An act to amend Sections 30515 and 30900 of, and to add Section 30680 to, the Penal Code, relating to firearms.

LEGISLATIVE COUNSEL'S DIGEST

AB 1664, as amended, Levine. Firearms: assault weapons.

*(1) Existing law generally prohibits the possession or transfer of assault weapons, except for the sale, purchase, importation, or possession of assault weapons by specified individuals, including law enforcement officers. Under existing law, "assault weapon" means, among other things, a semiautomatic centerfire rifle or a semiautomatic pistol that has the capacity to accept a detachable magazine and has any one of several specified attributes, including, for rifles, a thumbhole stock, and for pistols, a 2nd handgrip.*

*This bill would revise this definition of "assault weapon" to mean a semiautomatic centerfire rifle or a semiautomatic pistol that does not have a fixed magazine but has any one of those specified attributes. The bill would also define "fixed magazine" to mean an ammunition feeding device contained in, or permanently attached to, a firearm in such a*

*manner that the device cannot be removed without disassembly of the firearm action.*

*By expanding the definition of an existing crime, the bill would impose a state-mandated local program.*

*(2) Existing law makes any person who, within this state, possesses an assault weapon, except as otherwise provided, guilty of a misdemeanor or a felony.*

*This bill would exempt from punishment under that prohibition a person who possessed an assault weapon prior to January 1, 2017, if specified requirements are met.*

*(3) Existing law requires that, with specified exceptions, any person who, prior to January 1, 2001, lawfully possessed an assault weapon prior to the date it was defined as an assault weapon, and which was not specified as an assault weapon at the time of lawful possession, register the firearm with the Department of Justice. Existing law permits the Department of Justice to charge a fee for registration of up to \$20 per person but not to exceed the actual processing costs of the department. Existing law, after the department establishes fees sufficient to reimburse the department for processing costs, requires fees charged to increase at a rate not to exceed the legislatively approved annual cost-of-living adjustment for the department's budget or as otherwise increased through the Budget Act. Existing law requires those fees to be deposited into the Dealers' Record of Sale Special Account. Existing law, the Administrative Procedure Act, establishes the requirements for the adoption, publication, review, and implementation of regulations by state agencies.*

*This bill would require that any person who, from January 1, 2001, to December 31, 2016, inclusive, lawfully possessed an assault weapon that does not have a fixed magazine, as defined, and including those weapons with an ammunition feeding device that can be removed readily from the firearm with the use of a tool, register the firearm with the Department of Justice before January 1, 2018, but not before the effective date of specified regulations. The bill would permit the department to increase the \$20 registration fee as long as it does not exceed the reasonable processing costs of the department. The bill would also require registrations to be submitted electronically via the Internet utilizing a public-facing application made available by the department. The bill would require the registration to contain specified information, including, but not limited to, a description of the firearm that identifies it uniquely and specified information about the registrant.*

*The bill would permit the department to charge a fee of up to \$15 per person for registration through the Internet, not to exceed the reasonable processing costs of the department to be paid and deposited, as specified, for purposes of the registration program. The bill would require the department to adopt regulations for the purpose of implementing those provisions and would exempt those regulations from the Administrative Procedure Act. The bill would also make technical and conforming changes.*

*(4) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.*

*This bill would provide that no reimbursement is required by this act for a specified reason.*
