

**Assembly Bill No. 1797**

CHAPTER 402

An act to add Section 12301.16 to the Welfare and Institutions Code, relating to in-home supportive services.

[Approved by Governor September 21, 2016. Filed with Secretary of State September 21, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1797, Lackey. In-home supportive services: application.

Existing law provides for the county-administered In-Home Supportive Services program, under which qualified aged, blind, and disabled persons are provided with services in order to permit them to remain in their own homes and avoid institutionalization. Existing law requires the application for in-home supportive services to contain a notice to the recipient that his or her provider or providers will be given written notice of the recipient's authorized services and full number of services hours allotted to the recipient. Existing law also requires the application to inform recipients of the Medi-Cal toll-free telephone fraud hotline and Internet Web site for reporting suspected fraud or abuse in the provision or receipt of supportive services.

This bill would require the county, upon receipt of an application for in-home supportive services, to provide the applicant with a confirmation number, as specified. By creating additional duties for counties, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

*The people of the State of California do enact as follows:*

SECTION 1. Section 12301.16 is added to the Welfare and Institutions Code, to read:

12301.16. Upon receipt of an application for in-home supportive services, the county shall provide the applicant with a confirmation number to serve as documentation that the applicant filed an application for in-home supportive services. The county may use the case number as the confirmation number.

SEC. 2. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and

school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
