Assembly Bill No. 1140

CHAPTER 569

An act to amend Sections 13952, 13954, 13955, 13956, 13957, 13957.5, 13957.7, 13957.9, 13959, 13963, 13965, 13971, 13972, and 13973 of the Government Code, and to amend Sections 1202.4 and 2085.5 of the Penal Code, relating to crime victims, and making an appropriation therefor.

[Approved by Governor October 7, 2015. Filed with Secretary of State October 7, 2015.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1140, Bonta. Crime victims.

(1) Existing law generally provides for the compensation of victims and derivative victims of specified types of crimes by the California Victim Compensation and Government Claims Board from the Restitution Fund, a continuously appropriated fund, for specified losses suffered as a result of those crimes. Existing law sets forth eligibility requirements and limits on the amount of compensation the board may award, and requires the application for compensation to be verified under penalty of perjury. Existing law authorizes the board to recognize an authorized representative of a victim or derivative victim, including an attorney, the legal guardian, conservator, immediate family member, parent, or relative caregiver, certified victim assistance advocate, county social worker, or other persons, as specified, to represent the victim or derivative victim pursuant to rules adopted by the board.

This bill would expand the term “authorized representative” to mean any person designated by law or any person who has written authorization by the victim or derivative victim, excluding a medical or mental health provider who has provided services to the victim or derivative victim. The bill would require the initial application materials sent by the board to an applicant to be written in English, Spanish, Chinese, Vietnamese, Korean, East Armenian, Tagalog, Russian, Arabic, Farsi, Hmong, Khmer, Punjabi, and Lao, and further require, if the applicant selects one of these languages, the board to send all subsequent communications in that language.

(2) Existing law requires the board to verify any information it deems pertinent to an application for compensation, and requires the victim and the applicant, if other than the victim, to cooperate with the staff of the board or a victim and witness assistance center in this task. Existing law authorizes the board to reject an application solely on the basis that the victim or applicant failed to cooperate as required.

This bill would instead require the applicant to cooperate in verifying the application and would specify the circumstances under which an applicant may be found to have failed to cooperate with the board. The bill would
prohibit the board from requiring an applicant to submit documentation from the Internal Revenue Service, the Franchise Tax Board, the State Board of Equalization, the Social Security Administration, or the Employment Development Department to determine eligibility for compensation, but would specifically authorize the board to require and use documentation from these entities to verify the amount of compensation for income or support loss.

(3) Existing law requires every law enforcement and social service agency in the state to provide to the board or to a contracted victim center reports involving the crime, public offense, or incident giving rise to a claim, for the specific purpose of the submission of a claim or the determination of eligibility to submit a claim.

This bill would instead require law enforcement and social service agencies to provide a complete copy of the law enforcement report and other supplemental reports and documents for the purpose of determining the eligibility of a claim.

(4) Existing law requires a victim or derivative victim seeking compensation to have sustained one or more specified physical or emotional injuries, or pecuniary losses, as a direct result of the crime. Existing law includes among those injuries emotional injury that occurred due to a violation of provisions prohibiting child abduction, as specified, if the deprivation of custody endured for 30 calendar days or more.

This bill would include among those injuries emotional injury that occurred due to a violation of provisions prohibiting publishing or disseminating via an electronic communication device personal identifying information or a digital image of another person, without consent of the other person, and for the purpose of causing that other person injury or harassment, by a 3rd party. The bill would also require, in the case of emotional injury caused by a child abduction, only that criminal charges were filed.

The bill would also include among those injuries emotional injury to a minor victim that incurred as a direct result of the nonconsensual distribution of pictures or video of sexual conduct in which the minor appears. The bill would limit compensation for this type of injury to mental health counseling for the victim, and prohibit compensation to a derivative victim in this regard.

(5) Existing law, until January 1, 2017, authorizes the board to reimburse a crime victim or derivative victim for the amount of outpatient violence peer counseling-related expenses incurred by the victim or derivative victim from, among others, a service organization for victims of violent crime, as specified, and defines the term “violence peer counselor” as a provider of formal or informal counseling services who is employed by a service organization for victims of violent crime and meets specified requirements, including, among others, that he or she possesses at least 6 months of full-time equivalent experience in providing peer support services.

This bill would specify that a service organization for victims of violent crime is a nonprofit and charitable organization instead of a nongovernmental
organization. The bill would require that any peer counseling services that fall under the scope of practice of certain acts, including, among others, the Clinical Social Worker Practice Act, be performed by a licensee or a registrant of the Board of Behavioral Sciences or other appropriately licensed professional unless in an exempt setting. The bill would change the definition of “violence peer counselor” to a provider of supportive and nonpsychotherapeutic peer counseling services.

(6) Existing law requires the board to deny an application if it finds that the victim or derivative victim knowingly and willingly participated in the commission of the crime that resulted in the pecuniary loss for which compensation is being sought, except as specified.

This bill would instead authorize an application for compensation to be denied, in whole or in part, if the board finds that denial is appropriate based upon consideration of specified factors in determining the nature of the victim’s or other applicant’s involvement in the events leading to the crime, or the involvement of the person whose injury or death gives rise to the application, and specified factors that may be considered to mitigate or overcome that involvement.

(7) Existing law requires an application to be denied if the victim failed to cooperate reasonably with law enforcement in apprehending and convicting the person who committed the crime.

This bill would prohibit a victim of domestic violence from being determined to have failed to cooperate based on his or her conduct with law enforcement at the scene of the crime, and would prohibit lack of cooperation from being found solely because a victim of sexual assault, domestic violence, or human trafficking delayed reporting the qualifying crime. The bill would also prohibit a claim based on a sexual assault from being denied solely because a police report was not made by the victim. The bill would require the board to adopt guidelines that allow it to consider and approve applications for assistance based on a sexual assault relying upon evidence other than a police report to establish that a sexual assault crime has occurred.

(8) Existing law prohibits any person who is convicted of a felony from being granted compensation until he or she has been discharged from probation or has been released from a correctional institution, and has been discharged from parole, if any. Existing law prohibits compensation from being granted to an applicant being held in a correctional institution. Existing law prioritizes the applications of victims who are not felons over those who are felons who have been discharged from probation or have been released from a correctional institution, and have been discharged from parole.

This bill would instead prohibit any person who is convicted of a violent felony, as specified, from being granted compensation until he or she is discharged from probation or released from a correctional institution, and discharged from parole, or until he or she is discharged from postrelease community supervision or mandatory supervision. This bill would also prohibit compensation from being granted to an applicant while he or she
is required to be registered as a sex offender. This bill would remove provisions prioritizing the applications of victims who are not felons.

(9) Existing law authorizes derivative victims, including parents and siblings, of a victim of a crime that directly led to the death of the victim, to be reimbursed for the expense of their outpatient mental health counseling. This bill would include grandparents and grandchildren among those derivative victims who are eligible to be reimbursed for their mental health counseling. Because an application for reimbursement is required to be submitted under penalty of perjury, this bill would expand the definition of a crime and thus impose a state-mandated local program.

(10) Existing law limits the reimbursement amount for outpatient mental health counseling of a victim of a crime of unlawful intercourse with a minor in which a person 21 years of age or older engaged in an act of unlawful sexual intercourse with a minor who was under 16 years of age to an amount not exceeding $5,000. Existing law prohibits a derivative victim of that crime from being eligible to receive reimbursement for mental health counseling expenses.

This bill would remove provisions limiting this reimbursement of a victim of a crime of unlawful intercourse with a minor, as described above, and remove provisions prohibiting a derivative victim of that crime from being eligible to receive reimbursement for mental health counseling expenses.

(11) Existing law authorizes the board to grant reimbursement for pecuniary loss of the expense of nonmedical remedial care and treatment rendered in accordance with a religious method of healing recognized by state law if it determines it will best aid the person seeking compensation.

This bill would remove this provision authorizing reimbursement for this type of care or treatment.

(12) Existing law authorizes the board to grant for pecuniary loss if it determines it will best aid the person seeking compensation reimbursement for the expense of installing or increasing residential security, if it receives verification by law enforcement that the security measures are necessary for the personal safety of the claimant or verification by a mental health treatment provider that the security measures are necessary for the emotional well-being of the claimant.

This bill would remove the provisions requiring the verification by law enforcement or a mental health treatment provider described above.

(13) Existing law also allows reimbursement for renovating or retrofitting a victim’s residence or vehicle for a victim permanently disabled by the crime, as specified.

The bill would also allow reimbursement for the purchase of a vehicle for a victim permanently disabled by the crime.

(14) Existing law authorizes the board to provide a cash payment to a victim for expenses incurred in relocating, as specified, and requires a victim of sexual assault or domestic violence, who receives a relocation payment to, among other things, agree not to allow the offender on the premises at any time. Existing law also authorizes the board to provide reimbursement to any individual who voluntarily, and without anticipation of personal gain,
pays or assumes the obligation to pay the reasonable costs to clean the scene of the crime inside a residence in an amount not to exceed $1,000, or a crime victim’s funeral or burial expenses, up to $7,500, as specified.

This bill would authorize the board to require a victim to repay the relocation payment or reimbursement to the board if he or she violates those terms. The bill would also require the board to be named as the recipient of funds upon the expiration of a rental agreement if a security deposit was required for a relocation.

