AMENDED IN SENATE AUGUST 1, 2016

AMENDED IN ASSEMBLY MARCH 31, 2016

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 2027

Introduced by Assembly Member Quirk

February 16, 2016

An act to add Section 679.11 to the Penal Code, relating to victims of crime.

LEGISLATIVE COUNSEL'S DIGEST

AB 2027, as amended, Quirk. Victims of crime: nonimmigrant status.

Existing federal law provides a Form I-914, Petition for T Nonimmigrant Status (Form I-914) to request temporary immigration benefits for a person who is a victim of certain qualifying criminal activity. Existing federal law also provides a form for certifying that a person submitting a Form I-914 is a victim of human trafficking and a declaration as to cooperation by the person regarding investigating or prosecuting trafficking (Form I-914 Supplement B).

Existing state law establishes certain rights of victims and witnesses of crimes, including, among others, to be notified and to appear at all sentencing proceedings, upon request, to be notified and to appear at parole eligibility hearings, and, for certain offenses, to be notified when a convicted defendant had been ordered placed on probation.

This bill would require, upon request, that an official from a state or local entity certify "victim cooperation" on the Form I-914 Supplement B declaration, when the requester was a victim of human trafficking and has been cooperative, is being cooperative, or is likely to be

cooperative regarding the investigation or prosecution of ~~that~~ human trafficking. The bill would establish a rebuttable presumption that a victim is cooperative, has been cooperative, or is likely to be cooperative if the victim has not refused or failed to provide information and assistance reasonably requested by law enforcement. The bill would require the certifying entity to process a Form I-914 Supplement B declaration within 90 days of request, unless the noncitizen is in removal proceedings, in which case the declaration is required to be processed within 14 days of request. The bill would require a certifying entity *that receives a request for a Form I-914 Supplement B declaration* to report to the Legislature, on or before January 1, 2018, and annually thereafter, the number of victims who requested Form I-914 Supplement B declarations from the entity, the number of those declaration forms that were signed, and the number that were denied.

By imposing additional duties on local government agencies, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
