred twenty  
4 dollars (\$120) starting on January 1, 2012, one hundred forty  
5 dollars (\$140) starting on January 1, 2013, and one hundred fifty  
6 dollars (\$150) starting on January 1, 2014, and not more than one  
7 thousand dollars (\$1,000).

8 (2) In setting a felony restitution fine, the court may determine  
9 the amount of the fine as the product of the minimum fine pursuant  
10 to paragraph (1) multiplied by the number of years of imprisonment  
11 the defendant is ordered to serve, multiplied by the number of  
12 felony counts of which the defendant is convicted.

13 (c) The court shall impose the restitution fine unless it finds  
14 compelling and extraordinary reasons for not doing so and states  
15 those reasons on the record. A defendant's inability to pay shall  
16 not be considered a compelling and extraordinary reason not to  
17 impose a restitution fine. Inability to pay may be considered only  
18 in increasing the amount of the restitution fine in excess of the  
19 minimum fine pursuant to paragraph (1) of subdivision (b). The  
20 court may specify that funds confiscated at the time of the  
21 defendant's arrest, except for funds confiscated pursuant to Section  
22 11469 of the Health and Safety Code, be applied to the restitution  
23 fine if the funds are not exempt for spousal or child support or  
24 subject to any other legal exemption.

25 (d) In setting the amount of the fine pursuant to subdivision (b)  
26 in excess of the minimum fine pursuant to paragraph (1) of  
27 subdivision (b), the court shall consider any relevant factors,  
28 including, but not limited to, the defendant's inability to pay, the  
29 seriousness and gravity of the offense and the circumstances of its  
30 commission, any economic gain derived by the defendant as a  
31 result of the crime, the extent to which any other person suffered  
32 losses as a result of the crime, and the number of victims involved  
33 in the crime. Those losses may include pecuniary losses to the  
34 victim or his or her dependents as well as intangible losses, such  
35 as psychological harm caused by the crime. Consideration of a  
36 defendant's inability to pay may include his or her future earning  
37 capacity. A defendant shall bear the burden of demonstrating his  
38 or her inability to pay. Express findings by the court as to the  
39 factors bearing on the amount of the fine shall not be required. A  
40 separate hearing for the fine shall not be required.

1 (e) The restitution fine shall not be subject to penalty  
2 assessments authorized in Section 1464 or Chapter 12  
3 (commencing with Section 76000) of Title 8 of the Government  
4 Code, or the state surcharge authorized in Section 1465.7, and  
5 shall be deposited in the Restitution Fund in the State Treasury.

6 (f) Except as provided in subdivisions (q) and (r), in every case  
7 in which a victim has suffered economic loss as a result of the  
8 defendant's conduct, the court shall require that the defendant  
9 make restitution to the victim or victims in an amount established  
10 by court order, based on the amount of loss claimed by the victim  
11 or victims or any other showing to the court. If the amount of loss  
12 cannot be ascertained at the time of sentencing, the restitution  
13 order shall include a provision that the amount shall be determined  
14 at the direction of the court. The court shall order full restitution  
15 unless it finds compelling and extraordinary reasons for not doing  
16 so and states them on the record. The court may specify that funds  
17 confiscated at the time of the defendant's arrest, except for funds  
18 confiscated pursuant to Section 11469 of the Health and Safety  
19 Code, be applied to the restitution order if the funds are not exempt  
20 for spousal or child support or subject to any other legal exemption.

21 (1) The defendant has the right to a hearing before a judge to  
22 dispute the determination of the amount of restitution. The court  
23 may modify the amount, on its own motion or on the motion of  
24 the district attorney, the victim or victims, or the defendant. If a  
25 motion is made for modification of a restitution order, the victim  
26 shall be notified of that motion at least 10 days prior to the  
27 proceeding held to decide the motion. A victim at a restitution  
28 hearing or modification hearing described in this paragraph may  
29 testify by live, two-way audio and video transmission, if testimony  
30 by live, two-way audio and video transmission is available at the  
31 court.