This bill would also authorize the board to reimburse any individual who voluntarily, and without anticipation of personal gain, pays or assumes the obligation to pay the reasonable costs for a trauma scene waste practitioner to clean the scene of the crime if the crime occurred inside a vehicle. The bill would prohibit the board from creating or complying with a regulation or policy that mandates a lower maximum potential amount of an award for the compensation of a crime victim’s funeral or burial expenses than prescribed by statute.

(15) Existing law authorizes the board to pay attorney’s fees for legal services rendered to an applicant, in an amount equal to 10% of the amount of the award, or $500, whichever is less, for each victim and each derivative victim.

This bill would authorize the board to request that an attorney provide verification, and to contact an applicant to verify, that legal services were provided.

(16) Existing law requires the board to grant a hearing to an applicant who contests a staff recommendation to deny compensation. Existing law requires the board to schedule the hearing in as convenient a location as possible if the applicant’s presence is required. Existing law authorizes the board to grant no more than one request for reconsideration with respect to any one decision on an application for compensation.

This bill would also authorize the hearing to be conducted by telephone. The bill would also prohibit evidence submitted after the board has denied a request for reconsideration from being considered unless the board chooses to reconsider its decision on its own motion.

(17) Existing law provides that the board is entitled to a lien on any judgment, award, or settlement in favor of or on behalf of the recipient for losses suffered as a direct result of the crime that was the basis for receipt of compensation in the amount of the compensation granted by the board. If a claim is filed within one year of the date of recovery, the board is required to pay 25% of the amount of the recovery that is subject to a lien on the judgment, award, or settlement, to the recipient responsible for recovery thereof from the perpetrator of the crime, provided that the total amount of the lien is recovered and the remaining 75% is deposited in the Restitution Fund, a continuously appropriated fund.

This bill would instead require the board to pay 25% of the amount of the recovery that is subject to a lien on the judgment, award, or settlement, to the recipient responsible for recovery only if the recipient notified the board of the action prior to receiving any recovery with the remainder being
deposited into the Restitution Fund. By increasing deposits to be made to a continuously appropriated fund, this bill would make an appropriation.

(18) Under existing law, a person who has been overpaid pursuant to these provisions governing victim compensation is liable for that amount, except as specified.

This bill would require that all actions to collect overpayments be commenced within 7 years of the date of the overpayment, except as specified. The bill would also authorize any recipient of an overpayment to contest the related staff recommendation.

(19) Existing law authorizes a private citizen, his or her surviving spouse, his or her surviving children, or a person dependent upon the citizen for his or her principal support to file a claim for indemnification, as specified, if the private citizen incurred personal injury, death, or damage to his or her property in preventing the commission of a crime, in apprehending a criminal, or rescuing a person in immediate danger of injury or death as a result of fire, drowning, or other catastrophe. Existing law defines “private citizen” for this and related provisions as a natural person except as specified.

This bill would also authorize any person who is legally liable for the citizen’s pecuniary losses to file a claim for indemnification. This bill would revise the definition of “private citizen” to mean a person, except as specified.

(20) Existing law provides that if a parolee or a prisoner owes a specified order of restitution, any moneys owing are collected from the parolee or prisoner, as specified, and transferred to the California Victim Compensation and Government Claims Board for direct payment to the victim. Existing law requires that the victim be paid within 60 days from the date the restitution revenues are received, however, the restitution payment need not be forwarded to that victim unless it is $50 or more, or until 180 days from the date the first payment is received, whichever occurs sooner.

This bill would provide instead that the payment need not be forwarded to the victim until it is $25 or more, or the victim requests payment of the lesser amount.

(21) Existing law requires board hearings to be informal and authorizes these hearings to not be conducted according to the technical rules relating to evidence and witnesses.

This bill would require the board to allow a service animal to accompany and support a witness while testifying at a board hearing.

(22) Existing law requires the court to order a person who is convicted of a crime to pay restitution to the victim or victims for the full amount of economic loss, unless the court finds compelling and extraordinary reasons for not doing so and states them on the record. Existing law provides the defendant the right to a hearing before a judge to dispute the determination of the amount of restitution and authorizes the court to modify the amount of restitution.

This bill would authorize a victim at a restitution or modification hearing to testify by live, 2-way audio and video transmission, if that type of transmission is available at the court.
(23) The bill would make other conforming and nonsubstantive changes.
(24) By expanding the authorizations for use of moneys in the Restitution Fund, a continuously appropriated fund, this bill would make an appropriation.
(25) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.
This bill would provide that no reimbursement is required by this act for a specified reason.
Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 13952 of the Government Code is amended to read:

13952. (a) An application for compensation shall be filed with the board in the manner determined by the board.

(b) (1) The application for compensation shall be verified under penalty of perjury by the individual who is seeking compensation, who may be the victim or derivative victim, or an individual seeking reimbursement for burial, funeral, or crime scene cleanup expenses pursuant to subdivision (a) of Section 13957. If the individual seeking compensation is a minor or is incompetent, the application shall be verified under penalty of perjury or on information and belief by the parent with legal custody, guardian, conservator, or relative caregiver of the victim or derivative victim for whom the application is made. However, if a minor seeks compensation only for expenses for medical, medical-related, psychiatric, psychological, or other mental health counseling-related services and the minor is authorized by statute to consent to those services, the minor may verify the application for compensation under penalty of perjury.

(2) For purposes of this subdivision, “relative caregiver” means a relative as defined in paragraph (2) of subdivision (h) of Section 6550 of the Family Code, who assumed primary responsibility for the child while the child was in the relative’s care and control, and who is not a biological or adoptive parent.

(c) (1) The board may require submission of additional information supporting the application that is reasonably necessary to verify the application and determine eligibility for compensation.

(2) The staff of the board shall determine whether an application for compensation contains all of the information required by the board. If the staff determines that an application does not contain all of the required information, the staff shall communicate that determination to the applicant with a brief statement of the additional information required. The applicant, within 30 calendar days of being notified that the application is incomplete, may either supply the additional information or appeal the staff’s
determination to the board, which shall review the application to determine whether it is complete.

(3) The board shall not require an applicant to submit documentation from the Internal Revenue Service, the Franchise Tax Board, the State Board of Equalization, the Social Security Administration, or the Employment Development Department to determine eligibility for compensation. The board may require and use documentation from these entities to verify the amount of compensation for income or support loss.

(d) (1) The board may recognize an authorized representative of the victim or derivative victim, who shall represent the victim or derivative victim pursuant to rules adopted by the board.

(2) For purposes of this subdivision, “authorized representative” means any of the following:

(A) Any person who has written authorization by the victim or derivative victim. However, a medical or mental health provider, or agent of the medical or mental health provider, who has provided services to the victim or derivative victim shall not be allowed to be an authorized representative.

(B) Any person designated by law including, but not limited to, a legal guardian, conservator, or social worker.

(3) Except for attorney’s fees awarded under this chapter, no authorized representative described in paragraph (2) shall charge, demand, receive, or collect any amount for services rendered under this subdivision.

(4) The initial application materials sent by the board to an applicant shall be written in English, Spanish, Chinese, Vietnamese, Korean, East Armenian, Tagalog, Russian, Arabic, Farsi, Hmong, Khmer, Punjabi, and Lao. If the applicant selects one of the languages listed in this subdivision, the board shall send all subsequent communications in that language.

SEC. 2. Section 13954 of the Government Code is amended to read:

13954. (a) The board shall verify with hospitals, physicians, law enforcement officials, or other interested parties involved, the treatment of the victim or derivative victim, circumstances of the crime, amounts paid or received by or for the victim or derivative victim, and any other pertinent information deemed necessary by the board. Verification information shall be returned to the board within 10 business days after a request for verification has been made by the board. Verification information shall be provided at no cost to the applicant, the board, or victim centers. When requesting verification information, the board shall certify that a signed authorization by the applicant is retained in the applicant’s file and that this certification constitutes actual authorization for the release of information, notwithstanding any other provision of law. If requested by a physician or mental health provider, the board shall provide a copy of the signed authorization for the release of information.

(b) (1) The applicant shall cooperate with the staff of the board or the victim center in the verification of the information contained in the application. Failure to cooperate shall be reported to the board, which, in its discretion, may reject the application solely on this ground.
(A) The applicant has information, or there is information that he or she may reasonably obtain, that is needed to process the application or supplemental claim, and the applicant failed to provide the information after being requested to do so by the board. The board shall take the applicant’s economic, psychosocial, and postcrime traumatic circumstances into consideration, and shall not unreasonably reject an application solely for failure to provide information.

(B) The applicant provided, or caused another to provide, false information regarding the application or supplemental claim.

(C) The applicant refused to apply for other benefits potentially available to him or her from other sources besides the board including, but not limited to, worker’s compensation, state disability insurance, social security benefits, and unemployment insurance.

(D) The applicant threatened violence or bodily harm to a member of the board or staff.

(c) The board may contract with victim centers to provide verification of applications processed by the centers pursuant to conditions stated in subdivision (a). The board and its staff shall cooperate with the Office of Criminal Justice Planning and victim centers in conducting training sessions for center personnel and shall cooperate in the development of standardized verification procedures to be used by the victim centers in the state. The board and its staff shall cooperate with victim centers in disseminating standardized board policies and findings as they relate to the centers.

