An act to add Sections 1940.20 and 4750.10 to the Civil Code, relating to real property.

LEGISLATIVE COUNSEL'S DIGEST

AB 1448, as amended, Lopez. Personal energy conservation: real property restrictions.

(1) Existing law requires a landlord to permit a tenant to participate in personal agriculture in portable containers approved by the landlord if certain conditions are met, including, among others, that the plant crop will not interfere with the maintenance of the rental property.

This bill would require a landlord to permit a tenant to utilize a clothesline or drying rack, as defined, approved by the landlord in the tenant's private area, as defined, if certain conditions are met, including, among others, that the clothesline or drying rack will not interfere with the maintenance of the rental property and the use of the clothesline or

drying rack does not violate reasonable time or location restrictions imposed by the landlord.

(2) Under existing law, any provision of a governing document, as defined, that effectively prohibits or unreasonably restricts the use of a homeowner’s backyard for personal agriculture, as defined, is void and unenforceable, unless it imposes a reasonable restriction, as defined, on the use of a homeowner’s backyard.

This bill would make any provision of a governing document, as defined, void and unenforceable if it effectively prohibits or unreasonably restricts the use of a clothesline or a drying rack, as defined, in an owner’s backyard, except that reasonable restrictions, as defined, would be enforceable. The bill would specify that these provisions would only apply to backyards that are designated for the exclusive use of the owner.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
