An act to amend ~~Sections~~ *Section* 16501 and 16502 of the Probate Code, relating to trusts.

LEGISLATIVE COUNSEL’S DIGEST

AB 1700, as amended, Maienschein. Trusts: Notice of proposed action by trustee.

Existing law provides for the creation, modification, and termination of trusts, and regulates the acts of trustees in administering a trust. Existing law establishes provisions by which a trustee may give a notice of proposed action regarding certain matters, while prohibiting the use of these notices for other specified actions, including preliminary and final distributions and discharge. ~~Existing law requires that a notice of proposed action include a time within which objections to a proposed action can be made, which shall be at least 45 days from the mailing of the notice.~~

This bill would instead authorize a trustee to provide a notice of proposed action for preliminary and final discharges and ~~would reduce the minimum amount of time within which objections to a proposed action can be made to 30 days from the date of mailing of the notice.~~ *distributions. The bill would make other technical, nonsubstantive changes in that regard.*

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
