January 5, 2016

An act to add Sections 1785.11.9, 1785.11.10, and 1785.11.11 to the Civil Code, relating to consumer credit reports.

LEGISLATIVE COUNSEL'S DIGEST

AB 1580, as amended, Gatto. Consumer credit reports: security freezes: protected consumer.

Existing state law defines and regulates consumer credit reports and authorizes a consumer to place a security freeze on his or her credit report by making a request in writing by mail to a consumer credit reporting agency. Existing state law requires a consumer credit reporting agency to place the security freeze on the consumer's credit report no later than 3 business days after receiving the consumer's request.

This bill would require a consumer credit reporting agency to place a security freeze for a protected consumer, defined as an individual who is under 16 years of age at the time a request for the placement of a security freeze is made, an incapacitated person or a protected individual for whom a guardian or conservator has been appointed, or a person

under the jurisdiction of a county welfare department or county probation department who has been placed in a foster care setting and is under 16 years of age at the time a request for a security freeze is made, upon that consumer’s representative’s request and compliance with certain requirements. The bill would require a consumer credit reporting agency to send written confirmation of the security freeze to the protected consumer’s representative within 10 days of the placement of the security freeze.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:
