No. 1968

Introduced by Assembly Member Steinorth

February 16, 2016

An act to amend Section 5541.1 of the Public Resources Code, relating to parks.

LEGISLATIVE COUNSEL'S DIGEST

AB 1968, as introduced, Steinorth. East Bay Regional Park District.

Existing law authorizes the East Bay Regional Park District to plan, adopt, lay out, plant, develop, and otherwise improve, extend, control, operate, and maintain vehicular recreational areas and trails for the use and enjoyment of the inhabitants of the district. Existing law prohibits the board of directors of the district from interfering with the control of a vehicular recreational area or trail that is existing, owned, or controlled by a municipality or county in the district, except with the consent of the governing body of the municipality or county, and upon terms as may be mutually agreed upon between the board and the governing body.

This bill would make nonsubstantive changes to those provisions.
