CHAPTER _____

An act to amend Sections 727.1, 727.4, and 730 of the Welfare and Institutions Code, relating to juveniles.

LEGISLATIVE COUNSEL'S DIGEST

AB 2005, Ridley-Thomas. Juveniles: out-of-state placement.

Existing law establishes the jurisdiction of the juvenile court, under which the juvenile court may adjudge a person who is under 18 years of age when he or she violates any law or ordinance to be a ward of the court, as specified. Existing law authorizes the court to make any reasonable orders for the care, supervision, custody, conduct, maintenance, and support of the minor who is adjudged a ward of the court. In the discretion of the court, existing law authorizes the court to order a ward to be on probation without the supervision of the probation officer. In all other cases, existing law requires the court to order the care, custody, and control of the minor to be under the supervision of a probation officer who is required to determine the appropriate placement for the ward, and authorizes the probation agency to place the minor in specified treatment settings, including the approved home of a relative or nonrelative, a foster home, or a suitable licensed community care facility. As an alternative to these types of treatments, existing law authorizes the court to commit the minor to a juvenile home, ranch, camp, or forestry camp.

The bill would clarify that these provisions shall not be construed to authorize the court to commit the minor to a juvenile home, ranch, camp, or forestry camp outside of the state.

Existing law prohibits the court from ordering the placement of a minor who is adjudged a ward of the court in a private residential facility or program that provides 24-hour supervision, outside of the state, unless the court finds that specified conditions are met, including that in-state facilities or programs have been determined to be unavailable or inadequate to meet the needs of the minor.

The bill would instead authorize the court to order the placement of a minor who is adjudged a ward of the court in a private residential facility or program that provides 24-hour supervision outside of the state if the court finds by clear and convincing

evidence that, among other things, the case plan developed for the minor demonstrates that the out-of-state placement is the most appropriate and is in the best interests of the minor and that in-state facilities or programs have been considered and are unavailable or inadequate to meet the needs and best interests of the minor. The bill would make conforming changes.

This bill would incorporate additional changes in Sections 727.1 and 727.4 of the Welfare and Institutions Code proposed by AB 1997, that would become operative only if AB 1997 and this bill are both chaptered and become effective on or before January 1, 2017, and this bill is chaptered last.

The people of the State of California do enact as follows:

SECTION 1. Section 727.1 of the Welfare and Institutions Code is amended to read:

727.1. (a) If the court orders the care, custody, and control of the minor to be under the supervision of the probation officer for foster care placement pursuant to subdivision (a) of Section 727, the decision regarding choice of placement, pursuant to Section 706.6, shall be based upon selection of a safe setting that is the least restrictive or most family like, and the most appropriate setting that meets the individual needs of the minor and is available, in proximity to the parent's home, consistent with the selection of the environment best suited to meet the minor's special needs and best interests. The selection shall consider, in order of priority, placement with relatives, tribal members, and foster family, group care, and residential treatment pursuant to Section 7950 of the Family Code.

(b) Unless otherwise authorized by law, the court shall not order the placement of a minor who is adjudged a ward of the court on the basis that he or she is a person described by either Section 601 or 602 in a private residential facility or program that provides 24-hour supervision, outside of the state, unless the court finds by clear and convincing evidence, in its order of placement, that all of the following conditions are met:

(1) The case plan for the minor, developed in strict accordance with Section 706.6, demonstrates that the out-of-state placement is the most appropriate and is in the best interests of the minor and that in-state facilities or programs have been considered and are

unavailable or inadequate to meet the needs and best interests of the minor.

(2) The State Department of Social Services or its designee has performed initial and continuing inspection of the out-of-state residential facility or program and has either certified that the facility or program meets the greater of all licensure standards required of group homes or of short-term residential treatment centers operated in California, or that the department has granted a waiver to a specific licensing standard upon a finding that there exists no adverse impact to health and safety, pursuant to subdivision (c) of Section 7911.1 of the Family Code.

(3) The requirements of Section 7911.1 of the Family Code are met.

(c) If, upon inspection, the probation officer of the county in which the minor is adjudged a ward of the court determines that the out-of-state facility or program is not in compliance with the standards required under paragraph (2) of subdivision (b) or has an adverse impact on the health and safety of the minor, the probation officer may temporarily remove the minor from the facility or program. The probation officer shall promptly inform the court of the minor's removal, and shall return the minor to the court for a hearing to review the suitability of continued out-of-state placement. The probation officer shall, within one business day of removing the minor, notify the State Department of Social Services' Compact Administrator, and, within five working days, submit a written report of the findings and actions taken.

(d) The court shall review each of these placements for compliance with the requirements of subdivision (b) at least once every six months.

(e) The county shall not be entitled to receive or expend any public funds for the placement of a minor in an out-of-state group home or short-term residential treatment center, unless the conditions of subdivisions (b) and (d) are met.

SEC. 1.5. Section 727.1 of the Welfare and Institutions Code is amended to read:

727.1. (a) If the court orders the care, custody, and control of the minor to be under the supervision of the probation officer for foster care placement pursuant to subdivision (a) of Section 727, the decision regarding choice of placement, pursuant to Section 706.6, shall be based upon selection of a safe setting that is the

least restrictive or most family like, and the most appropriate setting that meets the individual needs of the minor and is available, in proximity to the parent's home, consistent with the selection of the environment best suited to meet the minor's special needs and best interests. The selection shall consider, in order of priority, placement with relatives, tribal members, and foster family, group care, and residential treatment pursuant to Section 7950 of the Family Code.

