

ASSEMBLY BILL

No. 1752

Introduced by Assembly Member Melendez

February 2, 2016

An act to amend Section 9250 of the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 1752, as introduced, Melendez. Vehicles: registration fees.

Existing law requires the Department of Motor Vehicles (DMV) to charge a registration fee on every vehicle or trailer coach, as specified. Existing law also authorizes the imposition of certain additional fees and surcharges, including, among others, an additional fee, as specified, on all motor vehicles to fund local programs relating to vehicle theft crimes.

This bill would require the DMV to clearly identify the registration fee as the base registration fee on any application for initial registration or renewal of registration, and to aggregate any additional fees or surcharges added to the base registration fee as a separate and distinct line item on those applications. The bill would require the DMV to post on its Internet Web site a clear description of each additional fee or surcharge added to the base registration fee, including the statutory authority for that fee or surcharge. The bill would also require the DMV to provide with each application the Internet Web site address where this information can be accessed.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
