AMENDED IN ASSEMBLY MARCH 30, 2016
CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 2017

Introduced by Assembly Member McCarty

February 16, 2016

An act to add Part 3.3 (commencing with Section 5832) to Division 5 of the Welfare and Institutions Code, relating to mental health, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 2017, as amended, McCarty. College Mental Health Services Program.

Existing law, the Mental Health Services Act, an initiative measure enacted by the voters as Proposition 63 at the November 2, 2004, statewide general election, funds a system of county mental health plans for the provision of mental health services, as specified. The act provides that it may be amended by the Legislature by a $\frac{2}{3}$ vote of each house as long as the amendment is consistent with and furthers the intent of the act.

The act establishes the Mental Health Services Fund, continuously appropriated to and administered by the State Department of Health Care Services, to fund specified county mental health programs, including prevention and early intervention programs and programs implemented under the Adult and Older Adult Mental Health System of Care Act. The act authorizes the payment of administrative costs of the state from the fund in an amount not greater than 5% of the annual

total deposited in the fund and otherwise specifies the distribution of moneys in the fund.

This ~~bill~~ bill, until January 1, 2022, would establish the College Mental Health Services Trust Account, would transfer ~~an unspecified amount~~ \$40,000,000 annually to that account from the Mental Health Services Fund, and would appropriate those funds to the department to create a grant program for public community colleges, colleges, and universities to improve access to mental health services on campus, as specified. The bill would require campuses that have been awarded grants annually to report on the use of grant funds.

By changing the funding structure approved by the voters, this bill would amend the Mental Health Services Act. The bill would state the finding of the Legislature that the measure is consistent with and furthers the purposes of the Mental Health Services Act. The bill would make other finding and declarations.

Vote: 2/3. Appropriation: yes. Fiscal committee: yes.
State-mandated local program: no.