(d) (1) Notwithstanding Section 827 of the Welfare and Institutions Code or any other provision of law, every law enforcement and social service agency in the state shall provide to the board or to victim centers that have contracts with the board pursuant to subdivision (c), upon request, a complete copy of the law enforcement report and any supplemental reports involving the crime or incident giving rise to a claim, a copy of a petition filed in a juvenile court proceeding, reports of the probation officer, and any other document made available to the probation officer or to the judge, referee, or other hearing officer, for the specific purpose of determining the eligibility of a claim filed pursuant to this chapter.

(2) The board and victim centers receiving records pursuant to this subdivision may not disclose a document that personally identifies a minor to anyone other than the minor who is so identified, his or her custodial parent or guardian, the attorneys for those parties, and any other persons that may be designated by court order. Any information received pursuant to this section shall be received in confidence for the limited purpose for which it was provided and may not be further disseminated. A violation of this subdivision is a misdemeanor punishable by a fine not to exceed five hundred dollars ($500).

(3) The law enforcement agency supplying information pursuant to this section may withhold the names of witnesses or informants from the board,
if the release of those names would be detrimental to the parties or to an investigation in progress.

(e) Notwithstanding any other provision of law, every state agency, upon receipt of a copy of a release signed in accordance with the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code) by the applicant or other authorized representative, shall provide to the board or victim center the information necessary to complete the verification of an application filed pursuant to this chapter.

(f) The Department of Justice shall furnish, upon application of the board, all information necessary to verify the eligibility of any applicant for benefits pursuant to subdivision (c) of Section 13956, to recover any restitution fine or order obligations that are owed to the Restitution Fund or to any victim of crime, or to evaluate the status of any criminal disposition.

(g) A privilege is not waived under Section 912 of the Evidence Code by an applicant consenting to disclosure of an otherwise privileged communication if that disclosure is deemed necessary by the board for verification of the application.

(h) Any verification conducted pursuant to this section shall be subject to the time limits specified in Section 13958.

(i) Any county social worker acting as the applicant for a child victim or elder abuse victim shall not be required to provide personal identification, including, but not limited to, the applicant’s date of birth or social security number. County social workers acting in this capacity shall not be required to sign a promise of repayment to the board.

SEC. 3. Section 13955 of the Government Code is amended to read:

13955. Except as provided in Section 13956, a person shall be eligible for compensation when all of the following requirements are met:

(a) The person for whom compensation is being sought is any of the following:

(1) A victim.
(2) A derivative victim.
(3) (A) A person who is entitled to reimbursement for funeral, burial, or crime scene cleanup expenses pursuant to paragraph (9) or (10) of subdivision (a) of Section 13957.

(B) This paragraph applies without respect to any felon status of the victim.

(b) Either of the following conditions is met:

(1) The crime occurred in California. This paragraph shall apply only during those time periods during which the board determines that federal funds are available to the state for the compensation of victims of crime.

(2) Whether or not the crime occurred in California, the victim was any of the following:

(A) A resident of California.

(B) A member of the military stationed in California.

(C) A family member living with a member of the military stationed in California.
(c) If compensation is being sought for a derivative victim, the derivative victim is a resident of California, or any other state, who is any of the following:

1. At the time of the crime was the parent, grandparent, sibling, spouse, child, or grandchild of the victim.
2. At the time of the crime was living in the household of the victim.
3. At the time of the crime was a person who had previously lived in the household of the victim for a period of not less than two years in a relationship substantially similar to a relationship listed in paragraph (1).
4. Is another family member of the victim, including, but not limited to, the victim’s fiancé or fiancée, and who witnessed the crime.
5. Is the primary caretaker of a minor victim, but was not the primary caretaker at the time of the crime.

(d) The application is timely pursuant to Section 13953.

(e) (1) Except as provided in paragraph (2), the injury or death was a direct result of a crime.

2. Notwithstanding paragraph (1), no act involving the operation of a motor vehicle, aircraft, or water vehicle that results in injury or death constitutes a crime for the purposes of this chapter, except when the injury or death from such an act was any of the following:

A. Intentionally inflicted through the use of a motor vehicle, aircraft, or water vehicle.
B. Caused by a driver who fails to stop at the scene of an accident in violation of Section 20001 of the Vehicle Code.
C. Caused by a person who is under the influence of any alcoholic beverage or drug.
D. Caused by a driver of a motor vehicle in the immediate act of fleeing the scene of a crime in which he or she knowingly and willingly participated.
E. Caused by a person who commits vehicular manslaughter in violation of subdivision (b) of Section 191.5, subdivision (c) of Section 192, or Section 192.5 of the Penal Code.
F. Caused by any party where a peace officer is operating a motor vehicle in an effort to apprehend a suspect, and the suspect is evading, fleeing, or otherwise attempting to elude the peace officer.

(f) As a direct result of the crime, the victim or derivative victim sustained one or more of the following:

1. Physical injury. The board may presume a child who has been the witness of a crime of domestic violence has sustained physical injury. A child who resides in a home where a crime or crimes of domestic violence have occurred may be presumed by the board to have sustained physical injury, regardless of whether the child has witnessed the crime.
2. Emotional injury and a threat of physical injury.
3. Emotional injury, where the crime was a violation of any of the following provisions:
   A. Section 236.1, 261, 262, 271, 273a, 273d, 285, 286, 288, 288a, 288.5, 289, or 653.2, or subdivision (b) or (c) of Section 311.4, of the Penal Code.
(B) Section 270 of the Penal Code, where the emotional injury was a result of conduct other than a failure to pay child support, and criminal charges were filed.

(C) Section 261.5 of the Penal Code, and criminal charges were filed.

(D) Section 278 or 278.5 of the Penal Code, and criminal charges were filed. For purposes of this paragraph, the child, and not the nonoffending parent or other caretaker, shall be deemed the victim.

(4) Injury to, or the death of, a guide, signal, or service dog, as defined in Section 54.1 of the Civil Code, as a result of a violation of Section 600.2 or 600.5 of the Penal Code.

(5) Emotional injury to a victim who is a minor incurred as a direct result of the nonconsensual distribution of pictures or video of sexual conduct in which the minor appears.

(g) The injury or death has resulted or may result in pecuniary loss within the scope of compensation pursuant to Sections 13957 to 13957.7, inclusive.

SEC. 4. Section 13956 of the Government Code is amended to read:

13956. Notwithstanding Section 13955, a person shall not be eligible for compensation under the following conditions:

(a) An application may be denied, in whole or in part, if the board finds that denial is appropriate because of the nature of the victim’s or other applicant’s involvement in the events leading to the crime, or the involvement of the person whose injury or death gives rise to the application.

(1) Factors that may be considered in determining whether the victim or derivative victim was involved in the events leading to the qualifying crime include, but are not limited to:

(A) The victim or derivative victim initiated the qualifying crime, or provoked or aggravated the suspect into initiating the qualifying crime.
(B) The qualifying crime was a reasonably foreseeable consequence of the conduct of the victim or derivative victim.
(C) The victim or derivative victim was committing a crime that could be charged as a felony and reasonably lead to him or her being victimized. However, committing a crime shall not be considered involvement if the victim’s injury or death occurred as a direct result of a crime committed in violation of Section 261, 262, or 273.5 of, or for a crime of unlawful sexual intercourse with a minor in violation of subdivision (d) of Section 261.5 of, the Penal Code.

(2) If the victim is determined to have been involved in the events leading to the qualifying crime, factors that may be considered to mitigate or overcome involvement include, but are not limited to:

(A) The victim’s injuries were significantly more serious than reasonably could have been expected based on the victim’s level of involvement.
(B) A third party interfered in a manner not reasonably foreseeable by the victim or derivative victim.
(C) The board shall consider the victim’s age, physical condition, and psychological state, as well as any compelling health and safety concerns, in determining whether the application should be denied pursuant to this section. The application of a derivative victim of domestic violence under
18 years of age or derivative victim of trafficking under 18 years of age shall not be denied on the basis of the denial of the victim’s application under this subdivision.

(b) (1) An application shall be denied if the board finds that the victim or, if compensation is sought by, or on behalf of, a derivative victim, either the victim or derivative victim failed to cooperate reasonably with a law enforcement agency in the apprehension and conviction of a criminal committing the crime. In determining whether cooperation has been reasonable, the board shall consider the victim’s or derivative victim’s age, physical condition, and psychological state, cultural or linguistic barriers, any compelling health and safety concerns, including, but not limited to, a reasonable fear of retaliation or harm that would jeopardize the well-being of the victim or the victim’s family or the derivative victim or the derivative victim’s family, and giving due consideration to the degree of cooperation of which the victim or derivative victim is capable in light of the presence of any of these factors. A victim of domestic violence shall not be determined to have failed to cooperate based on his or her conduct with law enforcement at the scene of the crime. Lack of cooperation shall also not be found solely because a victim of sexual assault, domestic violence, or human trafficking delayed reporting the qualifying crime.

(2) An application for a claim based on domestic violence shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow the board to consider and approve applications for assistance based on domestic violence relying upon evidence other than a police report to establish that a domestic violence crime has occurred. Factors evidencing that a domestic violence crime has occurred may include, but are not limited to, medical records documenting injuries consistent with allegations of domestic violence, mental health records, or that the victim has obtained a permanent restraining order.