32 (2) Determination of the amount of restitution ordered pursuant  
33 to this subdivision shall not be affected by the indemnification or  
34 subrogation rights of a third party. Restitution ordered pursuant to  
35 this subdivision shall be ordered to be deposited to the Restitution  
36 Fund to the extent that the victim, as defined in subdivision (k),  
37 has received assistance from the California Victim Compensation  
38 and Government Claims Board pursuant to Chapter 5 (commencing  
39 with Section 13950) of Part 4 of Division 3 of Title 2 of the  
40 Government Code.

1 (3) To the extent possible, the restitution order shall be prepared  
2 by the sentencing court, shall identify each victim and each loss  
3 to which it pertains, and shall be of a dollar amount that is sufficient  
4 to fully reimburse the victim or victims for every determined  
5 economic loss incurred as the result of the defendant's criminal  
6 conduct, including, but not limited to, all of the following:

7 (A) Full or partial payment for the value of stolen or damaged  
8 property. The value of stolen or damaged property shall be the  
9 replacement cost of like property, or the actual cost of repairing  
10 the property when repair is possible.

11 (B) Medical expenses.

12 (C) Mental health counseling expenses.

13 (D) Wages or profits lost due to injury incurred by the victim,  
14 and if the victim is a minor, wages or profits lost by the minor's  
15 parent, parents, guardian, or guardians, while caring for the injured  
16 minor. Lost wages shall include commission income as well as  
17 base wages. Commission income shall be established by evidence  
18 of commission income during the 12-month period prior to the  
19 date of the crime for which restitution is being ordered, unless  
20 good cause for a shorter time period is shown.

21 (E) Wages or profits lost by the victim, and if the victim is a  
22 minor, wages or profits lost by the minor's parent, parents,  
23 guardian, or guardians, due to time spent as a witness or in assisting  
24 the police or prosecution. Lost wages shall include commission  
25 income as well as base wages. Commission income shall be  
26 established by evidence of commission income during the  
27 12-month period prior to the date of the crime for which restitution  
28 is being ordered, unless good cause for a shorter time period is  
29 shown.

30 (F) Noneconomic losses, including, but not limited to,  
31 psychological harm, for felony violations of Section 288.

32 (G) Interest, at the rate of 10 percent per annum, that accrues  
33 as of the date of sentencing or loss, as determined by the court.

34 (H) Actual and reasonable attorney's fees and other costs of  
35 collection accrued by a private entity on behalf of the victim.

36 (I) Expenses incurred by an adult victim in relocating away  
37 from the defendant, including, but not limited to, deposits for  
38 utilities and telephone service, deposits for rental housing,  
39 temporary lodging and food expenses, clothing, and personal items.  
40 Expenses incurred pursuant to this section shall be verified by law

1 enforcement to be necessary for the personal safety of the victim  
2 or by a mental health treatment provider to be necessary for the  
3 emotional well-being of the victim.

4 (J) Expenses to install or increase residential security incurred  
5 related to a violent felony, as defined in subdivision (c) of Section  
6 667.5, including, but not limited to, a home security device or  
7 system, or replacing or increasing the number of locks.

8 (K) Expenses to retrofit a residence or vehicle, or both, to make  
9 the residence accessible to or the vehicle operational by the victim,  
10 if the victim is permanently disabled, whether the disability is  
11 partial or total, as a direct result of the crime.

12 (L) Expenses for a period of time reasonably necessary to make  
13 the victim whole, for the costs to monitor the credit report of, and  
14 for the costs to repair the credit of, a victim of identity theft, as  
15 defined in Section 530.5.

16 (4) (A) If, as a result of the defendant's conduct, the Restitution  
17 Fund has provided assistance to or on behalf of a victim or  
18 derivative victim pursuant to Chapter 5 (commencing with Section  
19 13950) of Part 4 of Division 3 of Title 2 of the Government Code,  
20 the amount of assistance provided shall be presumed to be a direct  
21 result of the defendant's criminal conduct and shall be included  
22 in the amount of the restitution ordered.

