LEGISLATIVE COUNSEL'S DIGEST

AB 1346, as amended, Gray. Office of Emergency Services: State Emergency ~~Plan and statewide earthquake early warning system.~~ *Plan: update.*

~~(1) The~~

*The* California Emergency Services Act requires the Governor to coordinate the State Emergency Plan and any programs necessary for the mitigation of the effects of an emergency in this state, as specified. Existing law requires the Office of Emergency Services to update the State Emergency Plan, on or before July 31, 2015, to include proposed best practices for local governments and nongovernmental entities to use to mobilize and evacuate people with disabilities, and others with access and functional needs, during an emergency or natural disaster.

This bill would require the Office of Emergency Services to update the State Emergency Plan on or before January 1, 2018, and every 5 years thereafter, and would require the plan to be consistent with specified state climate adaptation strategies.

~~(2) Existing law requires the office, in collaboration with specified entities, to develop a comprehensive statewide earthquake early warning system in California through a public-private partnership, as specified. Existing law requires the office to identify funding for the system through single or multiple sources of revenue, and requires those sources to exclude the General Fund and to be limited to federal funds, funds from revenue bonds, local funds, and funds from private sources. Under existing law, the requirement that the office develop the system is not operative until funding is identified, and is repealed if funding is not identified by July 1, 2016.~~

~~This bill would discontinue the requirement that the funding sources for the system exclude the General Fund and be limited to federal funds, funds from revenue bonds, local funds, and funds from private sources. The bill would delete the provisions providing for the repeal and the contingent operation of the requirement that the office develop the system.~~

~~This bill would declare that it is to take effect immediately as an urgency statute.~~

~~Vote:  $\frac{2}{3}$ -majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.~~
