

ASSEMBLY BILL

No. 1421

Introduced by Assembly Member Linder

February 27, 2015

An act to amend Section 19942 of the Business and Professions Code, relating to gambling.

LEGISLATIVE COUNSEL'S DIGEST

AB 1421, as introduced, Linder. Gambling Control Act.

Existing law, the Gambling Control Act, provides for the licensure and regulation of various legalized gambling activities and establishments by the California Gambling Control Commission. The willful failure to pay the required license fee is a crime.

This bill would make technical, nonsubstantive changes to that provision.