(b) Unless otherwise authorized by law, the court shall not order the placement of a minor who is adjudged a ward of the court on the basis that he or she is a person described by either Section 601 or 602 in a private residential facility or program that provides 24-hour supervision, outside of the state, unless the court finds by clear and convincing evidence, in its order of placement, that all of the following conditions are met:

(1) The case plan for the minor, developed in strict accordance with Section 706.6, demonstrates that the out-of-state placement is the most appropriate and is in the best interests of the minor and that in-state facilities or programs have been considered and are unavailable or inadequate to meet the needs and best interests of the minor.

(2) The State Department of Social Services or its designee has performed initial and continuing inspection of the out-of-state residential facility or program and has either certified that the facility or program meets the greater of all licensure standards required of group homes or of short-term residential therapeutic programs operated in California, or that the department has granted a waiver to a specific licensing standard upon a finding that there exists no adverse impact to health and safety, pursuant to subdivision (c) of Section 7911.1 of the Family Code.

(3) The requirements of Section 7911.1 of the Family Code are met.

(c) If, upon inspection, the probation officer of the county in which the minor is adjudged a ward of the court determines that the out-of-state facility or program is not in compliance with the standards required under paragraph (2) of subdivision (b) or has an adverse impact on the health and safety of the minor, the probation officer may temporarily remove the minor from the facility or program. The probation officer shall promptly inform the court of the minor's removal, and shall return the minor to the

court for a hearing to review the suitability of continued out-of-state placement. The probation officer shall, within one business day of removing the minor, notify the State Department of Social Services' Compact Administrator, and, within five working days, submit a written report of the findings and actions taken.

(d) The court shall review each of these placements for compliance with the requirements of subdivision (b) at least once every six months.

(e) The county shall not be entitled to receive or expend any public funds for the placement of a minor in an out-of-state group home or short-term residential therapeutic program, unless the conditions of subdivisions (b) and (d) are met.

SEC. 2. Section 727.4 of the Welfare and Institutions Code is amended to read:

The notice shall contain a statement regarding the nature of the status review or permanency planning hearing and any change in the custody or status of the minor being recommended by the probation department. The notice shall also include a statement informing the foster parents, relative caregivers, or preadoptive parents that he or she may attend all hearings or may submit any information he or she deems relevant to the court in writing. SEC. 3. Section 730 of the Welfare and Institutions Code is amended to read:

730. (a) If a minor is adjudged a ward of the court on the ground that he or she is a person described by Section 602, the court may order any of the types of treatment referred to in Section 727, and as an additional alternative, may commit the minor to a juvenile home, ranch, camp, or forestry camp. If there is no county juvenile home, ranch, camp, or forestry camp within the county,

the court may commit the minor to the county juvenile hall. This subdivision shall not be construed to authorize a court to commit a minor to a juvenile home, ranch, camp, or forestry camp located outside of the state.

(b) If a ward described in subdivision (a) is placed under the supervision of the probation officer or committed to the care, custody, and control of the probation officer, the court may make any and all reasonable orders for the conduct of the ward, including the requirement that the ward go to work and earn money for the support of his or her dependents or to effect reparation and in either case that the ward keep an account of his or her earnings and report the same to the probation officer and apply these earnings as directed by the court. The court may impose and require any and all reasonable conditions that it may determine fitting and proper to the end that justice may be done and the reformation and rehabilitation of the ward enhanced.

(c) If a ward described in subdivision (a) is placed under the supervision of the probation officer or committed to the care, custody, and control of the probation officer, and is required as a condition of probation to participate in community service or graffiti cleanup, the court may impose a condition that if the minor unreasonably fails to attend or unreasonably leaves prior to completing the assigned daily hours of community service or graffiti cleanup, a law enforcement officer may take the minor into custody for the purpose of returning the minor to the site of the community service or graffiti cleanup.

(d) If a minor is adjudged or continued as a ward of the court on the ground that he or she is a person described by Section 602 by reason of the commission of rape, sodomy, oral copulation, or an act of sexual penetration specified in Section 289 of the Penal Code, the court shall order the minor to complete a sex offender treatment program, if the court determines, in consultation with the county probation officer, that suitable programs are available. In determining what type of treatment is appropriate, the court shall consider all of the following: the seriousness and circumstances of the offense, the vulnerability of the victim, the minor's criminal history and prior attempts at rehabilitation, the sophistication of the minor, the threat to public safety, the minor's likelihood of reoffending, and any other relevant information presented. If ordered by the court to complete a sex offender

treatment program, the minor shall pay all or a portion of the reasonable costs of the sex offender treatment program after a determination is made of the ability of the minor to pay.

SEC. 4. (a) Section 1.5 of this bill incorporates amendments to Section 727.1 of the Welfare and Institutions Code proposed by both this bill and Assembly Bill 1997. (b) Section 2.5 of this bill incorporates amendments to Section 727.4 of the Welfare and Institutions Code proposed by both this bill and Assembly Bill 1997. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2017, (2) each bill amends Section 727.4 of the Welfare and Institutions Code, and (3) this bill is enacted after Assembly Bill 1997, in which case Section 2 of this bill shall not become operative.
