LEGISLATIVE COUNSEL'S DIGEST

AB 1711, as amended, McCarty. University of California: nonresident student enrollment.

The provisions are applicable to the University of California only if the Regents of the University of California act, by resolution, to make them applicable.

This bill would require the University of California, *in collaboration with the Academic Senate of the University of California*, as a condition of receipt of funds appropriated in the annual Budget Act, to ~~establish a policy to require each campus to admit only nonresident undergraduate~~

~~students who exceed the academic qualifications of resident undergraduate students, as specified;~~ *ensure that implementation of any admissions policy regarding admission of nonresident undergraduate students includes guidance that ensures the academic qualifications for admitted nonresident undergraduate students generally exceeds the academic qualifications of resident undergraduate students, and would require the University of California to report specified information to the Legislature annually regarding actions taken to ensure compliance with implementation of the policy.*

This bill would declare that it is to take effect immediately as an urgency statute.