23 (B) The amount of assistance provided by the Restitution Fund  
24 shall be established by copies of bills submitted to the California  
25 Victim Compensation and Government Claims Board reflecting  
26 the amount paid by the board and whether the services for which  
27 payment was made were for medical or dental expenses, funeral  
28 or burial expenses, mental health counseling, wage or support  
29 losses, or rehabilitation. Certified copies of these bills provided  
30 by the board and redacted to protect the privacy and safety of the  
31 victim or any legal privilege, together with a statement made under  
32 penalty of perjury by the custodian of records that those bills were  
33 submitted to and were paid by the board, shall be sufficient to meet  
34 this requirement.

35 (C) If the defendant offers evidence to rebut the presumption  
36 established by this paragraph, the court may release additional  
37 information contained in the records of the board to the defendant  
38 only after reviewing that information in camera and finding that  
39 the information is necessary for the defendant to dispute the amount  
40 of the restitution order.

1 (5) Except as provided in paragraph (6), in any case in which  
2 an order may be entered pursuant to this subdivision, the defendant  
3 shall prepare and file a disclosure identifying all assets, income,  
4 and liabilities in which the defendant held or controlled a present  
5 or future interest as of the date of the defendant's arrest for the  
6 crime for which restitution may be ordered. The financial disclosure  
7 statements shall be made available to the victim and the board  
8 pursuant to Section 1214. The disclosure shall be signed by the  
9 defendant upon a form approved or adopted by the Judicial Council  
10 for the purpose of facilitating the disclosure. A defendant who  
11 willfully states as true a material matter that he or she knows to  
12 be false on the disclosure required by this subdivision is guilty of  
13 a misdemeanor, unless this conduct is punishable as perjury or  
14 another provision of law provides for a greater penalty.

15 (6) A defendant who fails to file the financial disclosure required  
16 in paragraph (5), but who has filed a financial affidavit or financial  
17 information pursuant to subdivision (c) of Section 987, shall be  
18 deemed to have waived the confidentiality of that affidavit or  
19 financial information as to a victim in whose favor the order of  
20 restitution is entered pursuant to subdivision (f). The affidavit or  
21 information shall serve in lieu of the financial disclosure required  
22 in paragraph (5), and paragraphs (7) to (10), inclusive, shall not  
23 apply.

24 (7) Except as provided in paragraph (6), the defendant shall file  
25 the disclosure with the clerk of the court no later than the date set  
26 for the defendant's sentencing, unless otherwise directed by the  
27 court. The disclosure may be inspected or copied as provided by  
28 subdivision (b), (c), or (d) of Section 1203.05.

29 (8) In its discretion, the court may relieve the defendant of the  
30 duty under paragraph (7) of filing with the clerk by requiring that  
31 the defendant's disclosure be submitted as an attachment to, and  
32 be available to, those authorized to receive the following:

33 (A) A report submitted pursuant to subparagraph (C) of  
34 paragraph (2) of subdivision (b) of Section 1203 or subdivision  
35 (g) of Section 1203.

36 (B) A stipulation submitted pursuant to paragraph (4) of  
37 subdivision (b) of Section 1203.

38 (C) A report by the probation officer, or information submitted  
39 by the defendant applying for a conditional sentence pursuant to  
40 subdivision (d) of Section 1203.

1 (9) The court may consider a defendant’s unreasonable failure  
2 to make a complete disclosure pursuant to paragraph (5) as any of  
3 the following:

4 (A) A circumstance in aggravation of the crime in imposing a  
5 term under subdivision (b) of Section 1170.

6 (B) A factor indicating that the interests of justice would not be  
7 served by admitting the defendant to probation under Section 1203.

8 (C) A factor indicating that the interests of justice would not be  
9 served by conditionally sentencing the defendant under Section  
10 1203.

11 (D) A factor indicating that the interests of justice would not  
12 be served by imposing less than the maximum fine and sentence  
13 fixed by law for the case.

