CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 1494

Introduced by Assembly Member Levine

~~(Coauthors: Senators Allen and~~ *(Coauthor: Senator McGuire)*

February 27, 2015

An act to amend Sections 14291, 18403, 18564, and 18564.5 of, and to repeal Section 14276 of, the Elections Code, relating to voting.

LEGISLATIVE COUNSEL'S DIGEST

AB 1494, as amended, Levine. Voting: marked ballots: distributing and sharing photographs and digital images.

Existing law prohibits a voter from showing his or her ballot after it is marked in such a way as to reveal its contents. Existing law provides that a person who interferes or attempts to interfere with the secrecy of voting is guilty of a felony, and authorizes the Secretary of State, the Attorney General, or a local elections official to bring an action to impose additional civil penalties for committing those acts.

This bill would authorize a voter to take a photograph or digital image of his or her marked ballot and distribute or share that photograph or digital image using social media or by any other means, unless the voter does so for certain prohibited purposes. The bill would exempt these authorized acts from the criminal and civil penalties described above. The bill would also repeal a duplicative provision.

Under existing law, any person other than an elections official or a member of the precinct board who receives a voted ballot from a voter or who examines or solicits the voter to show his or her voted ballot is guilty of an offense punishable by a fine, imprisonment, or by both fine and imprisonment. Existing law exempts from this crime a person returning a vote by mail ballot or persons assisting a voter.

The bill would also exempt from that crime a person examining or soliciting a voter to show a photograph or digital image of his or her marked ballot that has been distributed or shared using social media or by other means.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