(3) An application for a claim based on a sexual assault shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow it to consider and approve applications for assistance based on a sexual assault relying upon evidence other than a police report to establish that a sexual assault crime has occurred. Factors evidencing that a sexual assault crime has occurred may include, but are not limited to, medical records documenting injuries consistent with allegations of sexual assault, mental health records, or that the victim received a sexual assault examination.

(4) An application for a claim based on human trafficking as defined in Section 236.1 of the Penal Code shall not be denied solely because no police report was made by the victim. The board shall adopt guidelines that allow the board to consider and approve applications for assistance based on human trafficking relying upon evidence other than a police report to establish that a human trafficking crime as defined in Section 236.1 of the Penal Code has occurred. That evidence may include any reliable corroborating information approved by the board, including, but not limited to, the following:

In no case shall compensation be granted to an applicant pursuant to this chapter during any period of time the applicant is held in a correctional institution, or while an applicant is required to register as a sex offender pursuant to Section 290 of the Penal Code.

(2) A person who has been convicted of a violent felony listed in subdivision (c) of Section 667.5 of the Penal Code may apply for compensation pursuant to this chapter at any time, but the award of that compensation may not be considered until the applicant meets the requirements for compensation set forth in paragraph (1).

SEC. 5. Section 13957 of the Government Code is amended to read:

13957. (a) The board may grant for pecuniary loss, when the board determines it will best aid the person seeking compensation, as follows:

(1) Subject to the limitations set forth in Section 13957.2, reimburse the amount of medical or medical-related expenses incurred by the victim for services that were provided by a licensed medical provider, including, but not limited to, eyeglasses, hearing aids, dentures, or any prosthetic device taken, lost, or destroyed during the commission of the crime, or the use of which became necessary as a direct result of the crime.

(2) Subject to the limitations set forth in Section 13957.2, reimburse the amount of outpatient psychiatric, psychological, or other mental health counseling-related expenses incurred by the victim or derivative victim, including peer counseling services provided by a rape crisis center as defined by Section 13837 of the Penal Code, and including family psychiatric, psychological, or mental health counseling for the successful treatment of the victim provided to family members of the victim in the presence of the victim, whether or not the family member relationship existed at the time of the crime, that became necessary as a direct result of the crime, subject to the following conditions:

(A) The following persons may be reimbursed for the expense of their outpatient mental health counseling in an amount not to exceed ten thousand dollars ($10,000):

(i) A victim.

(ii) A derivative victim who is the surviving parent, grandparent, sibling, child, grandchild, spouse, fiancé, or fiancée of a victim of a crime that directly resulted in the death of the victim.

(iii) A derivative victim, as described in paragraphs (1) to (4), inclusive, of subdivision (c) of Section 13955, who is the primary caretaker of a minor whose claim is not denied or reduced pursuant to Section 13956 in a total amount not to exceed ten thousand dollars ($10,000) for not more than two derivative victims.

(B) The following persons may be reimbursed for the expense of their outpatient mental health counseling in an amount not to exceed five thousand dollars ($5,000):

(i) A derivative victim not eligible for reimbursement pursuant to subparagraph (A), provided that mental health counseling of a derivative
victim described in paragraph (5) of subdivision (c) of Section 13955, shall be reimbursed only if that counseling is necessary for the treatment of the victim.

(ii) A minor who suffers emotional injury as a direct result of witnessing a violent crime and who is not eligible for reimbursement of the costs of outpatient mental health counseling under any other provision of this chapter. To be eligible for reimbursement under this clause, the minor must have been in close proximity to the victim when he or she witnessed the crime.

(C) The board may reimburse a victim or derivative victim for outpatient mental health counseling in excess of that authorized by subparagraph (A) or (B) or for inpatient psychiatric, psychological, or other mental health counseling if the claim is based on dire or exceptional circumstances that require more extensive treatment, as approved by the board.

(D) Expenses for psychiatric, psychological, or other mental health counseling-related services may be reimbursed only if the services were provided by either of the following individuals:

(i) A person who would have been authorized to provide those services pursuant to former Article 1 (commencing with Section 13959) as it read on January 1, 2002.

(ii) A person who is licensed in California to provide those services, or who is properly supervised by a person who is licensed in California to provide those services, subject to the board’s approval and subject to the limitations and restrictions the board may impose.

(3) Subject to the limitations set forth in Section 13957.5, authorize compensation equal to the loss of income or loss of support, or both, that a victim or derivative victim incurs as a direct result of the victim’s or derivative victim’s injury or the victim’s death. If the victim or derivative victim requests that the board give priority to reimbursement of loss of income or support, the board may not pay medical expenses, or mental health counseling expenses, except upon the request of the victim or derivative victim or after determining that payment of these expenses will not decrease the funds available for payment of loss of income or support.

(4) Authorize a cash payment to or on behalf of the victim for job retraining or similar employment-oriented services.

(5) Reimburse the expense of installing or increasing residential security, not to exceed one thousand dollars ($1,000). Installing or increasing residential security may include, but need not be limited to, both of the following:

(A) Home security device or system.

(B) Replacing or increasing the number of locks.

(6) Reimburse the expense of renovating or retrofitting a victim’s residence, or the expense of modifying or purchasing a vehicle, to make the residence or the vehicle accessible or operational by a victim upon verification that the expense is medically necessary for a victim who is permanently disabled as a direct result of the crime, whether the disability is partial or total.
(7) (A) Authorize a cash payment or reimbursement not to exceed two thousand dollars ($2,000) to a victim for expenses incurred in relocating, if the expenses are determined by law enforcement to be necessary for the personal safety of the victim or by a mental health treatment provider to be necessary for the emotional well-being of the victim.

(B) The cash payment or reimbursement made under this paragraph shall only be awarded to one claimant per crime giving rise to the relocation. The board may authorize more than one relocation per crime if necessary for the personal safety or emotional well-being of the claimant. However, the total cash payment or reimbursement for all relocations due to the same crime shall not exceed two thousand dollars ($2,000). For purposes of this paragraph a claimant is the crime victim, or, if the victim is deceased, a person who resided with the deceased at the time of the crime.

(C) The board may, under compelling circumstances, award a second cash payment or reimbursement to a victim for another crime if both of the following conditions are met:
   (i) The crime occurs more than three years from the date of the crime giving rise to the initial relocation cash payment or reimbursement.
   (ii) The crime does not involve the same offender.

(D) When a relocation payment or reimbursement is provided to a victim of sexual assault or domestic violence and the identity of the offender is known to the victim, the victim shall agree not to inform the offender of the location of the victim’s new residence and not to allow the offender on the premises at any time, or shall agree to seek a restraining order against the offender. A victim may be required to repay the relocation payment or reimbursement to the board if he or she violates the terms set forth in this paragraph.

(E) Notwithstanding subparagraphs (A) and (B), the board may increase the cash payment or reimbursement for expenses incurred in relocating to an amount greater than two thousand dollars ($2,000), if the board finds this amount is appropriate due to the unusual, dire, or exceptional circumstances of a particular claim.

(F) If a security deposit is required for relocation, the board shall be named as the recipient and receive the funds upon expiration of the victim’s rental agreement.

(8) When a victim dies as a result of a crime, the board may reimburse any individual who voluntarily, and without anticipation of personal gain, pays or assumes the obligation to pay any of the following expenses:
   (A) The medical expenses incurred as a direct result of the crime in an amount not to exceed the rates or limitations established by the board.
   (B) The funeral and burial expenses incurred as a direct result of the crime, not to exceed seven thousand five hundred dollars ($7,500). The board shall not create or comply with a regulation or policy that mandates a lower maximum potential amount of an award pursuant to this subparagraph for less than seven thousand five hundred dollars ($7,500).

(9) When the crime occurs in a residence or inside a vehicle, the board may reimburse any individual who voluntarily, and without anticipation of
personal gain, pays or assumes the obligation to pay the reasonable costs to clean the scene of the crime in an amount not to exceed one thousand dollars ($1,000). Services reimbursed pursuant to this subdivision shall be performed by persons registered with the State Department of Public Health as trauma scene waste practitioners in accordance with Chapter 9.5 (commencing with Section 118321) of Part 14 of Division 104 of the Health and Safety Code.

(10) When the crime is a violation of Section 600.2 or 600.5 of the Penal Code, the board may reimburse the expense of veterinary services, replacement costs, or other reasonable expenses, as ordered by the court pursuant to Section 600.2 or 600.5 of the Penal Code, in an amount not to exceed ten thousand dollars ($10,000).

(11) An award of compensation pursuant to paragraph (5) of subdivision (f) of Section 13955 shall be limited to compensation to provide mental health counseling and shall not limit the eligibility of a victim for an award that he or she may be otherwise entitled to receive under this part. A derivative victim shall not be eligible for compensation under this provision.

(b) The total award to or on behalf of each victim or derivative victim may not exceed thirty-five thousand dollars ($35,000), except that this award may be increased to an amount not exceeding seventy thousand dollars ($70,000) if federal funds for that increase are available.

