Existing law requires the probation department and *the* child welfare service services department in each county to jointly develop a written protocol, as specified, to ensure appropriate local coordination in the assessment of a minor who is both a dependent child and a ward of the juvenile court. Existing law requires, whenever a minor appears to be both a dependent child and a ward of the juvenile court, the county probation department and the child welfare services department, pursuant to that jointly developed written protocol, to initially determine which status will ~~best~~ serve the best interests of the minor and the protection of society. ~~Existing~~

*Existing law authorizes the probation department and the child welfare services department in a county to create a jointly written protocol to allow the 2 departments to jointly assess and produce a recommendation that the child be designated as a dual status child, as specified. Existing law requires the protocol to include a plan to collect data, and requires the Judicial Council to collect and compile ~~that~~ the data. Existing law requires the Judicial Council to prepare an evaluation*

of the results of the implementation of the protocol, as specified, and to report its findings and any resulting recommendations to the Legislature within 2 years of the date those counties first deem a child to be a dual status child.

This bill would *instead* require the Judicial Council to, ~~on or before January 31, 2017,~~ to convene a committee comprised of stakeholders involved in serving the needs of dependents or wards of the juvenile court, as specified. The bill would require the ~~committee~~ *committee*, by *January 1, 2018*, to develop and report to the Legislature its recommendations to facilitate and enhance comprehensive data and outcome tracking for the state’s ~~dually involved, crossover, and dual status youth,~~ *youth involved in both the child welfare system and the juvenile justice system*, and would require the recommendations to include specified information, including standardized definitions related to the populations of youth involved in both the ~~child welfare system and the probation system.~~ *these youth*. The bill would also require the State Department of Social ~~Services to,~~ *Services*, on or before January 31, ~~2017,~~ *2019,* to implement a function within the Child Welfare Services/Case Management System (CWS/CMS) that will enable county child welfare agencies and county probation departments to identify ~~the dually involved youth described above who are~~ residing within their counties, and to issue guidance to all counties on the manner in which to track joint assessment hearing information completely and consistently for ~~dually involved~~ *these youth*.
