An act to amend Section 2025.220 of the Code of Civil Procedure, relating to depositions.

LEGISLATIVE COUNSEL'S DIGEST

AB 1197, as amended, Bonilla. Deposition notices.

Existing law prescribes the procedure for taking oral depositions inside the state. Existing law requires that, unless the parties agree or the court orders otherwise, the testimony, as well as any stated objections, be taken stenographically. Existing law requires a party desiring to take the oral deposition of a person to give a notice in writing that provides specified information, including the address and date of the deposition.

This bill would require the deposition notice governed by this section to include a statement disclosing the existence of a contractual relationship, if any *is known to the noticing party*, between the deposition officer or entity providing the services of the deposition officer and the party noticing the deposition or a third party who is financing all or part of the action, as specified. The bill would also require the deposition notice to contain a statement disclosing that the

party noticing the deposition, or a third party financing all or part of the action, directed his or her attorney to use a particular officer or entity to provide services for the deposition, if applicable.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

*The people of the State of California do enact as follows:*

1 SECTION 1. This act shall be known and may be cited as the  
2 John Zandonella Act of 2015.

3 SEC. 2. Section 2025.220 of the Code of Civil Procedure is  
4 amended to read:

5 2025.220. (a) A party desiring to take the oral deposition of  
6 any person shall give notice in writing. The deposition notice shall  
7 state all of the following:

8 (1) The address where the deposition will be taken.

9 (2) The date of the deposition, selected under Section 2025.270,  
10 and the time it will commence.

11 (3) The name of each deponent, and the address and telephone  
12 number, if known, of any deponent who is not a party to the action.  
13 If the name of the deponent is not known, the deposition notice  
14 shall set forth instead a general description sufficient to identify  
15 the person or particular class to which the person belongs.

16 (4) The specification with reasonable particularity of any  
17 materials or category of materials, including any electronically  
18 stored information, to be produced by the deponent.

19 (5) Any intention by the party noticing the deposition to record  
20 the testimony by audio or video technology, in addition to  
21 recording the testimony by the stenographic method as required  
22 by Section 2025.330 and any intention to record the testimony by  
23 stenographic method through the instant visual display of the  
24 testimony. If the deposition will be conducted using instant visual  
25 display, a copy of the deposition notice shall also be given to the  
26 deposition officer. Any offer to provide the instant visual display  
27 of the testimony or to provide rough draft transcripts to any party  
28 which is accepted prior to, or offered at, the deposition shall also  
29 be made by the deposition officer at the deposition to all parties  
30 in attendance. Any party or attorney requesting the provision of  
31 the instant visual display of the testimony, or rough draft  
32 transcripts, shall pay the reasonable cost of those services, which

1 may be no greater than the costs charged to any other party or  
2 attorney.

3 (6) Any intention to reserve the right to use at trial a video  
4 recording of the deposition testimony of a treating or consulting  
5 physician or of any expert witness under subdivision (d) of Section  
6 2025.620. In this event, the operator of the video camera shall be  
7 a person who is authorized to administer an oath, and shall not be  
8 financially interested in the action or be a relative or employee of  
9 any attorney of any of the parties.

10 (7) The form in which any electronically stored information is  
11 to be produced, if a particular form is desired.

12 (8) (A) A statement disclosing the existence of a contract, if  
13 any *is known to the noticing party*, between the noticing party or  
14 a third party who is financing all or part of the action and either  
15 of the following for any service beyond the noticed deposition:

16 (i) The deposition officer.

17 (ii) The entity providing the services of the deposition officer.

18 (B) A statement disclosing that the party noticing the deposition,  
19 or a third party financing all or part of the action, directed his or  
20 her attorney to use a particular officer or entity to provide services  
21 for the deposition, if applicable.

22 (b) Notwithstanding subdivision (a), where under Article 4  
23 (commencing with Section 2020.410) only the production by a  
24 nonparty of business records for copying is desired, a copy of the  
25 deposition subpoena shall serve as the notice of deposition.