14 (10) A defendant’s failure or refusal to make the required  
15 disclosure pursuant to paragraph (5) shall not delay entry of an  
16 order of restitution or pronouncement of sentence. In appropriate  
17 cases, the court may do any of the following:

18 (A) Require the defendant to be examined by the district attorney  
19 pursuant to subdivision (h).

20 (B) If sentencing the defendant under Section 1170, provide  
21 that the victim shall receive a copy of the portion of the probation  
22 report filed pursuant to Section 1203.10 concerning the defendant’s  
23 employment, occupation, finances, and liabilities.

24 (C) If sentencing the defendant under Section 1203, set a date  
25 and place for submission of the disclosure required by paragraph  
26 (5) as a condition of probation or suspended sentence.

27 (11) If a defendant has any remaining unpaid balance on a  
28 restitution order or fine 120 days prior to his or her scheduled  
29 release from probation or 120 days prior to his or her completion  
30 of a conditional sentence, the defendant shall prepare and file a  
31 new and updated financial disclosure identifying all assets, income,  
32 and liabilities in which the defendant holds or controls or has held  
33 or controlled a present or future interest during the defendant’s  
34 period of probation or conditional sentence. The financial  
35 disclosure shall be made available to the victim and the board  
36 pursuant to Section 1214. The disclosure shall be signed and  
37 prepared by the defendant on the same form as described in  
38 paragraph (5). A defendant who willfully states as true a material  
39 matter that he or she knows to be false on the disclosure required  
40 by this subdivision is guilty of a misdemeanor, unless this conduct

1 is punishable as perjury or another provision of law provides for  
2 a greater penalty. The financial disclosure required by this  
3 paragraph shall be filed with the clerk of the court no later than  
4 90 days prior to the defendant's scheduled release from probation  
5 or completion of the defendant's conditional sentence.

6 (12) In cases where an employer is convicted of a crime against  
7 an employee, a payment to the employee or the employee's  
8 dependent that is made by the employer's workers' compensation  
9 insurance carrier shall not be used to offset the amount of the  
10 restitution order unless the court finds that the defendant  
11 substantially met the obligation to pay premiums for that insurance  
12 coverage.

13 (g) The court shall order full restitution unless it finds  
14 compelling and extraordinary reasons for not doing so and states  
15 those reasons on the record. A defendant's inability to pay shall  
16 not be considered a compelling and extraordinary reason not to  
17 impose a restitution order, nor shall inability to pay be a  
18 consideration in determining the amount of a restitution order.

19 (h) The district attorney may request an order of examination  
20 pursuant to the procedures specified in Article 2 (commencing  
21 with Section 708.110) of Chapter 6 of Division 2 of Title 9 of Part  
22 2 of the Code of Civil Procedure, in order to determine the  
23 defendant's financial assets for purposes of collecting on the  
24 restitution order.

25 (i) A restitution order imposed pursuant to subdivision (f) shall  
26 be enforceable as if the order were a civil judgment.

27 (j) The making of a restitution order pursuant to subdivision (f)  
28 shall not affect the right of a victim to recovery from the Restitution  
29 Fund as otherwise provided by law, except to the extent that  
30 restitution is actually collected pursuant to the order. Restitution  
31 collected pursuant to this subdivision shall be credited to any other  
32 judgments for the same losses obtained against the defendant  
33 arising out of the crime for which the defendant was convicted.

34 (k) For purposes of this section, "victim" shall include all of  
35 the following:

36 (1) The immediate surviving family of the actual victim.

37 (2) A corporation, business trust, estate, trust, partnership,  
38 association, joint venture, government, governmental subdivision,  
39 agency, or instrumentality, or any other legal or commercial entity  
40 when that entity is a direct victim of a crime.

1 (3) A person who has sustained economic loss as the result of  
2 a crime and who satisfies any of the following conditions:

3 (A) At the time of the crime was the parent, grandparent, sibling,  
4 spouse, child, or grandchild of the victim.

