

ASSEMBLY BILL

No. 1290

Introduced by Assembly Member Dahle

February 27, 2015

An act to amend Section 34161 of the Health and Safety Code, relating to redevelopment.

LEGISLATIVE COUNSEL'S DIGEST

AB 1290, as introduced, Dahle. Community redevelopment.

Existing law dissolved redevelopment agencies and community development agencies, as of February 1, 2012, and designates successor agencies, as defined. Existing law requires successor agencies to wind down the affairs of the dissolved redevelopment agencies. Existing law requires a successor agency to, among other things, continue to make payments due for enforceable obligations, remit unencumbered balances to the county auditor-controller for distribution, and dispose of assets, as directed.

This bill would make technical, nonsubstantive changes to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
