An act to amend Section 18911 of the Welfare and Institutions Code, relating to CalFresh.

LEGISLATIVE COUNSEL'S DIGEST

AB 2057, as introduced, Mark Stone. CalFresh: application information.

Existing law provides for the federal Supplemental Nutrition Assistance Program (SNAP), known in California as CalFresh, under which supplemental nutrition assistance benefits allocated to the state by the federal government are distributed to eligible individuals by each county. Existing law requires the State Department of Social Services to develop specified written information relating to application for CalFresh, and requires a county welfare department to make this information available to an applicant and, upon request, to emergency food programs, among other entities, as specified. Existing law also requires a county welfare department to compile a list of emergency food providers, and to make other information available to applicants, as specified.

This bill would make technical, nonsubstantive changes in these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