5 (B) At the time of the crime was living in the household of the  
6 victim.

7 (C) At the time of the crime was a person who had previously  
8 lived in the household of the victim for a period of not less than  
9 two years in a relationship substantially similar to a relationship  
10 listed in subparagraph (A).

11 (D) Is another family member of the victim, including, but not  
12 limited to, the victim's fiancé or fiancée, and who witnessed the  
13 crime.

14 (E) Is the primary caretaker of a minor victim.

15 (4) A person who is eligible to receive assistance from the  
16 Restitution Fund pursuant to Chapter 5 (commencing with Section  
17 13950) of Part 4 of Division 3 of Title 2 of the Government Code.

18 (5) A governmental entity that is responsible for repairing,  
19 replacing, or restoring public or privately owned property that has  
20 been defaced with graffiti or other inscribed material, as defined  
21 in subdivision (e) of Section 594, and that has sustained an  
22 economic loss as the result of a violation of Section 594, 594.3,  
23 594.4, 640.5, 640.6, or 640.7.

24 (l) At its discretion, the board of supervisors of a county may  
25 impose a fee to cover the actual administrative cost of collecting  
26 the restitution fine, not to exceed 10 percent of the amount ordered  
27 to be paid, to be added to the restitution fine and included in the  
28 order of the court, the proceeds of which shall be deposited in the  
29 general fund of the county.

30 (m) In every case in which the defendant is granted probation,  
31 the court shall make the payment of restitution fines and orders  
32 imposed pursuant to this section a condition of probation. Any  
33 portion of a restitution order that remains unsatisfied after a  
34 defendant is no longer on probation shall continue to be enforceable  
35 by a victim pursuant to Section 1214 until the obligation is  
36 satisfied.

37 (n) If the court finds and states on the record compelling and  
38 extraordinary reasons why a restitution fine or full restitution order  
39 should not be required, the court shall order, as a condition of  
40 probation, that the defendant perform specified community service,

1 unless it finds and states on the record compelling and  
2 extraordinary reasons not to require community service in addition  
3 to the finding that restitution should not be required. Upon  
4 revocation of probation, the court shall impose restitution pursuant  
5 to this section.

6 (o) The provisions of Section 13963 of the Government Code  
7 shall apply to restitution imposed pursuant to this section.

8 (p) The court clerk shall notify the California Victim  
9 Compensation and Government Claims Board within 90 days of  
10 an order of restitution being imposed if the defendant is ordered  
11 to pay restitution to the board due to the victim receiving  
12 compensation from the Restitution Fund. Notification shall be  
13 accomplished by mailing a copy of the court order to the board,  
14 which may be done periodically by bulk mail or email.

15 (q) Upon conviction for a violation of Section 236.1, the court  
16 shall, in addition to any other penalty or restitution, order the  
17 defendant to pay restitution to the victim in a case in which a victim  
18 has suffered economic loss as a result of the defendant's conduct.  
19 The court shall require that the defendant make restitution to the  
20 victim or victims in an amount established by court order, based  
21 on the amount of loss claimed by the victim or victims or another  
22 showing to the court. In determining restitution pursuant to this  
23 section, the court shall base its order upon the greater of the  
24 following: the gross value of the victim's labor or services based  
25 upon the comparable value of similar services in the labor market  
26 in which the offense occurred, or the value of the victim's labor  
27 as guaranteed under California law, or the actual income derived  
28 by the defendant from the victim's labor or services or any other  
29 appropriate means to provide reparations to the victim.

