An act to add and repeal Section 893.5 of the Welfare and Institutions Code, relating to human trafficking.

LEGISLATIVE COUNSEL'S DIGEST

AB 1730, as amended, Atkins. Human trafficking: minors.

Existing law proscribes the crime of human trafficking, as defined. A person who causes, induces, or persuades, or attempts to cause, induce, or persuade, a person who is a minor at the time of commission of the offense to engage in a commercial sex act, with the intent to effect or maintain a violation of any of specified sex offenses, is guilty of human trafficking. Existing law also proscribes the crime of prostitution.

Existing law authorizes or requires, as specified, the probation officer of a county to exercise various duties with respect to a minor who has

been found to be within the jurisdiction of the juvenile court on the ground that he or she has violated a law or statute, or that he or she has suffered, or there is a substantial risk that he or she will suffer, abuse or neglect.

Existing law establishes the Board of State and Community Corrections to provide statewide leadership, coordination, and technical assistance to promote effective state and local efforts and partnerships in California's adult and juvenile criminal justice system.

This bill would, only until January 1, 2022, require the Board of State and Community Corrections to establish a pilot project in up to 4 counties, ~~including counties that elect to participate in the pilot project and would authorize the Counties of Sacramento, San Diego, San Joaquin, and Santa Clara. Clara to elect to participate in the pilot project.~~ The bill would authorize each participating county to determine whether that county's probation department or child welfare agency, or both, would create and operate a program funded by the pilot project. The bill would require a program funded by the pilot project to provide services to youth within that county's jurisdiction that ~~addresses~~ *address* the need for services relating to the commercial sexual exploitation of youth. The bill would state that the purpose of the pilot project is to test a service model that would produce improved outcomes for youth victims of human trafficking. The bill would also require a county that elects to participate in the pilot project and establishes a program pursuant to these provisions to conduct at least one evaluation of the program's impact and effectiveness and to submit that evaluation to the board. The bill would provide that the pilot project established pursuant to these provisions would be funded contingent upon an appropriation in the annual Budget Act. The bill would provide that funds appropriated for these purposes shall be administered by the Board of State and Community Corrections.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
