An act to amend Section 103526.5 of, and to add Section 103526.6 to, the Health and Safety Code, relating to vital records, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 1546, as amended, Olsen. Vital records.

Existing law prescribes specified personal information to be included on birth, death, and marriage certificates. Under existing law, a certified copy of a birth or death record may only be supplied by the State Registrar, local registrar, or county recorder to an authorized person, as defined, who submits a statement sworn under penalty of perjury that the applicant is an authorized person. Existing law also requires that each certified copy of a birth, death, or marriage record contain specified information and be printed on sensitized security paper with specified features, including, among others, intaglio print.

~~This bill would authorize a certified copy of a birth, death, or marriage record to include a feature other than intaglio print that provides equal or greater security protection than intaglio print.~~

Existing law requires the State Registrar to appoint a Vital Records Protection Advisory Committee to study and make recommendations to protect individual privacy, inhibit identity theft, and prevent fraud involving birth, death, and marriage certificates while providing needed

access to the information contained in those records by persons seeking it for a legitimate purpose.

This bill would require the State Registrar, in consultation with the County Recorders’ Association of California and other stakeholders, to study ~~the feasibility of the continued use of intaglio print and the implementation of different~~ *all security features for paper used to print a vital record, or alternative security features that are equal to or better than those that are currently mandated.* The bill would require the State Registrar to submit a report to the Legislature, on or before January 1, ~~2017, 2018~~, that contains the findings of that study and legislative recommendations pertaining to those findings.

This bill would declare that it is to take effect immediately as an urgency statute.

Vote:  $\frac{2}{3}$ . Appropriation: no. Fiscal committee: yes.  
 State-mandated local program: no.
