

AMENDED IN ASSEMBLY APRIL 21, 2016

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 1985

Introduced by Assembly Member Williams

February 16, 2016

An act to add Article 9 (commencing with Section 79500) to Chapter 9 of Part 48 of Division 7 of Title 3 of the Education Code, relating to Advanced Placement credit.

LEGISLATIVE COUNSEL'S DIGEST

AB 1985, as amended, Williams. Postsecondary education.

Existing law requires the Board of Governors of the California Community Colleges, the Regents of the University of California, and the Trustees of the California State University, with appropriate consultation with the Academic Senates of the respective segments, to jointly develop, maintain, and disseminate a shared core curriculum in general education courses for the purposes of transfer.

This bill would require the *office of the Chancellor of the California Community Colleges* to develop, and each community college district to adopt, a uniform policy to award a pupil who passes an Advanced Placement exam with a *minimum* score of 3 or higher *course* credit for ~~a course within this curriculum~~ *certain requirements in a course*, with subject matter similar to that of the Advanced Placement exam.

To the extent that this bill would impose new duties on community college districts, it would constitute a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. The Legislature finds and declares each of the
2 following:

3 (a) It is the intent of the Legislature to establish a uniform
4 Advanced Placement (AP) credit policy for general education
5 within the California Community Colleges.

6 (b) Studies consistently find that pupils who earn AP exam
7 scores of three and higher are likely to demonstrate multiple
8 measures of college success.

9 (c) The lack of a uniform AP credit policy often serves as an
10 academic and financial barrier for students enrolling in California
11 Community Colleges and is a transfer obstacle for many pupils.

12 SECTION 1.

13 SEC. 2. Article 9 (commencing with Section 79500) is added
14 to Chapter 9 of Part 48 of Division 7 of Title 3 of the Education