SEC. 6. Section 13957.5 of the Government Code is amended to read:

13957.5. (a) In authorizing compensation for loss of income and support pursuant to paragraph (3) of subdivision (a) of Section 13957, the board may take any of the following actions:

(1) Compensate the victim for loss of income directly resulting from the injury, except that loss of income may not be paid by the board for more than five years following the crime, unless the victim is disabled as defined in Section 416(i) of Title 42 of the United States Code, as a direct result of the injury.

(2) Compensate an adult derivative victim for loss of income, subject to all of the following:

(A) The derivative victim is the parent or legal guardian of a victim who at the time of the crime was under the age of 18 years and is hospitalized as a direct result of the crime.

(B) The minor victim’s treating physician certifies in writing that the presence of the victim’s parent or legal guardian at the hospital is necessary for the treatment of the victim.

(C) Reimbursement for loss of income under this paragraph may not exceed the total value of the income that would have been earned by the adult derivative victim during a 30-day period.

(3) Compensate an adult derivative victim for loss of income, subject to all of the following:

(A) The derivative victim is the parent or legal guardian of a victim who at the time of the crime was under the age of 18 years.

(B) The victim died as a direct result of the crime.
The board shall pay for loss of income under this paragraph for not more than 30 calendar days from the date of the victim’s death.

Compensate a derivative victim who was legally dependent on the victim at the time of the crime for the loss of support incurred by that person as a direct result of the crime, subject to both of the following:

A. Loss of support shall be paid by the board for income lost by an adult for a period up to, but not more than, five years following the date of the crime.

B. Loss of support shall not be paid by the board on behalf of a minor for a period beyond the child’s attaining the age of 18 years.

The total amount payable to all derivative victims pursuant to this section as the result of one crime may not exceed seventy thousand dollars ($70,000).

SEC. 7. Section 13957.7 of the Government Code is amended to read:

13957.7. (a) No reimbursement may be made for any expense that is submitted more than three years after it is incurred by the victim or derivative victim. However, reimbursement may be made for an expense submitted more than three years after the date it is incurred if the victim or derivative victim has affirmed the debt and is liable for the debt at the time the expense is submitted for reimbursement, or has paid the expense as a direct result of a crime for which a timely application has been filed or has paid the expense as a direct result of a crime for which an application has been filed and approved.

(b) Compensation made pursuant to this chapter may be on a one-time or periodic basis. If periodic, the board may increase, reduce, or terminate the amount of compensation according to the applicant’s need, subject to the maximum limits provided in this chapter.

(c) (1) The board may authorize direct payment to a provider of services that are reimbursable pursuant to this chapter and may make those payments prior to verification. However, the board may not, without good cause, authorize a direct payment to a provider over the objection of the victim or derivative victim.

(2) Reimbursement on the initial claim for any psychological, psychiatric, or mental health counseling services shall, if the application has been approved, be paid by the board within 90 days of the date of receipt of the claim for payment, with subsequent payments to be made to the provider within one month of the receipt of a claim for payment.

(d) Payments for peer counseling services provided by a rape crisis center may not exceed fifteen dollars ($15) for each hour of services provided. Those services shall be limited to in-person counseling for a period not to exceed 10 weeks plus one series of facilitated support group counseling sessions.

(e) The board shall develop procedures to ensure that a victim is using compensation for job retraining or relocation only for its intended purposes. The procedures may include, but need not be limited to, requiring copies of receipts, agreements, or other documents as requested, or developing a method for direct payment.
Compensation granted pursuant to this chapter shall not disqualify an otherwise eligible applicant from participation in any other public assistance program.

The board shall pay attorney’s fees representing the reasonable value of legal services rendered to the applicant, in an amount equal to 10 percent of the amount of the award, or five hundred dollars ($500), whichever is less, for each victim and each derivative victim. The board may request that an attorney provide verification of legal services provided to an applicant and the board may contact an applicant to verify that legal services were provided. An attorney receiving fees from another source may waive the right to receive fees under this subdivision. Payments under this subdivision shall be in addition to any amount authorized or ordered under subdivision (b) of Section 13960. An attorney may not charge, demand, receive, or collect any amount for services rendered in connection with any proceedings under this chapter except as awarded under this chapter.

A private nonprofit agency shall be reimbursed for its services at the level of the normal and customary fee charged by the private nonprofit agency to clients with adequate means of payment for its services, except that this reimbursement may not exceed the maximum reimbursement rates set by the board and may be made only to the extent that the victim otherwise qualifies for compensation under this chapter and that other reimbursement or direct subsidies are not available to serve the victim.

SEC. 8. Section 13957.9 of the Government Code is amended to read:

(3) The board may reimburse a victim or derivative victim for outpatient mental health counseling in excess of that authorized by paragraph (1) or (2) or for inpatient psychiatric, psychological, or other mental health counseling if the claim is based on dire or exceptional circumstances that require more extensive treatment, as approved by the board.

(4) Expenses for psychiatric, psychological, or other mental health counseling-related services may be reimbursed only if the services were provided by either of the following individuals:

(A) A person who would have been authorized to provide those services pursuant to former Article 1 (commencing with Section 13959) as it read on January 1, 2002.

SEC. 10. Section 13963 of the Government Code is amended to read:

13963. (a) The board shall be subrogated to the rights of the recipient to the extent of any compensation granted by the board. The subrogation rights shall be against the perpetrator of the crime or any person liable for the losses suffered as a direct result of the crime which was the basis for receipt of compensation, including an insurer held liable in accordance with the provision of a policy of insurance issued pursuant to Section 11580.2 of the Insurance Code.

(b) The board shall also be entitled to a lien on any judgment, award, or settlement in favor of or on behalf of the recipient for losses suffered as a direct result of the crime that was the basis for receipt of compensation in the amount of the compensation granted by the board. The board may recover this amount in a separate action, or may intervene in an action brought by or on behalf of the recipient. If a claim is filed within one year of the date of recovery, the board shall pay 25 percent of the amount of the recovery that is subject to a lien on the judgment, award, or settlement, to the recipient responsible for recovery if the recipient notified the board of the action prior to receiving any recovery. The remaining amount, and any amount not claimed within one year pursuant to this section, shall be deposited in the Restitution Fund.

(c) The board may compromise or settle and release any lien pursuant to this chapter if it is found that the action is in the best interest of the state or the collection would cause undue hardship upon the recipient. Repayment obligations to the Restitution Fund shall be enforceable as a summary judgment.

(d) No judgment, award, or settlement in any action or claim by a recipient, where the board has an interest, shall be satisfied without first giving the board notice and a reasonable opportunity to perfect and satisfy the lien. The notice shall be given to the board in Sacramento except in
cases where the board specifies that the notice shall be given otherwise. The notice shall include the complete terms of the award, settlement, or judgment, and the name and address of any insurer directly or indirectly providing for the satisfaction.

(e) (1) If the recipient brings an action or asserts a claim for damages against the person or persons liable for the injury or death giving rise to an award by the board under this chapter, notice of the institution of legal proceedings, notice of all hearings, conferences, and proceedings, and notice of settlement shall be given to the board in Sacramento except in cases where the board specifies that notice shall be given to the Attorney General. Notice of the institution of legal proceedings shall be given to the board within 30 days of filing the action. All notices shall be given by the attorney employed to bring the action for damages or by the recipient if no attorney is employed.

(2) Notice shall include all of the following:

(A) Names of all parties to the claim or action.

(B) The address of all parties to the claim or action except for those persons represented by attorneys and in that case the name of the party and the name and address of the attorney.

(C) The nature of the claim asserted or action brought.

(D) In the case of actions before courts or administrative agencies, the full title of the case including the identity of the court or agency, the names of the parties, and the case or docket number.

(3) When the recipient or his or her attorney has reason to believe that a person from whom damages are sought is receiving a defense provided in whole or in part by an insurer, or is insured for the injury caused to the recipient, notice shall include a statement of that fact and the name and address of the insurer. Upon request of the board, a person obligated to provide notice shall provide the board with a copy of the current written claim or complaint.

(f) The board shall pay the county probation department or other county agency responsible for collection of funds owed to the Restitution Fund under Section 13967, as operative on or before September 28, 1994, Section 1202.4 of the Penal Code, Section 1203.04 of the Penal Code, as operative on or before August 2, 1995, or Section 730.6 of the Welfare and Institutions Code, 10 percent of the funds so owed and collected by the county agency and deposited in the Restitution Fund. This payment shall be made only when the funds are deposited in the Restitution Fund within 45 days of the end of the month in which the funds are collected. Receiving 10 percent of the moneys collected as being owed to the Restitution Fund shall be considered an incentive for collection efforts and shall be used for furthering these collection efforts. The 10-percent rebates shall be used to augment the budgets for the county agencies responsible for collection of funds owed to the Restitution Fund, as provided in Section 13967, as operative on or before September 28, 1994, Section 1202.4 of the Penal Code, Section 1203.04 of the Penal Code, operative on or before August 2, 1995, or Section
730.6 of the Welfare and Institutions Code. The 10-percent rebates shall not be used to supplant county funding.

(g) In the event of judgment or award in a suit or claim against a third party or insurer, if the action or claim is prosecuted by the recipient alone, the court or agency shall first order paid from any judgment or award the reasonable litigation expenses incurred in preparation and prosecution of the action or claim, together with reasonable attorney’s fees when an attorney has been retained. After payment of the expenses and attorney’s fees, the court or agency shall, on the application of the board, allow as a lien against the amount of the judgment or award, the amount of the compensation granted by the board to the recipient for losses sustained as a result of the same incident upon which the settlement, award, or judgment is based.

