**ASSEMBLY BILL**

**No. 1998**

---

**Introduced by Assembly Member Campos**

February 16, 2016

---

An act to add Section 224.7 to the Welfare and Institutions Code, 6033 to the Penal Code, relating to juveniles.

LEGISLATIVE COUNSEL'S DIGEST

AB 1998, as amended, Campos. Juveniles: data collection.

*Existing law establishes, within the Board of State and Community Corrections, the California Juvenile Justice Data Working Group, as provided. Existing law requires the working group to, among other things, analyze the capacities and limitations of the data systems and networks used to collect and report state and local juvenile caseload and outcome data and prepare and submit a report to the Legislature, as specified.*

*This bill would require the Board of State and Community Corrections to prepare guidelines for counties on how to disaggregate juvenile justice caseload and performance and outcome data by race and ethnicity.*

~~Existing law provides that the juvenile court and probation department have an affirmative and continuing duty to inquire whether a child for whom a petition to declare the child a ward of the court is to be, or has been, filed is or may be an Indian child if the child is at risk of entering foster care or is in foster care.~~

~~This bill would require the juvenile court, a juvenile detention facility, and a county probation department, when asking juveniles about their race, ethnicity, national origin, ancestry, or tribal affiliation in order to~~

comply with federal data collection requirements, to collect additional data by using specified questions, including, among others, “Are you Hispanic or Latino?” By imposing new duties on local juvenile detention facilities and county probation departments, this bill would impose a state-mandated program.

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

State-mandated local program: ~~yes~~-no.