30 (r) (1) In addition to any other penalty or fine, the court shall  
31 order a person who has been convicted of a violation of Section  
32 350, 653h, 653s, 653u, 653w, or 653aa that involves a recording  
33 or audiovisual work to make restitution to an owner or lawful  
34 producer, or trade association acting on behalf of the owner or  
35 lawful producer, of a phonograph record, disc, wire, tape, film, or  
36 other device or article from which sounds or visual images are  
37 derived that suffered economic loss resulting from the violation.  
38 The order of restitution shall be based on the aggregate wholesale  
39 value of lawfully manufactured and authorized devices or articles  
40 from which sounds or visual images are devised corresponding to

1 the number of nonconforming devices or articles involved in the  
2 offense, unless a higher value can be proved in the case of (A) an  
3 unreleased audio work, or (B) an audiovisual work that, at the time  
4 of unauthorized distribution, has not been made available in copies  
5 for sale to the general public in the United States on a digital  
6 versatile disc. For purposes of this subdivision, possession of  
7 nonconforming devices or articles intended for sale constitutes  
8 actual economic loss to an owner or lawful producer in the form  
9 of displaced legitimate wholesale purchases. The order of  
10 restitution shall also include reasonable costs incurred as a result  
11 of an investigation of the violation undertaken by the owner, lawful  
12 producer, or trade association acting on behalf of the owner or  
13 lawful producer. “Aggregate wholesale value” means the average  
14 wholesale value of lawfully manufactured and authorized sound  
15 or audiovisual recordings. Proof of the specific wholesale value  
16 of each nonconforming device or article is not required.

17 (2) As used in this subdivision, “audiovisual work” and  
18 “recording” shall have the same meaning as in Section 653w.

19 SEC. 16. Section 2085.5 of the Penal Code is amended to read:

20 2085.5. (a) In any case in which a prisoner owes a restitution  
21 fine imposed pursuant to subdivision (a) of Section 13967 of the  
22 Government Code, as operative prior to September 29, 1994,  
23 subdivision (b) of Section 730.6 of the Welfare and Institutions  
24 Code, or subdivision (b) of Section 1202.4, the Secretary of the  
25 Department of Corrections and Rehabilitation shall deduct a  
26 minimum of 20 percent or the balance owing on the fine amount,  
27 whichever is less, up to a maximum of 50 percent from the wages  
28 and trust account deposits of a prisoner, unless prohibited by  
29 federal law, and shall transfer that amount to the California Victim  
30 Compensation and Government Claims Board for deposit in the  
31 Restitution Fund in the State Treasury. The amount deducted shall  
32 be credited against the amount owing on the fine. The sentencing  
33 court shall be provided a record of the payments.

34 (b) (1) When a prisoner is punished by imprisonment in a  
35 county jail pursuant to subdivision (h) of Section 1170, in any case  
36 in which a prisoner owes a restitution fine imposed pursuant to  
37 subdivision (a) of Section 13967 of the Government Code, as  
38 operative prior to September 29, 1994, subdivision (b) of Section  
39 730.6 of the Welfare and Institutions Code, or subdivision (b) of  
40 Section 1202.4, the agency designated by the board of supervisors

1 in the county where the prisoner is incarcerated is authorized to  
2 deduct a minimum of 20 percent or the balance owing on the fine

40 jail pursuant to subdivision (h) of Section 1170 and that prisoner

1 has both a restitution fine and a restitution order from the  
2 sentencing court, if the agency designated by the board of  
3 supervisors in the county where the prisoner is incarcerated collects  
4 the fine and order, the agency shall collect the restitution order  
5 first pursuant to subdivision (d).

16 received from funds other than the inmate's wages, that money  
17 shall be exempt from restitution deductions. This exemption shall  
18 apply to the actual amount spent on food for the visit up to a  
19 maximum of fifty dollars (\$50) for visits that include the inmate

10 If the restitution payment to a victim is less than twenty-five dollars  
11 (\$25), then payment need not be forwarded to that victim until the  
12 payment reaches twenty-five dollars (\$25) or when the victim  
13 requests payment of the lesser amount.

14 (2) If a victim cannot be located, the restitution revenues  
15 received by the California Victim Compensation and Government

17 Restitution Fund until the end of the state fiscal year subsequent  
18 to the state fiscal year in which the funds were deposited or until  
19 the time that the victim has provided current address information,