(h) For purposes of this section, “recipient” means any person who has received compensation or will be provided compensation pursuant to this chapter, including the victim’s guardian, conservator or other personal representative, estate, and survivors.

(i) In accordance with subparagraph (B) of paragraph (4) of subdivision (f) of Section 1202.4 of the Penal Code, a representative of the board may provide the probation department, district attorney, and court with information relevant to the board’s losses prior to the imposition of a sentence.

SEC. 11. Section 13965 of the Government Code is amended to read:

13965. (a) Any recipient of an overpayment pursuant to this chapter is liable to repay the board that amount unless both of the following facts exist:

(1) The overpayment was not due to fraud, misrepresentation, or willful nondisclosure on the part of the recipient.

(2) The overpayment was received without fault on the part of the recipient, and its recovery would be against equity and good conscience.

(b) All actions to collect overpayments shall commence within seven years from the date of the overpayment. However, an action to collect an overpayment due to fraud, misrepresentation, or willful nondisclosure by the recipient may be commenced at any time.

(c) Any recipient of an overpayment is authorized to contest the staff recommendation of an overpayment pursuant to the hearing procedures in Section 13959. If a final determination is made by the board that an overpayment exists, the board may collect the overpayment in any manner prescribed by law.

(d) All overpayments exceeding two thousand dollars ($2,000) shall be reported to the Legislature pursuant to Section 13928 and the relief from liability described in subdivision (a) shall be subject to legislative approval.

SEC. 12. Section 13971 of the Government Code is amended to read:

13971. As used in this article, “private citizen” means any person other than a peace officer, fireman, lifeguard, or person whose employment includes the duty to protect the public safety acting within the course and scope of such employment.

SEC. 13. Section 13972 of the Government Code is amended to read:
13972. (a) If a private citizen incurs personal injury or death or damage to his or her property in preventing the commission of a crime against the person or property of another, in apprehending a criminal, or in materially assisting a peace officer in prevention of a crime or apprehension of a criminal, or rescuing a person in immediate danger of injury or death as a result of fire, drowning, or other catastrophe, the private citizen, his or her surviving spouse, his or her surviving children, a person dependent upon the citizen for his or her principal support, any person legally liable for the citizen’s pecuniary losses, or a public safety or law enforcement agency acting on behalf of any of the above may file a claim with the California Victim Compensation and Government Claims Board for indemnification to the extent that the claimant is not compensated from any other source for the injury, death, or damage. The claim shall generally show all of the following:

(1) The date, place, and other circumstances of the occurrence or events that gave rise to the claim.

(2) A general description of the activities of the private citizen in prevention of a crime, apprehension of a criminal, or rescuing a person in immediate danger of injury or death as a result of fire, drowning, or other catastrophe.

(3) The amount or estimated amount of the injury, death, or damage sustained for which the claimant is not compensated from any other source, insofar as it may be known at the time of the presentation of the claim.

(4) Any other information that the California Victim Compensation and Government Claims Board may require.

(b) A claim filed under subdivision (a) shall be accompanied by a corroborating statement and recommendation from the appropriate state or local public safety or law enforcement agency.

SEC. 14. Section 13973 of the Government Code is amended to read:

13973. (a) Upon presentation of a claim pursuant to this chapter, the California Victim Compensation and Government Claims Board shall fix a time and place for the hearing of the claim, and shall mail notices of the hearing to interested persons or agencies. The board shall receive recommendations from public safety or law enforcement agencies, and evidence showing all of the following:

(1) The nature of the crime committed by the apprehended criminal or prevented by the action of the private citizen, or the nature of the action of the private citizen in rescuing a person in immediate danger of injury or death as a result of fire, drowning, or other catastrophe, and the circumstances involved.

(2) That the actions of the private citizen substantially and materially contributed to the apprehension of a criminal, the prevention of a crime, or the rescuing of a person in immediate danger of injury or death as a result of fire, drowning, or other catastrophe.

(3) That, as a direct consequence, the private citizen incurred personal injury or damage to property or died.
(4) The extent of the injury or damage for which the claimant is not compensated from any other source.

(5) Any other evidence that the board may require.

(b) If the board determines, on the basis of a preponderance of the evidence, that the state should indemnify the claimant for the injury, death, or damage sustained, it shall approve the claim for payment. In no event shall a claim be approved by the board under this article in excess of ten thousand dollars ($10,000).

(c) In addition to any award made under this chapter, the board may award, as attorney’s fees, an amount representing the reasonable value of legal services rendered a claimant, but in no event to exceed 10 percent of the amount of the award. No attorney shall charge, demand, receive, or collect for services rendered in connection with any proceedings under this chapter any amount other than that awarded as attorney’s fees under this section. Claims approved under this chapter shall be paid from a separate appropriation made to the California Victim Compensation and Government Claims Board in the Budget Act and as the claims are approved by the board.

SEC. 15. Section 1202.4 of the Penal Code is amended to read:

1202.4. (a) (1) It is the intent of the Legislature that a victim of crime who incurs an economic loss as a result of the commission of a crime shall receive restitution directly from a defendant convicted of that crime.

(2) Upon a person being convicted of a crime in the State of California, the court shall order the defendant to pay a fine in the form of a penalty assessment in accordance with Section 1464.

(3) The court, in addition to any other penalty provided or imposed under the law, shall order the defendant to pay both of the following:

(A) A restitution fine in accordance with subdivision (b).

(B) Restitution to the victim or victims, if any, in accordance with subdivision (f), which shall be enforceable as if the order were a civil judgment.

(b) In every case where a person is convicted of a crime, the court shall impose a separate and additional restitution fine, unless it finds compelling and extraordinary reasons for not doing so and states those reasons on the record.

(1) The restitution fine shall be set at the discretion of the court and commensurate with the seriousness of the offense. If the person is convicted of a felony, the fine shall not be less than two hundred forty dollars ($240) starting on January 1, 2012, two hundred eighty dollars ($280) starting on January 1, 2013, and three hundred dollars ($300) starting on January 1, 2014, and not more than ten thousand dollars ($10,000). If the person is convicted of a misdemeanor, the fine shall not be less than one hundred twenty dollars ($120) starting on January 1, 2012, one hundred forty dollars ($140) starting on January 1, 2013, and one hundred fifty dollars ($150) starting on January 1, 2014, and not more than one thousand dollars ($1,000).

(2) In setting a felony restitution fine, the court may determine the amount of the fine as the product of the minimum fine pursuant to paragraph (1) multiplied by the number of years of imprisonment the defendant is ordered
to serve, multiplied by the number of felony counts of which the defendant is convicted.

(c) The court shall impose the restitution fine unless it finds compelling and extraordinary reasons for not doing so and states those reasons on the record. A defendant’s inability to pay shall not be considered a compelling and extraordinary reason not to impose a restitution fine. Inability to pay may be considered only in increasing the amount of the restitution fine in excess of the minimum fine pursuant to paragraph (1) of subdivision (b). The court may specify that funds confiscated at the time of the defendant’s arrest, except for funds confiscated pursuant to Section 11469 of the Health and Safety Code, be applied to the restitution fine if the funds are not exempt for spousal or child support or subject to any other legal exemption.

(d) In setting the amount of the fine pursuant to subdivision (b) in excess of the minimum fine pursuant to paragraph (1) of subdivision (b), the court shall consider any relevant factors, including, but not limited to, the defendant’s inability to pay, the seriousness and gravity of the offense and the circumstances of its commission, any economic gain derived by the defendant as a result of the crime, the extent to which any other person suffered losses as a result of the crime, and the number of victims involved in the crime. Those losses may include pecuniary losses to the victim or his or her dependents as well as intangible losses, such as psychological harm caused by the crime. Consideration of a defendant’s inability to pay may include his or her future earning capacity. A defendant shall bear the burden of demonstrating his or her inability to pay. Express findings by the court as to the factors bearing on the amount of the fine shall not be required. A separate hearing for the fine shall not be required.

(e) The restitution fine shall not be subject to penalty assessments authorized in Section 1464 or Chapter 12 (commencing with Section 76000) of Title 8 of the Government Code, or the state surcharge authorized in Section 1465.7, and shall be deposited in the Restitution Fund in the State Treasury.

(f) Except as provided in subdivisions (q) and (r), in every case in which a victim has suffered economic loss as a result of the defendant’s conduct, the court shall require that the defendant make restitution to the victim or victims in an amount established by court order, based on the amount of loss claimed by the victim or victims or any other showing to the court. If the amount of loss cannot be ascertained at the time of sentencing, the restitution order shall include a provision that the amount shall be determined at the direction of the court. The court shall order full restitution unless it finds compelling and extraordinary reasons for not doing so and states them on the record. The court may specify that funds confiscated at the time of the defendant’s arrest, except for funds confiscated pursuant to Section 11469 of the Health and Safety Code, be applied to the restitution order if the funds are not exempt for spousal or child support or subject to any other legal exemption.

(1) The defendant has the right to a hearing before a judge to dispute the determination of the amount of restitution. The court may modify the amount,
on its own motion or on the motion of the district attorney, the victim or victims, or the defendant. If a motion is made for modification of a restitution order, the victim shall be notified of that motion at least 10 days prior to the proceeding held to decide the motion. A victim at a restitution hearing or modification hearing described in this paragraph may testify by live, two-way audio and video transmission, if testimony by live, two-way audio and video transmission is available at the court.

(2) Determination of the amount of restitution ordered pursuant to this subdivision shall not be affected by the indemnification or subrogation rights of a third party. Restitution ordered pursuant to this subdivision shall be ordered to be deposited to the Restitution Fund to the extent that the victim, as defined in subdivision (k), has received assistance from the California Victim Compensation and Government Claims Board pursuant to Chapter 5 (commencing with Section 13950) of Part 4 of Division 3 of Title 2 of the Government Code.

(3) To the extent possible, the restitution order shall be prepared by the sentencing court, shall identify each victim and each loss to which it pertains, and shall be of a dollar amount that is sufficient to fully reimburse the victim or victims for every determined economic loss incurred as the result of the defendant’s criminal conduct, including, but not limited to, all of the following:

(A) Full or partial payment for the value of stolen or damaged property. The value of stolen or damaged property shall be the replacement cost of like property, or the actual cost of repairing the property when repair is possible.

(B) Medical expenses.

(C) Mental health counseling expenses.

(D) Wages or profits lost due to injury incurred by the victim, and if the victim is a minor, wages or profits lost by the minor’s parent, parents, guardian, or guardians, while caring for the injured minor. Lost wages shall include commission income as well as base wages. Commission income shall be established by evidence of commission income during the 12-month period prior to the date of the crime for which restitution is being ordered, unless good cause for a shorter time period is shown.

(E) Wages or profits lost by the victim, and if the victim is a minor, wages or profits lost by the minor’s parent, parents, guardian, or guardians, due to time spent as a witness or in assisting the police or prosecution. Lost wages shall include commission income as well as base wages. Commission income shall be established by evidence of commission income during the 12-month period prior to the date of the crime for which restitution is being ordered, unless good cause for a shorter time period is shown.

(F) Noneconomic losses, including, but not limited to, psychological harm, for felony violations of Section 288.

(G) Interest, at the rate of 10 percent per annum, that accrues as of the date of sentencing or loss, as determined by the court.

(H) Actual and reasonable attorney’s fees and other costs of collection accrued by a private entity on behalf of the victim.
(I) Expenses incurred by an adult victim in relocating away from the 
defendant, including, but not limited to, deposits for utilities and telephone 
service, deposits for rental housing, temporary lodging and food expenses, 
clothing, and personal items. Expenses incurred pursuant to this section 
shall be verified by law enforcement to be necessary for the personal safety 
of the victim or by a mental health treatment provider to be necessary for 
the emotional well-being of the victim.

(J) Expenses to install or increase residential security incurred related to 
a violent felony, as defined in subdivision (c) of Section 667.5, including, 
but not limited to, a home security device or system, or replacing or 
increasing the number of locks.

(K) Expenses to retrofit a residence or vehicle, or both, to make the 
residence accessible to or the vehicle operational by the victim, if the victim 
is permanently disabled, whether the disability is partial or total, as a direct 
result of the crime.

(L) Expenses for a period of time reasonably necessary to make the victim 
whole, for the costs to monitor the credit report of, and for the costs to repair 
the credit of, a victim of identity theft, as defined in Section 530.5.

(4) (A) If, as a result of the defendant’s conduct, the Restitution Fund 
has provided assistance to or on behalf of a victim or derivative victim 
pursuant to Chapter 5 (commencing with Section 13950) of Part 4 of 
Division 3 of Title 2 of the Government Code, the amount of assistance 
provided shall be presumed to be a direct result of the defendant’s criminal 
conduct and shall be included in the amount of the restitution ordered.

(B) The amount of assistance provided by the Restitution Fund shall be 
established by copies of bills submitted to the California Victim 
Compensation and Government Claims Board reflecting the amount paid 
by the board and whether the services for which payment was made were 
for medical or dental expenses, funeral or burial expenses, mental health 
counseling, wage or support losses, or rehabilitation. Certified copies of 
these bills provided by the board and redacted to protect the privacy and 
safety of the victim or any legal privilege, together with a statement made 
under penalty of perjury by the custodian of records that those bills were 
submitted to and were paid by the board, shall be sufficient to meet this 
requirement.

(C) If the defendant offers evidence to rebut the presumption established 
by this paragraph, the court may release additional information contained 
in the records of the board to the defendant only after reviewing that 
information in camera and finding that the information is necessary for the 
defendant to dispute the amount of the restitution order.

(5) Except as provided in paragraph (6), in any case in which an order 
may be entered pursuant to this subdivision, the defendant shall prepare and 
file a disclosure identifying all assets, income, and liabilities in which the 
defendant held or controlled a present or future interest as of the date of the 
defendant’s arrest for the crime for which restitution may be ordered. The 
financial disclosure statements shall be made available to the victim and 
the board pursuant to Section 1214. The disclosure shall be signed by the
defendant upon a form approved or adopted by the Judicial Council for the purpose of facilitating the disclosure. A defendant who willfully states as true a material matter that he or she knows to be false on the disclosure required by this subdivision is guilty of a misdemeanor, unless this conduct is punishable as perjury or another provision of law provides for a greater penalty.

(6) A defendant who fails to file the financial disclosure required in paragraph (5), but who has filed a financial affidavit or financial information pursuant to subdivision (c) of Section 987, shall be deemed to have waived the confidentiality of that affidavit or financial information as to a victim in whose favor the order of restitution is entered pursuant to subdivision (f). The affidavit or information shall serve in lieu of the financial disclosure required in paragraph (5), and paragraphs (7) to (10), inclusive, shall not apply.

(7) Except as provided in paragraph (6), the defendant shall file the disclosure with the clerk of the court no later than the date set for the defendant’s sentencing, unless otherwise directed by the court. The disclosure may be inspected or copied as provided by subdivision (b), (c), or (d) of Section 1203.05.

(8) In its discretion, the court may relieve the defendant of the duty under paragraph (7) of filing with the clerk by requiring that the defendant’s disclosure be submitted as an attachment to, and be available to, those authorized to receive the following:

(A) A report submitted pursuant to subparagraph (C) of paragraph (2) of subdivision (b) of Section 1203 or subdivision (g) of Section 1203.
(B) A stipulation submitted pursuant to paragraph (4) of subdivision (b) of Section 1203.
(C) A report by the probation officer, or information submitted by the defendant applying for a conditional sentence pursuant to subdivision (d) of Section 1203.

(9) The court may consider a defendant’s unreasonable failure to make a complete disclosure pursuant to paragraph (5) as any of the following:

(A) A circumstance in aggravation of the crime in imposing a term under subdivision (b) of Section 1170.
(B) A factor indicating that the interests of justice would not be served by admitting the defendant to probation under Section 1203.
(C) A factor indicating that the interests of justice would not be served by conditionally sentencing the defendant under Section 1203.
(D) A factor indicating that the interests of justice would not be served by imposing less than the maximum fine and sentence fixed by law for the case.

(10) A defendant’s failure or refusal to make the required disclosure pursuant to paragraph (5) shall not delay entry of an order of restitution or pronouncement of sentence. In appropriate cases, the court may do any of the following:

(A) Require the defendant to be examined by the district attorney pursuant to subdivision (h).
(B) If sentencing the defendant under Section 1170, provide that the victim shall receive a copy of the portion of the probation report filed pursuant to Section 1203.10 concerning the defendant’s employment, occupation, finances, and liabilities.

(C) If sentencing the defendant under Section 1203, set a date and place for submission of the disclosure required by paragraph (5) as a condition of probation or suspended sentence.

(11) If a defendant has any remaining unpaid balance on a restitution order or fine 120 days prior to his or her scheduled release from probation or 120 days prior to his or her completion of a conditional sentence, the defendant shall prepare and file a new and updated financial disclosure identifying all assets, income, and liabilities in which the defendant holds or controls or has held or controlled a present or future interest during the defendant’s period of probation or conditional sentence. The financial disclosure shall be made available to the victim and the board pursuant to Section 1214. The disclosure shall be signed and prepared by the defendant on the same form as described in paragraph (5). A defendant who willfully states as true a material matter that he or she knows to be false on the disclosure required by this subdivision is guilty of a misdemeanor, unless this conduct is punishable as perjury or another provision of law provides for a greater penalty. The financial disclosure required by this paragraph shall be filed with the clerk of the court no later than 90 days prior to the defendant’s scheduled release from probation or completion of the defendant’s conditional sentence.

(12) In cases where an employer is convicted of a crime against an employee, a payment to the employee or the employee’s dependent that is made by the employer’s workers’ compensation insurance carrier shall not be used to offset the amount of the restitution order unless the court finds that the defendant substantially met the obligation to pay premiums for that insurance coverage.

(g) The court shall order full restitution unless it finds compelling and extraordinary reasons for not doing so and states those reasons on the record. A defendant’s inability to pay shall not be considered a compelling and extraordinary reason not to impose a restitution order, nor shall inability to pay be a consideration in determining the amount of a restitution order.

(h) The district attorney may request an order of examination pursuant to the procedures specified in Article 2 (commencing with Section 708.110) of Chapter 6 of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure, in order to determine the defendant’s financial assets for purposes of collecting on the restitution order.

(i) A restitution order imposed pursuant to subdivision (f) shall be enforceable as if the order were a civil judgment.

(j) The making of a restitution order pursuant to subdivision (f) shall not affect the right of a victim to recovery from the Restitution Fund as otherwise provided by law, except to the extent that restitution is actually collected pursuant to the order. Restitution collected pursuant to this subdivision shall
be credited to any other judgments for the same losses obtained against the
defendant arising out of the crime for which the defendant was convicted.

(k) For purposes of this section, “victim” shall include all of the
following:

(1) The immediate surviving family of the actual victim.

(2) A corporation, business trust, estate, trust, partnership, association,
joint venture, government, governmental subdivision, agency, or
instrumentality, or any other legal or commercial entity when that entity is
direct victim of a crime.

(3) A person who has sustained economic loss as the result of a crime
and who satisfies any of the following conditions:

(A) At the time of the crime was the parent, grandparent, sibling, spouse,
child, or grandchild of the victim.

(B) At the time of the crime was living in the household of the victim.

(C) At the time of the crime was a person who had previously lived in
the household of the victim for a period of not less than two years in a
relationship substantially similar to a relationship listed in subparagraph
(A).

(D) Is another family member of the victim, including, but not limited
to, the victim’s fiancé or fiancée, and who witnessed the crime.

(E) Is the primary caretaker of a minor victim.

(4) A person who is eligible to receive assistance from the Restitution
Fund pursuant to Chapter 5 (commencing with Section 13950) of Part 4 of
Division 3 of Title 2 of the Government Code.

(5) A governmental entity that is responsible for repairing, replacing, or
restoring public or privately owned property that has been defaced with
graffiti or other inscribed material, as defined in subdivision (e) of Section
594, and that has sustained an economic loss as the result of a violation of
Section 594, 594.3, 594.4, 640.5, 640.6, or 640.7.

(l) At its discretion, the board of supervisors of a county may impose a
fee to cover the actual administrative cost of collecting the restitution fine,
not to exceed 10 percent of the amount ordered to be paid, to be added to
the restitution fine and included in the order of the court, the proceeds of
which shall be deposited in the general fund of the county.

(m) In every case in which the defendant is granted probation, the court
shall make the payment of restitution fines and orders imposed pursuant to
this section a condition of probation. Any portion of a restitution order that
remains unsatisfied after a defendant is no longer on probation shall continue
to be enforceable by a victim pursuant to Section 1214 until the obligation
is satisfied.

(n) If the court finds and states on the record compelling and extraordinary
reasons why a restitution fine or full restitution order should not be required,
the court shall order, as a condition of probation, that the defendant perform
specified community service, unless it finds and states on the record
compelling and extraordinary reasons not to require community service in
addition to the finding that restitution should not be required. Upon
revocation of probation, the court shall impose restitution pursuant to this
section.

(o) The provisions of Section 13963 of the Government Code shall apply
to restitution imposed pursuant to this section.

(p) The court clerk shall notify the California Victim Compensation and
Government Claims Board within 90 days of an order of restitution being
imposed if the defendant is ordered to pay restitution to the board due to
the victim receiving compensation from the Restitution Fund. Notification
shall be accomplished by mailing a copy of the court order to the board,
which may be done periodically by bulk mail or email.

(q) Upon conviction for a violation of Section 236.1, the court shall, in
addition to any other penalty or restitution, order the defendant to pay
restitution to the victim in a case in which a victim has suffered economic
loss as a result of the defendant’s conduct. The court shall require that the
defendant make restitution to the victim or victims in an amount established
by court order, based on the amount of loss claimed by the victim or victims
or another showing to the court. In determining restitution pursuant to this
section, the court shall base its order upon the greater of the following: the
gross value of the victim’s labor or services based upon the comparable
value of similar services in the labor market in which the offense occurred,
or the value of the victim’s labor as guaranteed under California law, or the
actual income derived by the defendant from the victim’s labor or services
or any other appropriate means to provide reparations to the victim.

(r) (1) In addition to any other penalty or fine, the court shall order a
person who has been convicted of a violation of Section 350, 653h, 653s,
653u, 653w, or 653aa that involves a recording or audiovisual work to make
restitution to an owner or lawful producer, or trade association acting on
behalf of the owner or lawful producer, of a phonograph record, disc, wire,
tape, film, or other device or article from which sounds or visual images
are derived that suffered economic loss resulting from the violation. The
order of restitution shall be based on the aggregate wholesale value of
lawfully manufactured and authorized devices or articles from which sounds
or visual images are devised corresponding to the number of nonconforming
devices or articles involved in the offense, unless a higher value can be
proved in the case of (A) an unreleased audio work, or (B) an audiovisual
work that, at the time of unauthorized distribution, has not been made
available in copies for sale to the general public in the United States on a
digital versatile disc. For purposes of this subdivision, possession of
nonconforming devices or articles intended for sale constitutes actual
economic loss to an owner or lawful producer in the form of displaced
legitimate wholesale purchases. The order of restitution shall also include
reasonable costs incurred as a result of an investigation of the violation
undertaken by the owner, lawful producer, or trade association acting on
behalf of the owner or lawful producer. “Aggregate wholesale value” means
the average wholesale value of lawfully manufactured and authorized sound
or audiovisual recordings. Proof of the specific wholesale value of each
nonconforming device or article is not required.
(2) As used in this subdivision, “audiovisual work” and “recording” shall have the same meaning as in Section 653w.

SEC. 16. Section 2085.5 of the Penal Code is amended to read:

2085.5. (a) In any case in which a prisoner owes a restitution fine imposed pursuant to subdivision (a) of Section 13967 of the Government Code, as operative prior to September 29, 1994, subdivision (b) of Section 730.6 of the Welfare and Institutions Code, or subdivision (b) of Section 1202.4, the Secretary of the Department of Corrections and Rehabilitation shall deduct a minimum of 20 percent or the balance owing on the fine amount, whichever is less, up to a maximum of 50 percent from the wages and trust account deposits of a prisoner, unless prohibited by federal law, and shall transfer that amount to the California Victim Compensation and Government Claims Board for deposit in the Restitution Fund in the State Treasury. The amount deducted shall be credited against the amount owing on the fine. The sentencing court shall be provided a record of the payments.

(b) (1) When a prisoner is punished by imprisonment in a county jail pursuant to subdivision (h) of Section 1170, in any case in which a prisoner owes a restitution fine imposed pursuant to subdivision (a) of Section 13967 of the Government Code, as operative prior to September 29, 1994, subdivision (b) of Section 730.6 of the Welfare and Institutions Code, or subdivision (b) of Section 1202.4, the agency designated by the board of supervisors in the county where the prisoner is incarcerated is authorized to deduct a minimum of 20 percent or the balance owing on the fine amount, whichever is less, up to a maximum of 50 percent from the county jail equivalent of wages and trust account deposits of a prisoner, unless prohibited by federal law, and shall transfer that amount to the California Victim Compensation and Government Claims Board for deposit in the Restitution Fund in the State Treasury. The amount deducted shall be credited against the amount owing on the fine. The sentencing court shall be provided a record of the payments.

(2) If the board of supervisors designates the county sheriff as the collecting agency, the board of supervisors shall first obtain the concurrence of the county sheriff.

(c) In any case in which a prisoner owes a restitution order imposed pursuant to subdivision (c) of Section 13967 of the Government Code, as operative prior to September 29, 1994, subdivision (h) of Section 730.6 of the Welfare and Institutions Code, or subdivision (f) of Section 1202.4, the Secretary of the Department of Corrections and Rehabilitation shall deduct a minimum of 20 percent or the balance owing on the order amount, whichever is less, up to a maximum of 50 percent from the wages and trust account deposits of a prisoner, unless prohibited by federal law. The secretary shall transfer that amount to the California Victim Compensation and Government Claims Board for direct payment to the victim, or payment shall be made to the Restitution Fund to the extent that the victim has received assistance pursuant to that program. The sentencing court shall be provided a record of the payments made to victims and of the payments deposited to the Restitution Fund pursuant to this subdivision.
(d) When a prisoner is punished by imprisonment in a county jail pursuant to subdivision (h) of Section 1170, in any case in which a prisoner owes a restitution order imposed pursuant to subdivision (c) of Section 13967 of the Government Code, as operative prior to September 29, 1994, subdivision (h) of Section 730.6 of the Welfare and Institutions Code, or subdivision (b) of Section 1202.4, the agency designated by the board of supervisors in the county where the prisoner is incarcerated is authorized to deduct a minimum of 20 percent or the balance owing on the order amount, whichever is less, up to a maximum of 50 percent from the county jail equivalent of wages and trust account deposits of a prisoner, unless prohibited by federal law. The agency shall transfer that amount to the California Victim Compensation and Government Claims Board for direct payment to the victim, or payment shall be made to the Restitution Fund to the extent that the victim has received assistance pursuant to that program, or may pay the victim directly. The sentencing court shall be provided a record of the payments made to the victims and of the payments deposited to the Restitution Fund pursuant to this subdivision.
